DEDICATION

To my Jesus Christ.

Who saved my wretched and poor soul at the Cross, giving
me the free gift of Eternal Life, and electing me to Heaven,
before I was born into this fallen world.

To my Jesus Christ.

Lord of all worlds. Lord of all stars. Lord of all lights. Lord
of all breath. Lord of all spirit. Lord of all flesh. Lord of all
existence. Without which, nothing would be, and yet, Lord,
You are Good, and You are Lord of everything, and
everyone.

To my Jesus Christ.

Who saved my pitiable life from certain death, on numerous
occasions, throughout my sojourning here, and now, in this
far too oft evil world where, and when, we must struggle and
suffer--outnumbered by multitudes of enemies, near and far,
invisible and visible--and mourn and long, for the truest and
realest freedom, of which we may merely hope for, in but
partial fragments and fleeting glances, in Your Mighty Spirit,
in Your Cleansing Breath, and in the Warmest Light of Your
Immaculate Word.

To my Jesus Christ.

Who is the Perfect Man, and the Supreme and Almighty God,
the Great and Grand King of all of Creation and the Merciful
and Loving Redeemer of downtrodden Mankind.

To my Jesus.

I love You so.

To the Mother of God. Queen of Heaven. Whom was not
befouled in the least, by the sins of Adam and Eve.

I love You so.

ACKNOWLEDGMENTS

Wisdom. You are my Holy Mistress.

Truth. You are my Unconquerable Champion.

Love. You are my hope, even when I am deaf, dumb, and blind to You. You give me treasures, unseen, unheard, uncarried, worth more than all the wealth of this world.

I wish to acknowledge the Youth of the American Nation. In particular, and in an especial manner, the Youth of extant Christendom throughout the world. I look not at you, for fear that my ugliness will mar your beauty.

Once, you were the future, I the forgotten past. Now, you are the present, upon which the future is counting. No matter the struggle and suffering, no matter the trial and tribulation, you must hold onto to your identity, in the Real Light. You must adhere to your Faith. You must carry on along the Way, and fight. For the Truth is worthy of you spending your all, in defense of all who are His.

You Children.

Verily I say unto You. You are the dearest and most blessed and cherished gift of Heavenly Father God Almighty. You are the Future. You are the Light of the World. You are the Hope of Your Race. You are the Masterpiece of God's Creation. You are the Apple of the Lion's Eye of Jesus Christ Himself. Keep in joy. Remain in peace. Stay in safety. In the being of a Child, there is a mission and a station, worthy of the Glory and Honor of God. For what a lovely state of life it is, to be a purely beautiful child of God.

A brief note on this work:

This book is a collection of articles, seven to be exact, written under *extreme* duress. I shall not recant or repent of having written them, or of a single word, or what purpose and meaning and message herein I have labored to convey. For my audience, first and foremost, above any and all else and others, is His Supreme Heavenly Holy Majesty. Moreover, this work is specifically meant for *my* people. For *my* race.

Such as they are, and such as they will have me, the worst,
and poorest sinner.

I regard this work, in totality, as that of a Man, free in Jesus
Christ, and thus righteous unto God Almighty.

This exercise of my rights, is that of a witness and issuance of
the Free Press. Those who shall seek to silence me, by
tampering, intimidation, or obstruction, or by any other
means or methods, for they, having been offended by what I
must say, shall deign to violate both the Law, and my Rights,
in unlawful order that their vain offense(es) should be
alleviated. He who does wrong, to make himself feel good, is
no brother, friend or neighbor of mine. If the pride of my
enemies is too wounded to heal, by what I have written and
self-published, without silencing me, or mine, then my
enemies prove, once more, by their own works, that we shall
know them as the wicked, and that there is a vast
irreconcilable difference between the wicked, and the sinful
who heed the call unto Jesus Christ.

I take responsibility for each and every word I have written,
for each and every sentence and meaning I have expressed. If
there be fault in my work, then there it be, laid bear for all to
judge. And yet, the only Judge whom I regard, is His Holy
Majesty, All-Father God Himself.

I am contented and at peace, were my own blessed Mother
to read my work; were the entire world to read my work; and
were God Himself to read my work. In fact, I anticipate, that
one day, I will go before my Judge, and I will give an account,
and in that account, will be this very body of work.

I trust in my Heavenly Grand All-Father, that He will see to
my talent(s), and my literary articulations and intellectual
properties and endeavors.

Aside from the changing of some of the titles of the articles,
and minor grammatical corrections, and the including of
certain articles, which were written under another of my
names, under my present pen-name, none of the articles have
been revised. The dates of the original completion of the
articles, and the self-publishing of the same, are listed in the

PIMPING IS EASY FOR PARASITES OF (WO)MEN & PREDATORS OF CHILDREN

Virtually every government, every corporation, every institution, every organization, the entirety of the dominant culture and society, and all its subtleties and subcontracted and privatized appendages, has been essentially and effectively compromised. This is a slave and murder cult system. The world is a conglomerated octopus, or hydra if you like. Freedom exists in the individual mind, and even then, only sparingly and intermittently and gruelingly. And there is always a price that is exacted for anything that the individual perceives as himself engaging in his free will and taking his liberty to pursue some self-governing aim that is ordinary, noble or otherwise. It is left to the individual---forcibly isolated and imprisoned within a cybernetic containment field and imposed matrix that induces psychosomatic states, that is, a high-tech gulag that controls, which quite often means destroys or more aptly murders every aspect of the targeted individual soul's existence, yet surrounded by tens of thousands of hostile aliens, foreigners, and strangers on all sides that are more cyborg, more automaton, more alien, more insectoid-like than human beings in that they are collectivized to the one, insectoid-like, reptilian-like predatorial, parasitical hive mind---to endure this most

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

miserable, agonizing, and tortured existence.

Such is not hyperbole, or the fancy of an overdramatic imagination of an attention seeker. Such is not delusional thinking, or “crazy” talk from an unqualified individual. Such is quite literally the reality. Of course, it is by artificial intelligent design, and the intent by the progenitors of this dystopia is insidious. The only actual good that is left in this world, is a reflection of the remnant of the light that shines within the rare individual man. And yes, that means woman too. A minority of a minority of a minority. Yet, the perpetrators of all manner of crimes against him[er], including stalking and harassment, lie and claim they are minorities and victims when in fact they are the majority and criminal perpetrators---they are the protected criminal and terrorist class that is sponsored by the conglomerated government, corporate, and media empire, to operate with immunity and impunity. Left to their own devices, these rape stars and murder all-stars, be they Jew, Hispanic, or black, or other, can neither say nor do anything that is good, beneficial, or a positive influence on the life of the remnant general individual population they subvert, corrupt, misappropriate, enslave, terrorize, and murder. The individual sees the organized thuggish mob, and its group think, for what it is. Lawless. And so, h[sh]e responds accordingly. With the pen and with the sword.

Mediocrity, inferiority, and idiocy abound among those, that is empirically the majority of the mainstream and “alternative” conformist general population, that impotently wish to project themselves as sophisticated, even in their thuggery and organized criminal actions, and as somehow superior. Their hatred of us, I believe, stems from their inferiority complex. They are inferior beings. Why else would it take an entire hive-minded world to wage war against a single individual? They must, at some primitive level, or at the apex of their consciousness, know that they are inferior, and thus, even in their world chock-full of standardized and normalized evil, criminality, and insanity, in their

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG
DEATH CAMP

“supremacy” of perpetrating murderous force against defenseless, or weaker, victims they must feel better about themselves. Thus, it bugs them, when we do not find them tolerable. They won’t admit that, but in some way, they are so insecure, that they demand our acceptance of them. This is totally insane. I do not wish to be misunderstood here. Make no mistake. Sympathy is as alien to them as rape is alien to us, and rape is as common to them as sympathy is amongst us. Empathy? By George, one might as well seek empathy from hydras. That they derive pleasure from inflicting pain and destruction upon those that are unable to defend themselves, or are weaker than they are, socially, politically, or physically, is indicative of their demonic nature and state.

Apologists will lie and say that demons are not inherently evil. This is new age disinformation babble. This is the same type of nonsense about UFOs being a benign phenomenon. It should be noted, as obvious as it is, that this is not an exclusively spiritual war that is being waged against us. How is one to solely combat a multi-dimensional physical-mental-spiritual hazard with only a spiritual solution, insofar as they are spiritually equipped and are able to effectively engage in spiritual warfare, and hope to be effective?

Why does organized religion seem to be conducive to the establishment, when the establishment has effectively destroyed religion insofar as religion attends to and attains spiritual emancipation and ascendancy, cosmic and eternal, which of course inevitably will, or should, produce beneficial results regarding physical matter in the material realm---such as a life for children whereby they are allowed to be children and they are able to live without fear of being molested in any way? In point of fact, the powers that are ruling the earth, have prevailed against the earthly Christian Church and Religion, as they have prevailed, in matter, form, and substance, against Marriage and the family. All three highly natural and supernatural, and civilized and supreme institutions are a remnant, a poor shadow of their former

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

Medieval, and pre-industrial glory. That is putting it mildly. They are made into the most horrid perverse mockeries of what they are meant and supposed to be.

It should be mentioned that inherently, as separate institutions, marriage, family, Church and religion, and government, are not of themselves bad or evil, nor have the gates of hell prevailed against these normal and natural and desirable institutions per se. Because one husband is an adulterer, or even were most husband's adulterers, the institution of marriage would still remain inviolable and impeachable. Marriage is still sacred, is still a holy sacrament, notwithstanding all the sins, violations, mockeries, attacks, against, and coopting's of, that Godly institution. Degeneracy is replete. The entire dominant society and culture is predicated on corruption and degeneracy. The divorce rate is reportedly over 50%. The drug overdose rate, especially among young whites is off the charts. The suicide rate, especially among whites is astronomical.

Incidentally, we endure in an antichrist world where a married "gentile" couple is raising a Jewish child as if their own, and a married Jewish pair is raising a "gentile" child as their own. Whatever sort of contractual arrangement and nondisclosure agreement solidifies this we can only speculate about. There are homosexual men, whose unions are "legal" in the eyes of the government, that are raising children. The reports of child abuse, neglect, and worse, within the Child Protective Services has been documented, to my knowledge, for at least the past several years. There are reports of children literally being taken, that is, kidnapped, abducted, by the United States Government, by Child Protective Services, from their living mother, and, or father, the biological and living parent(s) having done nothing wrong to their children, and placed in homes with hostile strangers where a sexually abusive environment is the norm. In other words, these children have essentially been stolen from their parents and trafficked into sexual slavery by Child Protective Services under the United States Government. This was reported

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG
DEATH CAMP

specifically under the eight-year illegitimate Obama reign. One such case happened in Arizona.

“The Department of Child Safety, formerly Child Protective Services, removed Jane Doe[white infant] from her biological mother’s home in 2013, when she was 2, and placed her with David[Jew] and Barbara Frodsham, a state-licensed foster home, according to the June 16 lawsuit. The state allowed Jane to stay with the Frodshams for 18 months, despite her biological mother’s complaints of ‘Jane Doe’s repeated documented urinary tract infections,’ the complaint states. ‘Instead of investigating Jane Doe’s biological mother’s concerns of abuse, [DCS] and the defendant caseworkers accused her of making false and exaggerated reports to DCS,’ according to the complaint.”¹

So in other words, the state of Arizona, the Department of Child Safety, under whatever satanic administration they were operating, took a white infant away from her mother, placed the child into the residence of a Jew who, along with his presumably Jewess wife were operating a child sex slavery and pornography ring out of their residence in Arizona, for 18 months, and the state of Arizona, and DCS, and defendant caseworkers, were obstructing justice, by accusing the biological living mother of the child being abused, “of making false and exaggerated reports to DCS.” Each accusation of which amounts to obstruction of justice, an extremely serious crime in and of itself. Whoever, whatever individual(s) and group(s) made those criminal accusations against the actual mother of Jane Doe should be investigated, charged with obstruction of justice, and prosecuted to the fullest extent of the law.

As if that wasn’t criminal enough, only when the Jew Frodshams (Fraud-shams) was busted after driving drunk

and appearing to collect his foster care check, did the state of Arizona, the DCS take the child and put her into the residence of, apparently crypto or otherwise, another Jew, despite the reported warning of the woman's brother-in-law advising against certifying her as okay to adopt a child. This likely Jewess proceeded to physically hold the child in scolding hot water which led to third degree burns over 80% of the child's body.

"A doctor interviewed in the report said she was in organ failure due to extreme heat. Her major veins were clotted and her body was unresponsive to re-hydration — all of which were indications she had been left for five hours without treatment, the doctor wrote."²

So, the child was repeatedly tortured, raped, and permanently maimed for the rest of her life. Perhaps holding the child down in scalding bath water was an act of revenge for the break-up of the Jewish child torture-sex slavery-prostitution racket Frodshams was operating out of his residence in the state of Arizona. Oh yea, and apparently that guy worked for the U.S. Department of Defense for years. It is not clear if he holds dual Israeli and American citizenship. Incidentally, there is very valid reason why anti-Semitism occurred throughout Christendom and actual witches were burned in the Middle Ages.

There has been the decades-long epidemic of child abuse and child sex crimes within the Roman Catholic Church, with hundreds, thousands, of pedophile priests being protected by the Vatican at the highest levels of authority. Incidentally, since the end of World War II, and since the revolution of Vatican II, Jews have poured into the Roman Catholic Church, therefore, one might adduce that there is a

correlation between the prevalence of sexual abuse, trafficking, and slavery of children, particularly non-Jewish white children, within the Roman Catholic Church, and the significant influx of Jews within the Roman Catholic Church since the end of World War II. Furthermore, the purported Vicar of Christ is purportedly a crypto-Jew, namely, Jorge Mario Bergoglio. Incidentally, arguably, the Jesuits were not always the corrupt religious order it is reported to be today. Again, one might honestly say that the corruption of the Jesuits is not accidental and that it is correlative to ill-gotten international Jewish power, hegemony, and supremacy.

There are cases of black males, murdering white women, because the white women were pregnant with white babies. There are cases of black males, forcing white women to have abortions, when it is found out that they are pregnant with white babies. There are cases of black males, who force white women to have their babies. All three cases are deemed, in the unspoken code, to be politically “correct” and thus acceptable to the social norms.

Speaking of political “correctness”, which of course implies and encompasses social “correctness”, here’s something a sophisticated intelligent sentient lifeform from outer space would find absolutely appalling and outrageous. The white cheerleaders of the NFL, and the mixed white and Jewish cheerleaders, are essentially the sex slaves of the black NFL players. American football, not to be confused with actual football, which is European, which Americans call soccer, is misnamed. Tackleball would be a more accurate name. At any rate, the cuckoldry and jingoism that enshrouds the NFL is like an opiate for the masses. What white heterosexual man, in their right mind, would want to watch televised sport of a bunch of low IQ, dog abusing, murderously violent blacks slamming into and tackling each other to the ground, whilst the attractive white cheerleaders for each team, whom are essentially sexual slaves of the harem for each team, cheer them on? This is mass psychosis as it is mass cuckoldry. That is not masculine at all. That is

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

more feminine than the liberal “feminists” who apologize for the Jewish sexual predator, the condemned Hollywood mogul boss Harvey Weinstein! But the problem, if ever there was one at all, was when the blacks started kneeling during the national anthem, because, by golly, that was plain un-American. Stupefying.

Incidentally, because so many people can memorize and recall the statistics of these juiced and disgustingly worshiped athletes and their teams, it stands to reason that regarding the targeted individual, many people involved in the organized targeting, stalking, and harassment, are able to memorize personal details about the individual’s life, details they should not know at all, that they can use in some way to project back, say, in a directed verbal conversation, to the individual, with the intent to cause further harm to the individual. This is a form of the frenzied, obsessive, and devilish sociological perspective and psychological harassment and attack by the group against the individual. It is more subtle than bullying, but like bullying, it is not sophisticated at all.

Over the years I have noticed that a pattern has emerged whereby the perpetrators will speak in second, third, or fourth person, or speak as to the opposite sex. For example, proximate to the targeted individual man, to whom the directed dialogue is meant, a perpetrator might say to another perpetrator, “She is stupid. Does she actually think anybody cares?” Or, alternatively, the perpetrator might say, “I am so stupid. I can’t believe I thought anybody would care.” Or, the perpetrator might say, “Jane Doe is so stupid. Why does she think anybody cares?” So, in effect, what the perpetrator is saying, to the target, by proxy, through the other perpetrator is, to the effect: “You are stupid. Do you actually think we care?” This is what is known as “street theater”, or “directed conversation”, that is, two or more people, or one person on their cell phone, having a conversation that is directed at you, the target. This is a form of “gangstalking”, the overall criminal conspiracy of which encompasses multitudinous crimes, prosecutorial and punishable up to and

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG
DEATH CAMP

including death, by multiples of multiple perpetrators over the course of many years and decades throughout the course of the targeted individual's life. This is merely a hypothetical example to illustrate the intense and severe impact on a targeted souls psyche, especially over the course of many years. Linguistics plays no minor role in the audible verbal, emotional, and psychological targeting and harassment of the individual by the collective, hive-mind, dominant group. If the targeted individual is unaware of what is taking place, these two perpetrators could have an entire conversation, in front of and within hearing range of the targeted individual, in plain English, about the targeted individual, and the person would not know that they were being talked about or what was being said about them. This might be a form of mind control, hypnosis, or programming. This happens all the time. In public, at work, at the store, at school, on the bus. Online. Everywhere.

There are cases of reverse celebrity stalking. That is, celebrities, and other rich and famous people, are involved in the perpetration of the criminal "gang" stalking of targeted individuals, for instance, poor, working class individuals that are targeted by the new world order types. Of course, there are some celebrities whom are subjected to state and group targeting, stalking, and harassment as well. And there is an entire industry, that has made stalking by method of "paparazzi", and the selling of photos and phone recordings, and so forth, "legal" under kosher "law". There are cases of Hollywood female actors used in internet pornography, including live streaming in sex cam shows. Beyond a reasonable doubt, in many of these cases, if not most of these cases, the women, some of them very famous and apparently very wealthy, are involved against their will. In other words, they are victims of sex trafficking and slavery. They have to smile, and laugh, and are probably plied with drugs, including alcohol, and act like they're having a good time, but it's all mock show. A ruse. In some cases their children are also involved along with the mothers.

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

There are some cases where digital morphing technology is utilized to produce the image of a famous female celebrity, for the purpose of generating pornography, but it appears that these pornographers are two-bit hustlers, small fry pimps. Pimping is easy, it actually turns out. You just gotta be a Jew, or black, or a freemason. An initiate, a member of the club, of the tribe. Down with satanism.

The casting couch is only a part of the infamous Hollywood scandal. Making children, boys and girls, and women having sex and perform sexual acts in order to “get the part” in a big movie or TV production is evil enough. There have been films made, where in certain dramatic scenes having absolutely nothing to do with sex, the actor is receiving fellatio while remaining in character and delivering his lines, as if nothing were happening. The disgusting act is not shown on camera as it is not part of the scene or the movie. Yet, nonetheless, it occurs. Why? We are talking mega blockbuster films with A-list actors, the highest marketed and paid in the industry. Incidentally, this has been reported to occur on live television broadcasts including news segments. Furthermore, there have been regional news stories that reveal the temperament of the serpents. If my memory serves correct, there was one regional news broadcast on network TV that reported that a white woman was the victim of a sexual assault by a black male. They showed a sketch artist’s rendition of the suspect, that, it was reported, police are still seeking information about and looking for. The network then proceeded to have a “news anchor”, an actor, whom just so happened to be black, and whom just so happened to match the description of the suspected rapist in the sketch artist’s rendition that the police were looking for, interview the victim of the sexual assault for the camera.

Child actor and star Corey Feldman has provided witness testimony that is damning to Hollywood.

"I can tell you that the No. 1 problem in Hollywood was and is and always will be pedophilia. That's the biggest problem for children in this industry. ... It's the big secret,"

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG

Mr. Feldman informed.³

Actress Rose McGowan has publicly stood up to some of the most powerful sexual predators of the world, their apologists, and their protectors, particularly Harvey Weinstein, the Jewish Hollywood mogul accused of raping multiple women on a number of occasions.

“I knew that Hillary Clinton’s people, were protecting the Monster. I can’t believe I used to support her. I guess predators are her style.”⁴

It is important to note here that there is controlled “opposition”. That there are CIA, and by extension Mossad (Israeli Intelligence), MI5 and MI6 (British Intelligence), Saudi Arabian Intelligence, Pakistani Intelligence, and so forth, front covers and organizations is well known. For instance, the CIA will use Hollywood celebrity assets, operatives and agent provocateurs, to run a child sex trafficking 501c3 nonprofit organization, specifically to cover up for child sex trafficking and slavery and satanic ritual abuse and murder, and to control any efforts at exposing such crimes and evils, and to control any efforts to help the victims of such crimes and evils. Moreover, there are scripted, staged, produced, and broadcast red flag events and false flag attacks, the former where no one is murdered or injured, the latter where innocent civilians are actually injured and murdered, with the complicity of the news media, with crisis

actors laughing, crying crocodile tears, and delivering their scripted lines, and fake and fraudulent “victim” funds setup to, steal money from actual human being with the real capacity to have a heart and experience empathy, and to legitimate the red flag event or false flag attack.

The connection of New York, Washington D.C., and Hollywood California, and the correlation---specifically to the domestic, and international criminal child abduction, trafficking, sexual slavery, pornography, and satanic ritual torture and murder syndicated cabal---is glaring. New York provides the money and speculation, Hollywood provides the media and thus society and culture, and Washington D.C. provides the political capital, yet each hub is interconnected and integrated.

“Pizzagate represents only a single American franchise within a global child trafficking and exploitation operation known as Pedogate...That Hillary Clinton and Barack Obama and John Podesta are at the epicenter of this ‘Scandal of the Millennium’ makes it all the more shocking and hard for many to believe.”⁵

It is important to note, that Marvel Studios, owned by Disney, decided to make reptilian shapeshifters and reptilian shape shifting mainstream. This at least partially has to do with the so-called predictive programming, mind control, behavioral conditioning. Anything that is criminal conspiracy, that has been produced and broadcast by Hollywood in movie entertainment format, offers a level of plausible deniability. Even though this is a total farce, if, for instance, there’s some weird homeless guy that claims that helicopters are stalking him by flying and buzzing overhead regularly throughout the day, every day, and possibly blasting him with remote directed energy weapons, and that reptilians are starring in feature length Hollywood movies, the sociopathic

society and psychopathic culture can say that the guy is mentally “ill”. Incidentally, it says more about the society and culture---whose answer to mental illness, most if not all of which they have essentially and effectively induced, is to drug the “patient” with pharmaceutical drugs, indefinitely, which essentially equates to a chemical lobotomy---then the individual and his supposed mental “illness”.

It is not an inevitability, it is not an act of natural evolution, it is not natural, that the earths streams, rivers, and water byways, should resemble a clogged toilet bowl of shitty water. Those that are responsible for the problems are always those that decry the cost of applying a solution to them. Or are those that are the first and loudest to blame their victims.

When one walks into a supermarket, virtually every single item for sale on the shelves is owned, produced, and manufactured, by some six conglomerated corporations. Curiously enough, most of the processed foods, or what passes as food, and beverages contain a Kosher Food Certification label. When one watches television, watches a movie, listens to the radio, reads a magazine or newspaper in hardcopy or online format, all such content is owned, produced, and manufactured by some six conglomerated corporations. Curiously enough, most of the information, data, news media and entertainment, including the so-called “alternative” niche industries, falls under the umbrage of Jewish Zionist ownership and control. The oil and gas corporations are conglomerated in the same way. The banking industries and financial markets are run by the Jews. The school system has an agenda that is not conducive to the mental or spiritual vitality of the students that are compelled to attend the dictates of liberals who defend pedophiles and child pornographers with the, “poor souls, they are mentally ill, ya know.” So...it’s not their fault? Blame some abstract, nonexistent cognitive “illness”, that you arbitrarily concocted, that made them do those horrible things to all those children, but whatever the case, do not make the perpetrators take responsibility and forcibly bring them to justice. They take

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

everything but responsibility for their evil actions. Virtually every industry, every sector of society, every element of the dominant culture, is conglomerated, integrated. A so-called autonomous “traditional” Roman Catholic monastery in liberal Ireland, is merely one more house or protuberance of and for the Jews. It is for them and their family and whatever purposes they might or might not have, openly saintly or covertly diabolic as they are. But the cannibalizing spirit of darkness is the same.

The global Cheka, the international secret combined military-intelligence-civilian police, or the “deep” satanic state if you like, has access to anyplace, anything, and anybody, at any time, for any reason. It is important for the owners, rulers, operators, and minions, to have access to anyone, so that they can activate anyone, on demand, on command.

Perhaps that is a fundamental reason why the Jewish Zionist occupied United States Government decided to murder 76, apparently white Christians, including 20 children and 2 pregnant women, during the Waco Texas massacre of 1993. Whatever lies and fraudulent pretexts the Jewish corporate media declared, whatever lies and fraudulent pretexts the official story and narrative contains, imagine how perplexing and horrible it must have been, for the new world order criminal terrorist cabal, that some six dozen, apparently, white Christians, were existing in a way that was autonomous from the tyranny of Jewish American culture and society. Just imagine, an actual community of white people, Christians no less, banded together, as if they were in National Socialist Germany or Fascist Italy or Romania. Probably keeping a 24-hour guard, in shifts, to ensure that none of their members were molested by any unwanted visitors or intruders at any time. Self-defense being their eminent and inalienable right, as well as the essential tenant to any minor, autonomous community of a peoples organized by the commonality of both race and religion. This could not be allowed. Those “Branch Davidians”, especially the children, needed to be accessed, at any time, by anyone,

for any reason, by the world, multi-cultural, multi-racial (to include child abductions, torture, rape, sexual slavery, ritual murder) government. The United Nations is an enormous vehicle from and by which to drive this satanic kingdom.

So-called “gangstalking”, is both directly and directed interrelated to the domestic and international abduction, exploitation, trafficking, sexual slavery, and murder of children. The infrastructure is in place, embedded within the entire psycho-cybernetic matrix. The remote, hidden technologies, and the in-person organized harassment by groups and the community writ large against the targeted individual is a clear and present reality. There are networks within networks within networks. Hubs within hubs within hubs. Overlap is par for the course. There is what I call, the “lag effect”. With the intrusive and invasive monitoring, there is intrusive and invasive crowding and synchronicity by the mob. And they are a mob. Perhaps a smart mob, yet their technological enhancements, gizmos, gadgets, smart phone apps and tiered handlers and operators do not make them sophisticated at all. It is still an organized criminal mob of people that are ganging up on one individual.

“Often, the local network of this mob is connected to a national and international network - funding is done by illicit drug industry/crime syndicates, CRIMINALS working in:corporate environment, and government sponsored terrorism for military weapons research using unconsenting human medical research testing linked to teaching/research hospitals. Practically all work environments and local communities have been compromised and set-up as a super domestic terrorism predator for mob antics- in every form of business, the government, and even police and fire departments and intelligence agencies. All of those entities have been reportedly ,on the internet and by victims accounts , to have been infiltrated with SOME of these numerous criminals willing to do this crime for money, greed, revenge, politics,war on the poor and disabled, psychological warfare and Direct Energy Weapons testing/research for

contractors of phsychotronic equipment, and mind control operations. No place is immune from these criminal dirty birds, not even hospitals or police stations. These weapons, which omit various forms of Electromagnetic Frequency(EMF or RF:radio frequency), and other tactics are meant to mimic natural illness, and mental illness.”⁶

In the post-modern, cybernetic digital era, gangstalking “...has been perfected over intervening decades by groups who believe they have the right to enforce their particular rules on the rest of us. Gang stalking has developed into an extremely well designed set of harassment methods which can totally destroy the lives of gang stalking targets, while appearing to those around the target as simply the ‘normal breaks’ of life.”⁷

That is part of the entire system and the infrastructure in place. Hidden in plain sight. It is a cleverly orchestrated facade that it's only bad luck, poor life choices on the part of the individual, and rude behavior from some nasty people. It is insidious and criminal thru and thru, and by and by. And those that are apologists, and those that are involved in perpetrating these countless crimes, will ultimately be investigated and prosecuted to the fullest extent of the law.

“Let me say at this point that this booklet is written to introduce the general public, and public officials, to an old crime, ‘ganging up’ on someone, which has been ‘improved’ to the point where targets not only cannot escape it, but it can be done in ways that people around the target, who witness some of the harassing acts, will deny it is even

happening... While any type of ‘ganging up’ is organized, the ‘organized stalking’ described in this booklet makes use of instant electronic communication, and through-wall electronic harassment technology, and willingness of corrupt officials to look the other way, to achieve an environment in which the target can never escape some degree of harassment... ‘Organized stalking’, in the current-day sense, is surveillance and harassment of a designated target by stalkers who are members of groups, which are networked.”⁸

The through the wall surveillance only scratches the surface. Imaging technology is being used that is so advanced it can target the cellular structure with laser precision. This is all done silently, invisibly, and remotely. Hypothetically, one implication for this is that remote surgery might be conducted on the targeted individual while he is at his address of residence, even whilst he is sleeping at night.

“I have noted in many places that organized stalking is a secret operation waged by non-governmental organizations (meaning that sometimes, it is NOT the government, but it is NGO’s and UN policy backed stalking instead), and then, working with the “communitarian policing scheme” it is in fact and practice, international billionaires using “progressive” policy initiatives, and illegal or unethical access to local databases, and offshore black operations, and then mind control and influence operations, aka propaganda, and more to target individuals who for whatever reason, stand in the way of their version of “progress.”⁹

As I have mentioned previously, every organization is compromised. In my experience, as a general rule, when I am communicating one on one with another individual, that is one thing. Add another person, add, two, three, and four other people, and the more likely it is that the individual will be the victim of being “ganged” up on by the group. It is interesting to note, that the Lord Jesus Christ did not appear to favor crowds, in fact, he often evaded large groups of people. For very good reason.

“Most Americans have no idea what's going on in Europe. Our perceptions are based on 20th century information mostly concerning Europe's liberal views, socially, sexually, etc. and their working socialism model that seemed successful. People over here have not become aware of Europe under the EU-mass immigration of very negative kinds of peoples, thus having to make racism an actual crime due to the sensible and predictable reactions of European peoples.”¹⁰

Part of our problem is the compartmentalization, and part of our problem is perceiving the world through a prism that has been intentionally engineered for us by different peoples that are, at heart, alien to us. For instance, the idea that there are not differences between the races, and that in some cases there might be irreconcilable differences to the point where the races should be kept separate, is an idea that is literally contrary to nature, natural law, observable reality, empirical science and the sound scientific standards thereof, and one's own individual experience. There is a difference between Jewish anthropology, that is the science of anthropology with Jews at the helm and dominating the field, and that of “gentile”, or white anthropology, that is the science of anthropology with whites at the helm and dominating the

has been ill-gotten, and thus their claim to actual authority is illegitimate. And so, it is, they murder people they find offensive because they are an occupying power. Needless to say, a colonizing force is not inherently evil, wrong, or illegitimate. Yet, in the case of Jewish subversion, power, and supremacy, they might be the victors and to them go the spoils, and to them goes the rewriting of history to suit their agenda, yet they are the oppressors.

“And what I’ve found is that the perpetrators appear to belong predominantly to one particular religion; whereas the targeted individuals do not belong predominantly to that particular religion...There is a religious influence but that’s not to say these people aren’t just being used as puppets by some broader interest.”¹²

It would appear that the predominant perpetrators and organizers of the New World Order deep satanic state government-corporate “gang” stalking system, belong to the religion of Judaism, which is to say, to the race of the Jews. Incidentally, there are Catholic Jews and Islamic Jews be they born into such faiths and religions or be they converts of the same. However, the question as to the spiritual and religious differences, irreconcilable or not, historic or contemporary, specifically pertaining to the different races, and the implications for race relations, is well beyond the scope and purview of the discussion herein.

“Pilate therefore went into the hall again and called Jesus and said to him: Art thou the king of the Jews? Jesus answered: Sayest thou this thing of thyself, or have others told it thee of me? this world. If my kingdom were of this world, my servants would certainly strive that I should not be delivered to the Jews: but now my kingdom is not from hence. Pilate therefore said to him: Art thou a king then? Jesus answered: Thou sayest that I am a king. For this was I born, and for this came I into the world; that I should give testimony to the truth. Every one that is of the truth heareth my voice. Pilate saith to him: What is truth? And when he said this, he went out again to the Jews and saith to them: I find no cause in him. But you have a custom that I should release one unto you at the Pasch. Will you, therefore, that I release unto you the king of the Jews? Then cried they all again, saying: Not this man, but Barabbas. Now Barabbas was a robber.”¹³

THE SCIENCE OF THE TRUTH: A DEBRIEFING FOR MY REMNANT FOLK

It is not out of hatred that I empathetically rebuke those varied and actually and viscerally hate filled enemies who blatantly and boastfully claim and use my holy religion, and my race, to further and achieve their diabolic social purposes and evil political agenda.

We must define our terms. Or rather, God must define our terms. We can do no better when, and if, God defines our terms, that is to say, when we submit to the authority of God. All authority comes from God; the cooptation and the abuse of legitimate authority is not the will of God, though in His prerogative, He allows the wicked to reign, for a time. Although the reign of the corrupt is not right, and is what should not be, and does what should not be done, it is suffered ultimately to the greater good and for the Glory of God Himself. If all of Heaven rejoices over the repentant of just one sinner, then it stands to reason that God would have no qualms about manipulating the entire fallen world, that is merely His footstool, even in its utter damnable wickedness and unwinnable war against Him, in order to console and deliver one of His children from the malicious intent and snares of the enemy. That is why we continuously and earnestly pray for perpetual and invincible Perfect Contrition,

whilst our multitudinous enemies, visible and invisible, foreigner and domestic, proximate to us and our person and at remote distances away, ceaselessly and untiringly prey upon us like invasive predatorial aliens and likehostile parasitic bugs to the living host.

Incidentally, the rulers of this world are not God. The race that controls the world economy and financial markets, dominates the mainstream culture, including Hollywood, the conglomerated mega media corporations, and the interconnected and heavily censored internet “social” media giants, and governs the fields of science and technology, and otherwise rules the world system, cybernetic matrixes, and false realities thereof, is not God. If they fancy themselves a, lower case g, god, that is a problem. Yet it is not a problem that is unsolvable or that will not ultimately and supremely be solved. By God Himself. God is God. He is Good. Let us not allow the aspersion and deceit of the enemy to convince us that their evil word is the gospel of our Good Lord Jesus Christ. We must not allow the enemy to define the terms by which we know the truth, or God forbid, believe the lie, by which we rise, or God forbid, fall, by which we live, or God forbid, die. We can do no worse then to let our plethora of enemies, visible and invisible, domestic and foreign, near and far, define the terms of our existence, made all the more wretched and miserable by their surveilling and targeting us, by their harries, attacks, terrorism, abuses, intimidations, persecutions, tortures, torments, and genocidal machinations, and their perpetrating the same, against us and our fellow folk, and by extension all men of good will.

Whilst we are called to forgive our enemies, we are not called to aid and abet our enemies in our own persecution, oppression, and destruction or in the persecution, oppression, and destruction of our brothers and neighbors. To forgive our enemies when they ought to be brought to justice, as a substitution of the same, is an obstruction of justice which makes us complicit in the crimes of our enemies, which as well all know, will literally and materially not stop until they

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

are literally and materially, and forcibly, and yes violently, stopped. If we enlist ourselves in the evil cause and in the pursuit of the satanic agenda of our enemies, how do we then love God or love our neighbor as ourselves? That we are forced to be neighbors to all those diametrically opposed to us, that we are forced to be neighbors to all those that, between us and them are irreconcilable differences, is not the way our environment, our way of life, and our reality should be. Our neighbors should be our racial and religious, and thus spiritual, brothers and equals. If we cannot choose, who are neighbors are, at least in us choosing, making sure they are of our own blood, land, and toil, of our own spirit, mind, and way of thinking, of our own kith and kin and kindred, then we are not free. If our, or rather, the anti-Christ antiwhite synagogue of Satan world kingdom, if their, neighbors are forced upon us, then, at least betimes, that even the religious and theological notion, let alone the practice, of loving our neighbor becomes slipshod rhetoric at best.

That poor working Whites are deprived of residing in the increasingly fewer predominantly White enclave communities that remain-mostly in the rural areas in Northern and Northwestern states of America, requiring land ownership, permanently disbaring much of the poor and working class from the most natural way of living and being, namely to own and work one's own land and property, as a result of criminal inflation and stagnant wages, and thus as a matter of lack of money-indicates how the perfidious, usurious, extremely overtaxed and extremely underrepresented debt-slave, fraudulent world banking system is predatory and parasitic, in that the tradition, history, heritage, and the family, of an entire racially monolithic demographic and the resplendent diversity thereof, namely of the nonmixed, non-hybrid, non-Jewish White race, are demolished in favor of the almighty dollar, which is incidentally backed by nothing by more Jewish debt that can never be repaid. And more and most importantly, indicates how much the rulers and

principalities are in favor of world empire, that is violently and forcibly multinational, multi-international, multi-cultural, muti-racial, multi-racist, anti-white, and multireligious, although all governmentally and corporately, publicly and privately, conglomerated and homogeneously androgynous and “woke” in perpetrating ceaseless oppression, crimes against mankind, and genocide against the targeted White individual and against the remnant minority White race.

Inclusivity of Whites is conditional upon them embracing the “woke” world of the snake, and its dominant mainstream culture of death, and unquestioningly and unthinkingly conforming to all the anti-white opinions, licenses, (il)legal “fictions”, and directives, including being mind-controlled by lower and low IQ nonwhites into what and how to think, and including being behavioral conditioned by nonwhites into how to behave. This is done extensively, but not exclusively, through the mainstream and alternative medias, the online sociopathic anti-social “social” platforms and the digital cybernetic, virtual realities thereof, and the dominant mainstream cultural techno-panopticon writ large. White liberals, be they social democrats or conservative republicans, are included only insofar and in proportion to their self-hatred, self-deprecation, and eradication of Whiteness---their own and that of every other White person. Interestingly enough, Whiteness, and any vestige thereof, is murdered wherever it is found, much in the same way that silence, and thus peace, and thus justice, is murdered wherever it may, or would, be found. Liberating meritocracy has been replaced with a tyrannical and enslaving mediocrity, with all criticism against the same, being deemed as hate “criminal” speech or thought “crime” by the hateful criminal overlords, minions, and underlings of the same.

The dominant mainstream culture is not owned, produced, and operated by the White race. In fact, if social power is an indication of political power, then White people are a severely dispossessed and overtly oppressed minority in their own homelands. In fact, White people are the least

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

likely to be racist, or to conduct themselves as racists, and the most likely to be the victims of nonwhite racists who are anti-white, who see Whites as easy prey. The truth is, that reverse racism, that is, white's who are so brainwashed and deluded into the communistic liberal, social democrat, cultural Marxist, Ashkenazi, Neo-Bolshevist worldview, are actually programmed to be racist against themselves and their own race, mostly without ever knowing it or without ever being aware that that is what is transpiring. In fact, most white liberals, who are reverse racists, that is, who hate themselves, who hate their own race, who hate Whiteness, have internalized the hatred of the many and varied racist Jews, blacks, mixed race hybrids, and other nonwhites, and have embraced such pathological abnormalities, such degenerative genetic impositions and mutations, such genocidal destruction of the White race, as perfect and innovative. The immoral predispositions and criminal proclivities of many nonwhites are given prominence and immunity, merely because to do otherwise, would be, in the opinion of the anti-white ruling elite of the world, "racist" and thus an "injustice" or an "evil." The truth is, that the remnant Whites do not possess the military, civil, economic, political, social, cultural, or religious power, nor the organizational structure and context thereof, to actually be racist, in the crudest sense of the term, let alone supremacist, in the same pejorative, against Jews or blacks or any other races for that matter.

Whereas, the entire dominant world system and culture thereof, non-white, antiwhite, and owned and operated by the Jews as it is, possess the accumulative multiracial imperial power, to not only be absolutely racist against all remnant Whites, but to also engage in perpetual genocide against all remnant Whites, at the racial level, at the national ethnic level, at the tribal and clan level, and at the individual level. Instead of being free, and encouraged to truly be the best he is able to, the White child is shackled to the political "correctness" of the world government that perpetrates genocide against

the remnant White race whilst simultaneously blaming the remnant White race of what the Jews, mixed-race hybrids, and all nonwhites are themselves guilty of, apology for, or benefit from. Whites have little to no redress of grievances, no course of action to take that is not dependent on Jewish world money, and thus that is not free from the alien influence and menace of the multi-racial anti-white cabbalistic, cannibalistic multi-culture of death melting pot.

If a neighborhood is majority black, then at the surface level, it stands to reason, that most criminals in that neighborhood will be black. Therefore, the policing and law enforcement tactic of racial profiling is not only sound, sane, and logical, yet, more to the point, it is practicable and well within the purview of the legitimate authority and power of law enforcement officers in order to conduct their duty and carry out their responsibilities. If they equally profiled the few remaining White people in the neighborhood, many of whom are elderly White people residing alone, along with the majority black population, then the police department would be misallocating its own resources and funds, obstructing their own investigatory duty and pursuit of justice, and they would be literally impinging the entire reason for their existence. In other words, racial profiling is a tried and proven and legitimate law enforcement tactic that works, that stops and prevents crimes, and that disrupts and ends criminal sprees of career criminals. Even in cases where the majority population of a neighborhood is still White, and it is proven, beyond any reasonable doubt, that most of the crime, especially including the murderous and violent crime, is perpetrated by the minority black and otherwise nonwhite population, racial profiling is not only an acceptable and legitimate method of law enforcement, it is the preferable one by police departments that are not corrupted by the false and hostile anti-white social constructs of anti-whites, or cowed into preserving an engineered image that wrongly promotes policies that pursue the mainline mainstream dominant trajectory of "diversity" which is code-word for

antiwhite. The status-quo in the West is genocide and ethnic cleansing of White folks.

And yes, one very lucrative method, or weapon in the arsenal of the freedom hating, truth hating oligarchic one-world-ers and their hordes is total and unjustifiable war, carnage, and chaos. These organized war criminals will start wars and murder scores of civilians, hustling and gambling all the while, utilizing their perfidious media to lie to the general population, demanding that their lies are entertainment, and that their entertainment is better and more preferable than the sinister reality that they mask, the sinister reality that they themselves, the trans-humanist imperialists, and their lackeys, have planned, produced, and fomented. One example is the second Iraq war, where Neo-conservative hybrid Colin Powell sat on the stage of the United Nations and lied to the world as effortlessly as a snake slithers its tongue. The pretext of weapons of mass destruction was a ruse in order for the West to politically justify the unjustifiable, namely a war of aggression against Iraq and the Iraqi people, launched in 2003. The reptilian-like Bush senior initiated the First Gulf War (1990-1991). A little over a decade later, occupying the office of American president, his son Bush II, waged an even more intensive, destructive, and devastating war on Iraq and the Iraqi people. While the cost of the wars, both in terms of blood and treasure, was paid for by Americans and their taxes, and the tens or hundreds of thousands of Iraqi's, the profits were made and kept by the "defense" contractors, arms industries, the energy sector(s), the intelligence agencies, the politicians, bureaucrats, and commissars of the military commercial-private complex. Another example is the impostor-in-chief Obama and his serial criminal accomplice Clinton, who, in conjunction with the CIA et. Al., overthrew the government of Libya in 2011. These cases had the direct, and intended consequence, in addition to the senseless loss of life, mostly civilians in third world countries that posed no threat to American or the security of the same, of increasing the invasive tide of non-whites pouring into Europe,

America, and the West generally.

Yet another example of the policies of such war criminals and genocidal maniacs is the U.S.-U.K NATO-Israeli coup that overthrew the pro-Russian government of Ukraine in 2014. Rampant organized crime was one of the desired consequences, as well as annexing, persecuting, and abusing hundreds of thousands of Russians. The military build-up near the Russian border, the generation of the puppet Ukrainian regime as a client-member of NATO, and the menace that such posed, and poses against Russia, and Russian national sovereignty and security, the violation of Ukraine and the West of binding peace initiatives and treaties of 2014 that were agreed upon with Russia, are all factors in the violent geopolitical situation that is now occurring in that part of the world. Incidentally, in light of the disinfectant facts, it seems the United States has never failed to sign a treaty it did not break. Nor has it known the sovereignty of an individual or a nation that it did not seek to overthrow and replace. Putin's liberation of Ukraine is actually an example of the Good Samaritan coming to the aid and defense of his neighbor. The Jewish owned Western media will continuously lie and spin the military operations and conflict in such a way that suits them; the truth be damned.

The targeting of Whites is as frequent as antisocial sociopathic "social" media meme posting, especially because there is virtually no deterrent to attacking, vilifying, and oppressing Whites, solely because they are White. As if that were not bad enough, there is also every incentive, as psychopathic, criminal, and diabolic as they are, for the attacking, vilifying, and oppression of Whites by nonwhites and submissive liberal whites, as a regular smart-hive-mind mob sociopathic acceptance of political and (anti)"social" discourse and activity. The metric of permissibility, in terms of social capital, cohesion, and acceptance, correlates precisely to the level of "diversity" or antiwhite totalitarianism, which is falsely conflated with "equality" and "freedom." All nonwhites are equal, because they have been

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

synthetically made so, in their anti-white trajectories, and all nonwhites are free, because they have been given license and the cover of an (il)legal fiction, in their anti-white trajectories. Entire careers of nonwhites have as their foundation stone, hatred, antagonism, and hostility towards the White race and Whiteness. There are many nonwhites who have amassed fortunes and have attained world recognition, for doing little next to nothing more than criminalizing the White race and Whiteness and European history. One would be very hard-pressed to point to a single prominent White man today who built his entire career and livelihood on targeting blacks or nonwhites, and producing cinematic works and producing licenses and “legal” fictions that literally oppress all nonwhites because they are not White, and favor all Whites because they are not nonwhite. In fact, today, most of the prominent White politicians and businessmen and the like rich moguls and tycoons and celebrity personalities, have either built their entire careers on the targeting, destruction, and genocide of the White race, or have turned over their vast wealth and personages to use any means necessary to reach that very same end. Verily I say, it does take a truly nasty people, to weaponized the history of White people, and use it against Whites, to forcibly trap Whites in the sinister present of anti-white rendering, and to seek an anti-white future, whilst leveraging so Whites seek their own demise.

If all of life, or what should be life, is reduced to the arbitrary, manipulated, and speculated value of fiat currency by the uber rich overlords of the world financial markets, and the digital trading and exchange thereof, then the American worker is reduced to the status of mere chattel. If Americans identify themselves solely or primarily through their utility and function in the economy of racial aliens, that dominates every aspect of existence, then truly, what differentiates Americans from any number of cogs in a machine or nodes in a matrix? Economic class and monetary rank? Vain artifices that count for nothing in terms of what makes a man, or who a man is, or who a man would be, if he were enlisted

in the right assemblage of his brethren. Is the mimicry of content of character equal to the genuine article of a man's character? Is the criminal content of a bad character equal to the, more or less, however imperfect, law-abiding content of the character of a man of good will? If the individual White man finds himself inexplicably unable to think, unable to properly cognitively function in the company of another, an intuitive alarm bell should be sounded, and a red flag hoisted. Who is the other that is around? Why are they around? What separates us? If our ability to think and articulate critical speech is, far from being hindered, yet inspired and aided by the company we keep, then truly we might say we have found a family and a home away from family and home.

Countless White people have fallen by the wayside, or have been pushed to the extreme margins, by the serpentine monstrous multinational, multiracial, multicultural, multi-religious world empire, replaced by nonwhites, not because they were better qualified for the position, or more deserving of the opportunity, or because they were confronted with an existential threat or life or death crisis, but solely because they were Jewish, black, brown, yellow, or some admixture nonwhite hybrid. Such racial discrimination against Whites in America has been going on since at least the 1950s. Whites were denied the scholarship because they were White and the other guy was black. Whites were denied the job because they were White and the other was nonwhite. Whites were denied the promotion because they were White and the other guy was not. Whites were denied the "socialism" of the welfare when in need, because they were White, and the other guy was brown. White school children were forced to accept blacks in their schools, or bused to black schools, at bayonet point. Because the opinion that race-mixing is compulsory, was forced on the American population. Such "legal" racism perpetrated against Whites, is a license and "legal" fiction. It is not a law of nature or a law of the universe, let alone a law of God, that dictates that all nonwhites, including mixed-race hybrids, including Jews,

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

must have access to all Whites everywhere, at all times, for any reason, always, and without question, no matter what. Otherwise the original Klu Klux Klan of the late 1860s and 1870s---not the much later inauthentic and counterfeit "controlled opposition" imitation(s), which was merely an organized militia of mostly veteran Confederate soldiers and cavalrymen who survived the War Between the States, returned home, only to be faced with a force multiplied existential threat against their existence and that of all Southerners, with the recently freed negro playing a prominent role---and Adolf Hitler has been raised from the dead and is the embodied animus that animates even perfunctory remarks about the legitimate and real racial science(s) of genetics, eugenics, biology, anthropology, and sociology, disguised in cultural disparities which are merely attributed to the distance of time, between anywhere then, and anyhow now.

Part of the cruel irony is that literally, technically, that is legally, only White persons can be and are Americans. The founding stock of America was White. The immigrants who poured over here from Europe were White. And even whilst they maintained their cohesive and unique ethnic tribal identity, Italian-American, Irish American, and so forth, they were able to assimilate, and they still assimilated. Blacks were not, are not, and never will be Americans. Mexicans were not, are not, and never will be Americans. Asians were not, are not, and never will be Americans. Mixed bloods are hybrids. And as many mixtures of mixed-race peoples there are, is as many hybrid nations there are. Hybrids are not Americans. America is now forcibly drowned in the multi-nationalism, multi-racialism, multiculturalism, and multi-religious imperium, of the neo-liberal world order and its genocidal anti-white agenda. So, in effect, the "everybody can be," the "everybody is" American line is a "legal" fiction. It is a fabrication of law, it is the weaponization of the law, it is lawfare, perpetrated against the White race. All serious dissent and criticism of this sinister, counterfeit, and

synthetic reality is criminalized, which in and of itself, is yet another "legal" fiction by the criminals of the organized crime syndicate who perpetrate a myriad of criminal conspiracies and crimes against mankind, in their ongoing total genocide against the White race. In short, the enemies of our soul, our race, our faith, our religion, and our God, that is, the anti white world empire, has an anti-white opinion, and thru their taking the reins of power, and their abuse and ill-gotten gains of the same, they have enshrined that anti-white opinion, and thru their anti-white opinion, they have fabricated license, and through that license, they have codified a sinister, synthetic, and fraudulent reality, and imposed it on all and sundry, criminalizing any dissent from their organized conspiracy of insanity, criminality, and evil. Virtually everything they do, their end game and all the means by which they utilize to reach the achievement of their objectives and the completion of their agenda, is literally unethical, immoral, unlawful, illegal, criminal, and insidious. They force project onto us what they themselves are guilty of. They cry out even whilst they murderously strike us down.

Countless Whites have been literally driven to homelessness; many of these are highly moral, highly creative, highly intelligent people, and highly functional who would have been terrific successes in a strictly White nation, of only Whites, as stalwarts and leaders in religion, education, business, government, art, and science. Their loss is our loss, even if we with our Stockholm Syndrome pacifier, prefer the culture of our alien captors who hold us hostage, because of comfort and convenience, and out of fear, and even some revolting sense of wanton pride which attests our friendship with the anti-white world. What is the inoculation for such disease? In terms of ideology, *Mein Kampf* by Adolf Hitler and *For My Legionaries: The Iron Guard* by Corneliu Zelea Codreanu. In terms of genetics, a true and interpersonal relationship with Holy God Almighty is how legitimate morality and ethics are achieved, and that demands complete racial separation and exclusion. The conservatives have made so

many concessions at this point, they have sold out their nation and their race and they have mortgaged the future of all of us. Conservatives have made appeasements on everything, in order that they do not have to experience the full force and effect of being targeted, and they can maintain their delusion that the diversity they champion now, whilst themselves are still, to an extent, extremely isolated from the annihilating effects of the anti-white world, will not dominate everything, including their demise and that of their progeny, in the dystopian future.

Countless Whites have literally been driven to overdosing on drugs---whose tragic deaths are merely one scourging of what remains of the body of the White race. Countless Whites have been literally driven to despair and suicide---whose tragic deaths weighs heavily on the collective conscience of the remnant White race, notwithstanding the neo-liberals, especially the neo-liberal conservatives, whose individual consciences are so seared, they cannot see beyond their own one dimensional lackluster selfishness and immoral imperative.

If being, among other designations, a racist means preferring my own race, preferring the company of the same, in community, at work, and during leisure, to the exclusion of all other races, then such is perfectly in accordance with sound law, reason, and liberty, and does not go against, not one iota, the lawful and moral obligations of my Faith, my Religion, and my Church, the One True Christian Faith and Religion, the One True Holy Apostolic Catholic Church, founded by our Lord Jesus Christ, watered by the Supreme and Infinite Blood Sacrifice of God, of His Only Begotten and Perfect Son at Calvary on the Cross, and evolving, enlightened, inspired, and enduring to the end of time by the Unconquerable Power of the Holy Spirit, and does not go against, not one iota, the dictates of the conscience of men of good will. If being, among other designations, a "racist" means acknowledging the stark differences amongst the dissimilar races, and drawing the conclusion, from observable

and experiential reality, that there is a naturally inbuilt and indwelt hierarchy of the races, that is to say, that there are superior and inferior races and superior and inferior characteristics and qualities of, amongst, and between the races, then such is perfectly in accordance with sound law, reason, and liberty, and is not a sin against God, against His Church, nor against neighbor. If being, among other designations, a White "supremacist" means acknowledging, submitting to, and enforcing the manifest mandate from the Kingdom of Heaven, that White men should rule and take responsibility for themselves, and for their own thoughts, words, and actions, and inactions, in their own racially monolithic, and ethnically homogeneous nations, to the extent still presently possible, to the exclusion of all other racial peoples, groups, and their rulers, including Jews and racial hybrids, and the racial interests of the same, as White people have, in no small part, done so from time immemorial, with the tacit expectation and the pronounced enactment that they should be free in their person, free in their privacy, free in their security, and free in their liberty, from any and all molestation of any and all sorts, by any and all stranger, foreigner, and alien racial groups, including Jews and hybrid races brought about as a result of race-mixing, forced or otherwise, or of the mutation of nature and biology, or of an anti-Christ science, anti-Christ technology, anti-Christ medicine, or anti-Christ procedures and processes thereof, or of the deliberate demographic invasion of nonwhites into all White countries under the guise that such military age males are poor "refugees" or are needed because of some mock "economic" reason, or of the weaponization of illegal "legal" immigration, which still amounts to nothing beyond deliberate demographic warfare against the White race, to appeal to the falsification of the Christian ideal of charity, to perpetrate the ongoing genocide against Whites throughout Europe, America, and all previously and traditionally monolithically White fatherlands and homelands, then such is perfectly in accordance with sound law, reason, and liberty,

and does not go against, not one iota, the lawful and moral obligations of my religion, the one true religion founded by our Lord Jesus Christ, and does not go against, not one iota, the moral standing of authentic patriotic countrymen, that is to say, loyal nationalists who are, if necessary, willing to lay down their lives now, in the creation and defense of their children's unabashedly Christian, that is White, future tomorrow. Such is not mere rhetoric, mere literary musings, mere poetry, mere romanticism.

From a strictly religious and theological perspective, the important and vital missionary work has always sought to spread the Gospel throughout all of the earth, to reveal to all human beings the Word of our Lord Jesus Christ. In short, to conquer the darkness by shining the Light. To vanquish evil by doing good. To champion the truth by defeating the lie. Many Catholic martyrs, nameless and faceless to most, there were, who brought and shined the Light in places and regions of darkness that were previously ignorant, impervious, and impenetrable to Christian Love, Christian Dignity, Christian Virtue, Christian morality, and Christian Civilization. Whilst the mission was to conquer, as it still and will always be, to conquer sin, to conquer slavery, to conquer death, to conquer hell, the mission was not to take the land and private property of others, to enslave and to murder, to slaughter the other peoples. Insofar as there were a few, out of many, of our Catholic people, who were treacherous, and who traversed the path of evil, Holy Mother Church was, is, and always will be, absolutely blameless, for She is the Bride of Christ. Moreover, the saintly members within her bosom, have always given strong rebuke and chastisement to those that would pursue and advance slavery, murder, and lies. One bad chef does not make the culinary art worthy of nothing more than being defrauded, defunded, and abolished.

Whilst there is at times a legitimate justification to go to war, and often times a necessity, as there is at times a legitimate justification to exercise self-defense, as often times self-defense is an unavoidable necessity, and the aforesaid as

a very last resort it should be added, the Church militant is secondary to the Church mission, the ecclesial, and the gospel ministry thereof. The militant arm is necessary to defend the peaceful, diplomatic, and educational religious arm that delivers humanity from its primitive, barbarous, uncivilized, cannibalistic, ignoble savage state. Material militancy is not able to perform the good supernatural works brought about by holy orders and consecrated religious, yet the latter shall be protected by the former, and shall be, in moral obligation and perfection to the law, submissive to the former.

First and foremost, the mission was to properly educate and instruct, to build, from nothing, from the ground up as it were, the basic infrastructure of Christian Civilization. The Church, the school, the hospital, the home. The military necessity of providing for safety, security, and protection of the holy priests and their new converts was part of the formation process. When such tribes achieved an ascendancy of progress, being properly formed in religious instruction and civilized life, the might, over time, attain to self-governance. They would be met where they are found, and civilization would be brought to them, and built for them, from scratch, as it were, from nothing, from the ground up, out of the wilderness. Countless of their peoples would not be invited to go (invade) Spain, and thus ruin and destroy the Spanish Nation and the Spanish people, or to overrun and obliterate Italy or Scotland, for instance.

The idea that there are no borders is irrational, unreasonable, and false. There are borders. As well there should be. The opinion that there should not be any borders, is devious. Boundaries, like the walls of a home, are established for very good reasons. Security and thus safety, being primary. If there was no boundary between different races. there shall be no enduring, and authentic, righteous freedom, and thus, righteous prosperity, and hence righteous happiness, whilst on earth. Such is not an inevitability; whilst forced race mixing and the destruction of the racial

monolithium of nations, and thus the intentional destruction of the White nation's themselves, particularly concerning the remnant White race, might be synthetic evolution, yet such is not natural evolution. Such might be politically "correct" to a Jewish nonwhite anti-white world that perpetually embraces, engages in, and perpetrates slavery and genocide, that is the systemic oppression and murder of the remnant White race, from the micro cosmic individual to the macro-cosmic collective level, yet such is absolutely wrong. The so called "great reset" or "great replacement" is extolled by the haters of history and tradition, and the racists who ignorantly, pridefully, and psychopathically blame the White race for all crimes, woes, and worries, real and imagined, past, present, and future. Even the crimes perpetrated by nonwhites, keeping in mind that vast majority of the crimes are perpetrated by nonwhites---as is well documented by the colorblind mathematics and statics, when they are not ignored, excused away, or apologized for by the dominant anti-white mainstream culture---are considered the fault of the White man. The culture of rape and murderous violence is worldwide and is predominately and disproportionately perpetrated by nonwhite anti-whites, including hybrids, against the minority remnant Whites.

Most of the rapes and murders committed by nonwhites are not investigated, and thus not solved, and not being solved, the criminals are not stopped and deprived of continuing on in their criminal careers and thuggish matters, and are thus not brought to justice. Moreover, the lie of the political and social leftists, one of countless, that falsely claim(ed) that there are too many black people in jail and prison, was, and is, the exact opposite of the truth. If a vast majority of criminals are black and otherwise nonwhite, and yet they are not even pursued as suspects, let alone apprehended, then it stands to reason, that there are not enough black people, and other nonwhite people, in jail and in prison for their careers of unremorseful criminality. Of course they should not be in White nations to begin with. If

they are not held to the same moral standard that White people are held to, because they simply cannot help themselves, or for them, raping and murdering, and the like, is normal and acceptable behavior, or even a "rite of passage" that should have no consequences whatsoever, does that not prove that, at least in terms of morality, which is not an abstract concept or arbitrary facet of life, blacks and other nonwhites who are criminals are morally inferior, whilst, again, in general terms, Whites are morally superior? The world has determined that the actual racism of nonwhites against Whites, is "social justice," whilst the actual and legitimate exercise and responsibility of law enforcement and right authority is deemed as being "racist" and "white supremacy." Such insanity, criminality, and diabolism envelops the sinister reality, and its innumerable splinter false realities, that we are forced to endure with virtually no remediation of complaint. To blame money, or lack thereof, or to blame the alleged lack or absence of opportunity to attain wealth, as the cause, or at least one cause, for the perpetration of violent crime by blacks and other nonwhites, against themselves and against Whites, is intellectually dishonest, socially fraudulent, and morally bankrupt.

There are countless nonwhites who are immersed in lives of crime, who do and sell drugs, who refuse to work, and who are regularly paid by the government without any conditions whatsoever that they must abstain from taking, or selling, drugs, reform their criminal life, or even seek employment and get a job. There are other nonwhites, including hybrids, who do have a job, and yet, they are guaranteed employment and a wage, say, \$700 per week, no matter how much work they do, or even, perhaps, in some especially (hidden) affirmative action(ed) figures victories of the privileged and licensed blacks and all nonwhites, no matter how many hours per week they work. They could then, say, work the bare bones minimum amount of work, for the least hours, perhaps four or eight hours per week, and still be guaranteed the \$700 per week base salary. A White

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

man working at the same company, say, painting the interior walls of low-income, section-eight, government subsidized, American taxpayer funded apartment units, would be expected to work the regular 40 hours per week, and much harder to meet the "quota" or "rate" of productivity, that the majority nonwhites working for the same company are not required to meet, and be paid less.

Of course, there are plenty of other incentives, financial and otherwise for all nonwhites. All the while, the nonwhites might be on call, and on command, on demand, proceed to stalk and harass, and otherwise are paid or volunteer, as a "civic duty," their precious time and their gifted talents, to perpetrate countless felonious crimes, against White targeted individuals, whom the entire anti-Christ anti-white world government has determined are "supremacist" or any other designation they so insidiously and sinisterly smear the White man with. This "enrichment" of the White man has the additional benefit of demoralizing him and ostracizing him to the point that he is a social pariah, or literally, a living, or rather, miraculously surviving and enduring, racial martyr. There is no place for a White man in a multinational, multiracial, multicultural, multi-religious world where work is deemed "racist" and crime is determined to be "social justice" and "progress" and "social work" and other such psychopathic politically "correct" linguistic devices.

Some brown female, a hybrid, was given a career, and her whole job is to "teach" blacks, especially thug youths, that the murderous violence they commit is not their fault, and to "prove" to the world that the mere "anger" issues of these two-few-blacks-and-nonwhites in prison, are caused by the fictional specter of systemic "white racism" that prevents all nonwhites from overcoming their visceral hatred of Whites. The science of the denial of scientific truth is truly stupefying. A black female police dispatcher, in a black-democrat run city, answered a 911 call to a civilian reporting a suspicious vehicle that was speeding, weaving in and out of traffic, and driving recklessness and dangerously, by falsely claiming that

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

if a police officer did not see it with his own eyes, then it did not happen. In other words, she was not even going to let anyone know what the civilian reported, because the moving violations (and potential crime(s), such as stolen vehicle, getaway car from the scene of a crime such as an armed robbery or murder), were not visibly observed by a police officer. I would hazard a guess that this disgusting black female would subscribe to the "what happens in Vegas, stays in Vegas" mindset. Blacks are notorious for not giving witness testimony even when they have information that is essential to the investigation, including bringing the criminal(s) to justice, and also, for refusing to convict violent and dangerous criminals, solely because they are black. How such a thug-like female could be given and hold such a seemingly important position as city police dispatcher, and deny the essential emergency service of the police department like that, to a concerned citizen who is reporting a suspicious vehicle with a criminal operator, and in such an arrogant way, is disturbing on many different levels. But then, what else should we expect from democrats, liberals, and their ilk, concerning their failed cities that are propped up and subsidized with the money stolen from the American people, that have perpetual epidemics of unsolved violent crime including rape and murder?

There was one documented case of a hybrid youth thug, who was not yet 18 years, whose body barely reached five foot in height, who wanted for nothing, had plenty of food, a house, a family, friends, the latest in entertainment, was in school, had money, was not mistreated because he was black or of a mixed race, (he was perhaps Hindu Indian and black, and possibly part white as well, adopted into an already mixed-race family) and in fact, was practically worshiped, merely because he was not White-he was in want of nothing. And yet, he chose the career of a thug, to buy, sell, and deal drugs, to beat and rob adult White men, at pointblank gunpoint, specifically because they were White, as they came out of the bar or as they left a bank ATM at night. He also

boasted, as a terrific victory, when a white teenager in his high school class, close to follow the path of least resistance as it were, and murdered his own whiteness and every visage of his white identity, and transformed and mutated himself into a white male who behaved as if possessed by the radical and revolutionary black spirit, all in a matter of a few months or so. Of course, this poor white teenager had to be a rapper, or this particular trans-humanist metamorphosis would be incomplete. This treason to his own parentage and heritage, to his own racial and spiritual identity, tragically became permanent. But then, maybe this teen was no White at all, maybe he was a hybrid-jew.

Many other White children and White youth go through a phase of “acting black” in the dominant alien culture produced by the non-Christian, anti-Christ Jews, yet some, thanks be to God, fortunately are extracted from such a toxic environment and culture, and are able to piece back together the fragments of their shattered souls, forming a semblance of their true identity, sufficient enough, at least, to never forget where they came from, and to always hope for where they are going. We are not referring to intentional race traitors, who need not necessarily “act” black at all. We are speaking on the dire circumstances and catastrophic situations of many poor Whites, who are deceived and sucked into the drug and urban ghetto thug culture, and who, lost souls as they are, embrace the popular dominant mainstream Jewish-black alien anti-white culture and variant conglomerated satanic societies thereof, in order to fit in, to feel like they belong, to be acceptable and accepted, even though such is entirely phony, and to otherwise find meaning and purpose for their otherwise sick, empty, and ruined lives.

So, who is the racist here? The black thug youth who was running and gunning and targeting and robbing White people specifically because they were White, even when poverty was nonexistent thus could not be blamed let alone a factor at all, or his White victims who held jobs, were productive members of society, and obeyed the law? A small time black

thug such as the aforementioned has no problem playing the game, despoiling White girls in the insidious process. That freedom is given to such criminals is an absolute offense against the very idea, let alone the actual practice and reality, of freedom herself. And that we are enslaved to such fiends, in myriad ways, all favorable and approved by the Jews, is heartbreaking to our deliberately neglected and tortured soul. The forced subsidization of all manner of crime, even murderous organized crime such as the street gangs of the inner democrat, nonwhite run cities, by the liberal government and by the taxation of the working and productive class, under the guise of "social justice" and "racial justice" and "financial equality" and other such black magic voodoo witch-doctor and clinically psychopathic terminology, is an ugly affront to, a spit in the authentic face and devilish mockery of, legitimate and genuine law, order, civility, morality, righteousness, and civilization.

The nation is the racially monolithic people. For instance, Romania is a nation of only Romanians. No other racial group is welcome to settle in Romania and make Romania their home, because the home of, and only of, all Romanians is Romania. The same is true of Spain, Italy, France, Scotland, Canada, America, and so forth. Spain is a nation populated only by Spaniards. Italy is a nation of, by, and for, only Italians. France is a homeland comprised exclusively of French people. Scotland is for the Scottish. Canada, solely for the Canadians. American is a nation composed wholly of Americans. The state is the racially monolithic government of the racially monolith nation.

The nation, or our nation, is the people, or our people. The state, or our state, is the government of, by, and for the people, or the government of, by, and for our people. Our government might be a republic, or it could be a monarchy or even a fascist state. Power does not inherently corrupt and absolute power does not inherently corrupt absolutely. In fact, true and legitimate authority and power, and the holding and exercise of the same, keeping in mind that all authority

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

and power originates from God Almighty Himself, may in fact, tend toward a moralizing, virtuous, and sanctifying effect by virtue of the fact that the more authority and power one has, the more responsibility they are given, and thus the more culpable and answerable they are to His Holy Majesty.

For Americans, or patriots of any White nation, to be self-reliant, they must not depend on any other country. If nearly all, or most, of the material necessities required for civilized life in America, such as clothing, tools, building materials, and medical supplies, come from a strange land, a foreign country, and alien empire, then the American people are not free because they are dependent on that nation, and that people, and that state, for the goods and materials they need for subsistence. Obviously, all the trade agreements and treaties between the two countries would be one sided in favor of the producing and exporting nation. The terms of the trade will not be favorable to the American people, and they will have no power by which to negotiate, or renegotiate, such an oppressive diplomatic/trade relationship. As if that was not bad enough, the alien empire, in terms of culture, worldview, and so forth, in our case, atheistic communist China, is diametrically opposed to that of America and the American people. In other words, there are irreconcilable differences between the all-invasive culture of the dominating alien empire, namely China, and that of the isolationist, separatist, nationalist culture of America and the American people. Worst yet still, because of the domineering power and commandeering influence and spirit of the alien empire, and its racially different Chinese people, the American people are forced to accept, into their unique and sovereign homeland of America, multitudes of racial aliens from the alien empire. Obviously, the American culture, such as it is, such as it has the potential to be, is not "enriched" by such a genocidal exchange. Rather, by extension, the beautiful, wonderful, and great culture, or at least the latent potentiality thereof, of the European people and of the Whites of European extraction, is degraded, degenerated, and

destroyed. This is but one of numerous examples. Portugal, Spain, Italy, France, being four more prime examples of many others. America is of course a peculiar example.

American nationalism, like Italian nationalism, like Spanish nationalism, or French nationalism, or Russian nationalism, has nothing to do with "worshiping" the state, which is our own government, comprised only of us and our own kind, as our enemies falsely charge. In truth, it has to do with the understanding, acceptance, and participatory patriotism, that is the duty of all responsible members of the racially monolithic nation, that our racially monolithic state is the warship from, and by which, are the people, our people, under God, able to determine, for themselves, their fate, their destiny, and the future of their children and the privacy, security, safety, freedom, joy, and posterity of the same. The state is the warship from whence the racially monolithic folk exercise their inalienable right of self-sovereignty, self-reliance, and self--determination, and the vehicle from whence the people are able to practice the pursuit of their fate and destiny and the procurement of the future for their children, and the manifest defense of the same.

This is not a White man's world. It is true, that the world used to be the domain of the White race, in terms of authority, power, and prestige, and the projection of the same. In fact, so great has this trifecta of the White race been, that the reverberations will last until the end of the earth. Our enemies have taken the historic context, out of context, and---having distorted and misrepresented our history and our people's heritage---have dishonestly applied it to the political, sociological, and economic realities, pseudo realities, and false realities, of the postmodern cybernetic digital age, nonwhite, anti-white, anti-Christ world.

The conspiracy theory, that white "supremacy" is the biggest evil and threat to humanity, is a virus, spread by very sick people, especially to the remnant White race and the remnant non-hybrid White ethnicities, whose time has come and whose bad fruit is ripe. Whilst it is insidious to us, it is

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

delectable to our enemies. Such an insane, criminal, and diabolic ideology has invaded actual reality as to juxtaposition a false, and sheer sinister, reality in its place and stead. Thus, in the duality we are ensnared in, civilization is a counterfeit. What used to be heresies in the Old World are now sinister realities layered atop each other. The masterpiece has been heisted by those who are superior when it comes to dishonor, criminality, and murder. Technology, science, and medicine, far from being developed and utilized to free and better man, has been, and is exponentially being, weaponized and wielded to enslave and destroy mankind. Whilst it synthesizes and augments humanity and its hordes, attempting to do what actual nature, evolution, and time has not done, namely produce a fake imperial equilibrium, the remnant minority White race is further dumbed down and diminished, witnessing in discomforted agony a thousand destruction's of his identity, his life, his meaningfulness, his purpose, his fate, his destiny, his family, his friends, his future, his religion, his race, his sanity, and his love.

In strictly secular terms, there is no equality of equality, insofar as there is, in truth, equality. The conquest of the natural world, as it were, which has been made possible and all but assured by the Industrial Revolution and the Digital Revolution, is such that there is nothing of nature that is not influenced and destroyed, and replaced, by modern and post-modern humanity. Modernism was bad enough; post-modernity is essentially the wide path of destruction that leads to the utmost worst. Gratuitous positivism is a problem, because it can be self-defeating. However, extreme negativity, which inches far too close to the borderlands of despair, which should never be a thought, idea, or action entertained by men of good will, can also be self-defeating, or at least passively complacent in the evil doings and proceedings and machinations of our spiritual, religious, moral, political, social, and economic enemies. Part of the problem is faithful and right leadership and brotherhood. The White, heterosexual Christian man in good standing with Holy Mother Church,

who understands authentic patriotism for his country, and that with superiority comes greater responsibility, and with greater responsibility, thus greater challenges, is vexed if he be socially isolated and held in containment and his rights of freedom of movement, free expression, and free association violated. Let us make no mistake, all is war and combat, whether we believe it to be so or not, whether we like it to be so or not, and whether we resist and fight, insofar as we are able bodied men of good will, or not. There are numerous fronts of the war, that has been raging for eons before we were born in this world. There is a war on our education, our creativity, our work, our culture, our society, our community, our history, our heritage, our art, our music, our minds, our privacy, our security, our safety, our private property, our communal property, our identity, our law, our customs, our family, our souls, our folk, our liberty, our rights, our reason, our Faith, our Religion, our Church, our future, our nation, and our race, ethnicity, and folk. The anti-Christ anti-white world will falsely charge that to submit to terrorism, to surrender to the all-invasive and all-enveloping oppression of evil, to conform to the tyrannical science of evil, to agree with the abject and unrepentant corruption, perversion, violating, and breaking of the law, the theft of the law and the weaponization of the law that is used against us, is to be productive members of society who are “enlightened” on what is arbitrarily considered political and social normative and permissible political and social discussion and activism.

White people do not control science. White people do not control their own medicine. White people do not control education. White people do not control technology. White people do not control the military. White people do not control government. White people do not control the culture. In their own countries, or in what used to be, and pathetically still is to a tragically reduced extent and degree, White people do not control their own fate and their own destiny. White people maintain the counterfeit civilization and subsidize the existence of all other nonwhite, and mostly, antiwhite races;

that these hobgoblin hybrids of multiracial empire, will control and rule over every aspect of observable and experiential existence, including our intellect and our will, is enforced as though a law of god and of nature, notwithstanding that the accumulative whole is a perpetual violation of God and Nature. Obviously, if a reign of terror is required, in order to enforce the ideology, and the supremacy thereof, then that ideology is not superior, rather, that ideology is inferior. Such is the all-invasive, dominant mainstream anti-Christ ideology of the world, and the oppressive anti-white supremacy thereof. Hardly something to take pride in, hardly something to mark by the occasion of a federal holiday or by the invention of a new one concocted from a fabricated event of history, a fictionalized event that either never took place or was hardly a turning point or momentous occasion of history; the universalism of the world system, whose supremacy itself is anti-white, has earned absolute criticism and is fit to be disdained. The supremacy of the nonwhite, mostly, anti-white world, is inherently genocidal against the remnant minority White race, which, I might add, as a statement of truth and as a statement of fact, and as a statement of witness testimony, is, writ large, the superior race of the inhabitants of the earth, and was made so by God Himself.

The Jews do not have a higher IQ than Whites, generally speaking, yet they are certainly far superior in perfidy and shrewdness, that is the utilization of accumulative intelligence, the bulk of which has been gathered by others, to further progress their own insidious gains. The Asians do not possess a higher IQ than Western Man, yet they are far superior in terms of stealing the inventions of Whites and perfecting the subtlety by which they assail, assault, and subvert the White race. As a young Chinese male who worked at a local American fast-food restaurant, who was occupying the position that an American (White by then I repeat myself) teenager would have and should have been holding, once remarked: "If you don't want to be censored

(shadow banned) from the social media platforms and the internet, then don't have a social media account." Spoken like a true nonwhite antiwhite communist, whose reason for existence demands a hatred of the truth and dictates a hatred of the means of propagating the truth. If truth is the first casualty of war, is freedom the last causality of war? Or perhaps, freedom is the first causality of war. Without freedom, where, or what, is truth?

In general studies and research---for there are some exceptions to the rule, yet the few exceptions, however remarkable, do not change the pattern that has emerged and that is emerging---namely that of the White man's burden, broadly speaking, of literally being the superior race, whilst simultaneously being repressed under the anti-white world order, means that the White race has the greater share of responsibility, for we are held to the highest standards, of intelligence, law, morals, ethics, dogmas, creed, and religion, and yet we are forced to suffer every disadvantage, every ignominy, every victimization, every slight, every handicap, in contented, if not jubilant, silence, without any expectation of a course correction or the help we are want to need, and let alone meet. History is replete with the superior achievements of the White race. In comparative studies, there is no other race that remotely approaches achieving the level of civilization, architectural, cultural, artistic, religious, scientific, moral, and civic achievements that the White race has accomplished. In terms of law, morality, ethics, and virtue, the White race is bar-none, the superior race.

It is interesting to note, that we witness the White superiority at the 2022 Beijing Winter Olympics. Whilst most contenders are of course White, even with the ever increasing anti-white encroachments of cheating, stealing, and otherwise racist against Whites "affirmative-action" and diversity wins and fake medalists who are chosen not because they competed and won fairly and honestly, but because they were not White, or because they were some mixed-race non-white hybrid, that was chosen by the Olympic committee and

powers that be, solely based on the anti-white corporate world "wokeness" of them not being White. Perhaps the percentage of the fixing of the games is nominal. But even if it were less than 10% of all the events at the Winter Olympic games, obviously, such deception and fraud is anti-white, is racist against Whites, and is outrageous on even the most fundamental ethic, moral, and legal and lawful foundations. At any rate, notwithstanding such criminality and international scandal, the Whites dominate(d) the Winter Olympics, and prove(d) unparalleled superiority in innumerable ways. Physical prowess and mental acumen of course being two major categories.

It is important and interesting to note, that much of the degeneracy that afflicts the remnant minority White race, is caused in large part by the parasitical and predatory presence and expositions of racial aliens and hybrids, and the overarching conglomerated dominant mainstream world society and culture of the same. That is obviously not to approve of, or apologize for, or deny, criminals and wrongdoers who are white. Particularly liberals and the establishment types on the political Left and on the right. Yet, as a statement of fact and truth, we conclude that whilst evil is not restricted by skin color, a large portion of the drug addicts, and low-level petty criminals that are white, are in an extensively hostile and alien environment that is largely nonwhite and anti-white, and are probably either immersed in areas that have the highest concentration of nonwhites, or have fallen prey to the "affirmative action" tokenism of the multi-racial empire, that demands Whites to surrender their Whiteness and submit to anti-white multi-racial "diversity" at any and all costs. Liberals are willing to sacrifice their children, and the children of all Whites, at the alters of the Synagogue of Satan. What is the cheap price they are willing to sell their children's souls for? As long as they are not decried as anti-Semites by the Jews and racists by the blacks; their conscience is clean, they have no regrets. Therefore, this is a contributing factor in the segment of the White

population that are petty criminals.

Incidentally, as to the question of car accidents, God knows. How many more car crashes occur as direct result of black and other nonwhite drivers? My guess is that there are a lot of car accidents, and the attendant injuries and fatalities, because of the reckless and wrongful driving and operation of motor vehicles by blacks and other non-whites. Moreover, bad movies induce bad behavior. The devilish weaponized noise that wrongfully passes as "music" these days, including gangster or criminal rap, is nothing but poison to the minds, hearts, and souls of White youth. Black magic voodoo witchcraft falsely labeled as "music" induces, at least a measure of, wickedness. Wrong politics induce wrong conduct. A corrupt mentality induces immoral thinking. There are factors that cannot be ignored. How many Whites have overdosed on drugs, and have died, who have heavily associated with blacks and other non-whites? Such a direct correlation cannot be excused away and apologized for, by supposed White nationalists no less, by the liberals' dismissive hand waving away of that irreplaceable and immeasurable loss by psychotically declaring that the poor troubled young man was entirely at fault because of his own decisions. The Jews own the entirety of the media. Hence, obviously, movies, music (so-called), video games, TV, social media, and so forth, are going to be poisonous to the minds of young impressionable White folks. Therefore, in the proper context, it becomes evident how the poisoned minds of White men are not going to be able to make the right choices like they would, had they been born into, raised up in a world where they were not molested all the time, everywhere, by everyone, and forced to be immersed in a tide of nonwhites who besieged their soul, and were constantly energized off them, as if the White is the battery that gives them their charge. The majority dominant culture is the parasite to the minority repressed and persecuted remnant. The idiot who decries the broad brushstrokes of the truth might be a nonwhite hybrid Jew who realizes the implications

of turning the universalism of the Jews on its head.

The criminal and alien culture of the Jews, blacks, and other nonwhites, induces wickedness in the minds, hearts, and souls of those oppressed by it and subjugated to it. Even if they are too stupid or . degenerate, the two vectors often being indistinguishable, to be aware or to admit the truth as such. If there are irreconcilable differences between one race and another, keeping in mind that a superior race might be the minority, and in our case, we are the minority, and that a superior race that is the minority might be oppressed and forced into a subservient and inferior position---even by the inferior race, who might be the majority, among a union, or combination, of the brotherhood of nonwhite humanity, and that forced race mixing has the attendant effect of producing a hybrid race which further subjugates and diminishes the superior race---then it is evident that segregation and separation is the natural, godly, and viable solution to such a problem, and answer to such a question. If we are prevented from bringing about that solution into fruition, because we are condemned to merely postulating on theories about how statements of the facts and statements of the truth would look were they to be brought about into the world and realized as reality, then we, like the theoretical physicist, are reduced to marginalized intellectual works that, although restricted to the domain of the hypothetical, are far more in harmony with nature, are immeasurably more in tune with godliness, are vastly more authentic in terms of actual reality, and are immensely more true in the sense of the laws governing the same, than the counterfeit, sinister, and synthetic reality, and the fictional and fraudulent governing, proceedings, and dealings of the same, that we are ensnared and entangled in, by the insidious rulers and principalities of this world.

Our enemies believe that if they can imagine or think something, then it is possible to bring it about into fruition, to destroy nature and reality and replace it with whatever idea, or imagining, or thought they have come up with. Merely

because it is possible to do something does not mean that that something should be done. Merely because something is possible to do, does not mean that we should do it. Merely because something is possible, merely because it is doable, merely because it is done, does not make it right. The preservation of nature, as God has created nature and intended nature to be, is infinitely preferable to the violation and destruction of nature.

Forced race mixing was possible, it was done, and although it seemingly benefited all of the nonwhite and hybrid world, to the detriment, degradation, and destruction of the White race, the White race has not benefited from, nor has the White race been enriched by, forced race mixing and by being subjugated under the multi-international, multinational, multiracial, multicultural, multi-religious boot stomping its neck into the earth. The fact that desegregation and forced race mixing is a one-way gift for all nonwhites and hybrids and only all nonwhites and hybrids, that never stops giving, speaks volumes of the universal natural fact, that the White race is superior by every metric and each measurement, and the other races, including the Jews, Asians, Arabs, and blacks, are inferior and unequal, including, but certainly not limited to, in terms of morality, intelligence, and the administration of the same. Whilst there are exceptions to the rule, those exceptions are statistically inconsequential for our purposes, and do not matter, and it would be a moot point to overindulge in ascribing an overvaluation in heavily sponsored and subsidized, and often questionable and hyper-inflated, and nearly always anti-white achievements of, mostly hybrids with admixtures of white blood, and nonwhites who routinely take the achievements of Whites and apply them to all nonwhites, to the detriment of the Whites. At least some of these anti-white antagonists are identity thieves, intellectual property robbers, plagiarists, and impostors, and yet the Jews and the blacks are infamous in that they identify themselves as the perpetual victims who can do no wrong, all whilst participating in, apologizing for, and benefiting from,

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

perpetrating the genocide, that is the destruction, and in the interim all the while the slavery, of the non-Jewish, non-nonwhite hybrid, remnant White race and remnant White ethnic tribes thereof. To speculate: one of the biggest “crimes” of National Socialist Germany was that they tried, and for a brief time succeeded, in creating, in producing, in expressing, and thriving under the same, their own government, business, culture, and art, in the absence of the bondage, influence, and prestige, of the alien world financiers and money changers and pecuniary speculators, and their demands and domination of society and culture and control, degradation, deprivation, enslavement, rape, and destruction of every aspect of existence.

One of the most pressing and pertinent questions of all ages, is how, or why, the White race is now reduced to a second and third class status, being under the yoke of bondage of an imperial alliance of nonwhite, mostly, anti-white races. No other race has contributed more to the world, that is to say, to all other races, and in such lasting measure, than the White race. All the other races have stupendously benefited from the White race. The White race, far from having benefited from all the other races combined, has been decimated by them, on account, and because, of them. To the point now, where birth rates are so far in decline as to not even reach the minimum number obligatory to sustain and replenish the population of the White race, the future appears more dimly lit than the present.

While not all censorship is bad or wrong, censorship can be used by a corporation or government, or a combination of the same, in such a way that is criminal, because it is perpetrated against an individual whose intellectual work and speech is Constitutionally and otherwise similarly protected. For instance, if an individual is targeted by a collective or group of criminals, and is illegally surveilled, criminally trespassed against in a myriad of ways, and that person generates witness testimony, in the medium of video and audio, for example, and decides to publish that work online,

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

if that person is censored, it might be a case that the censor is criminal and that the censor or that entity, or conglomerate, that has enforced a "shadow ban" against the targeted individual who is publishing and broadcasting his witness testimony, that is evidence, that is proof, is perpetrating crimes against the individual witness, is tampering, modifying, obstructing, and even destroying evidence, is obstructing justice, is violating freedoms and the rights of the intellectual work, intellectual private property, speech, and the publication and publishing and dissemination of the same, of a victim of ongoing organized crime and a vast conspiracy of the same. The poor argument, that amounts to nothing but mere anti-white opinion, that Jewish owned and controlled YouTube, Facebook, Twitter, or Google, is rightfully able to censor and shadow ban any individual because these entities are supposedly "private corporations" and because they can arbitrarily decide, or determine, that someone is in violation of the "terms of use" or "terms of agreement" for these supposedly social media platforms, for anything they find "offensive" or disagree with, fails to reach the heights of legal and lawful legitimacy. A primary reason for this is eminent domain. Not to mention the fact that monopoly is patently a gross violation of fundamental law. Might does not make right anymore than a kite makes flight. Songbirds are possessed of the nature and ability to make flight in graceful and superior ways that a man-made kite will never achieve.

The aforementioned conglomerated tech-giants, have vastly changed the public, the general population, and have extreme influence over and upon the same; the entire notion of association and communication amongst people has been profoundly and irredeemably altered. Therefore, most people are dependent, because they have been made so, on these social media Goliaths in order to speak in the public square as it were. In order to communicate and thus function to a vast extent, we are obliged to use the internet and the tools thereof, such as social media platforms. In terms of eminent domain, the public square has been displace, has been

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

digitized, and is now the cybernetic sphere contained within the dominant mainstream social media platforms. All conglomerated and owned by the Jews and their one world order. Hence, the individual rights of the American nationalist, as it were, supersedes any and all fraudulent claims of the person-hood or “legal” fiction of the mass media corporation, and the conglomerated assemblage of governments, corporations, and their respective Jewish owned, dominated, and run boards, committees, agencies and departments. Whilst Islamic terrorists do not have a right to spew their venom on Twitter, and use Twitter to recruit foot soldiers for their worldwide caliphate, and should be censored and banned from using the internet, an American who is merely expressing his opinion or the facts and the truth about matters of significance having to do with religion, politics, society, and culture, including providing witness testimony about or having to do with crimes being perpetrated against himself or crimes committed against mankind, should not only not be censored and shadow banned, but should be protected from bullies, stalkers, terrorists, and otherwise criminal bad guys whose presence, online or in real life, is truly a blight and unwanted.

To claim that all so-called antisemitism, that is that all criticism of the Arabs, particularly Muslims, and explicitly other Semites such as non-Christian identifying Jews or crypto Jews, as a distinct racial group who has immense power in this world, and who prioritize and operate within their own distinct racial interests, is forbidden, or should be outlawed, because Christianity owes its origins to the Jews, is intellectually infantile and wrong. The right balance to be struck depends on the various personalities of men. Yet more importantly, the right balance depends on the indomitable spirit of man, as he practically and miraculously functions, even reduced to a mere shadow of his former greatness and glory, under the perpetual molestation of the inhuman will of mainstream cybernetic trans-post humanity, and the vast expanse of its monstrous consumption,

digestion, and defecation. It cares not at all of the adverse effects thereof, as long as it retains its supremacy of preemption and imposition, demanding that the universe be refashioned in their (((United States of Jews: They See Drove of Anti-Semites))) die-verse image.

In terms of competitiveness, it is unnatural for men of mankind to compete against each other in hyper-tenuous arenas and events as fabricated and fashioned by racial aliens and enemies. This false ideology, similar to the sham hyper-individualism, that was produced as silage for the White race who is looked at as cattle by the overlords of the anti-white world, has been particularly dangerous for European nations in the 20th century. The demon-spirits of avarice, envy, lust, and so forth, have marked many a man, and the people he leads and the people under his tutelage, for destruction. A nation is her lifeblood, the people, the folk. It is a statement of fact and truth that there are different races. It is a scientific reality that upon the earth there are different races. The radical leftists, liberals and the like, will hypocritically, and quite falsely, insist that we are all of one human race, and that whatever differences there are are merely aesthetic, superficial, or inconsequential. Nothing could be further from the truth. Each race, as created by God, in its purest unadulterated form, has a unique spiritual signature and biological rhythm. Moreover, each subgroup, that is, each ethnic tribe of the monolithic race, has a particular and special genetic resonance and subatomic frequency. An individual soul uniquely indwells the body with his own one-of-a-kind, cosmic identity and signature, of the breathed word of the universe, as it were. So it is, that Italians possess a vastly different spiritual biology, as it were, then say, Ethiopians, and all nonwhites for that matter. An Ethiopian was not Italian, is not an Italian, and will not be an Italian, even if he were to invade the Italian fatherland, master the Italian language, and take an Italian woman as his own trophy wife, that Ethiopian is not Italian, and his offspring is not Italian. His offspring is a hybrid. Race mixing is, like

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

sodomy, wrong. It is a violation of nature. Again, merely because something is possible to do, does not make it right.

There is nothing inherently wrong, let alone evil, about a vocal segment of the White race and a distinct ethnic tribe of the White race at that, let alone the non-Jewish White race and all the distinct and diverse non-Jewish White nations or tribes thereof, to not merely wish for, yet to assure and work for themselves toward, self-autonomy, self-governance, and self-determination, to the exclusion of all racial others. This, not mere racial segregation within a bi-racial polar nation or multiracial dualist imperium, yet this separation of race from race is perfectly in accordance with true liberty and legitimate sovereignty, under God Almighty Himself, especially in a multiracial empire. The forced race mixing of all the diverse races, which is a genocidal policy, is unnatural and is utterly despotic and enslaving, and invokes a particular abhorrence in the victims, which would be absent, and into which absence would be genuine neighborly love, were racial segregation respected as the dignity of life is regarded as precious and worthy to be guarded from all corruption and injustice, particularly from those that originate from multiracial societies and forced race mixing.

The married pair, the one man and the one woman, the one husband and the one wife, have each taken vows, in and of the Sacred Sacramental of the Holy Catholic Church, to join together and to be joined together as one flesh, as one body, to the exclusion of ALL others, until death does them part. Truly, if the one or the other died before the married couple conceived children, then, and, arguably only then, should the survivor widow or widower remarry, and either a man, or a woman, as the case might be, who has not before been taken into marriage and has not before conceived children. It is one thing to be deceived by the enemy, a bad state of affairs certainly; but to be led to ruin by members of one's own blood and soil is a far greater evil. It used to be, in the Old World, that treachery was a capital offense. That traitors would be, if found guilty and apprehended in custody,

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG
DEATH CAMP

sentenced to death, is not inherently inhumane or at odds with the law and justice. In fact, when and where the organized government and ruling bodies and assemblages thereof, was not corrupt and thus did not bear the evil fruit that comes from corruption, the execution of the criminal traitors was, whilst a most unpleasant affair that no man from the king on down to the executioner, took delight in, was a necessary check on evil, and a necessary deterrent to similar would-be evil doers.

The nation, the state, and the Church, when all one unadulterated trinity encompassed by one specific and monolithic racial group, verily enriches, enlightens, and inspires the individual to sanctification and to the greatness of leading and loving a truly righteous and pious life. It is absolutely wrong, if the collective, that is, if the Church or the state, or both the unified Church and state, oppress, and essentially annihilate the unique identity, and attendant dignity, of the individual, including the individual person, and including the non-Jewish, non-hybrid person of the White race and the non-Jewish, non-hybrid person of the White ethnic tribes of the White race.

In a multinational, multiracial, multicultural, and multi-religious world empire, that is systemically racist and genocidal against the minority remnant White race and minority remnant White ethnicities, the individual White man is reduced to an unnatural state, whereby every aspect of his existence is affronted by morbidity, negativity, and pessimism. The disposition to positivism, and optimism, that sounds good, and is grammatically and linguistically correct in oration and on paper, is far removed from practice in the waking reality, and dualism thereof, that the individual soul is frightened and forced to endure in, no matter how much he repents and amends his life, no matter how hard he works, no matter how many good works he does. If one individual has an identity only in proportion to how one conforms to the collective, and the collective is hostile to the individual, if one race only has an identity in proportion to how it

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

conforms, that is submits, to the racist policies of the collective against it, then there can be no honest and serious discussion about race, or socialization, or individual duty and responsibility.

We are able to be nuanced enough, to take a look back at history, and qualitatively deduce, that, at least during certain epochs, things were better, that life was better, and more in alignment to the way that life should be, that the living situation and the living conditions during bygone eras, particularly of Christendom, held a promise that has all been but eviscerated by the perversity that passes for acceptable sociability, sociality, and high culture in the recent and utterly indecent digital cybernetic new age.

Unlike our enemies, we believe that things are getting worse. Whilst they might deceive themselves into believing that the unparalleled political, cultural, and social power that they currently enjoy, all ill-gotten and all put towards evil use, especially against the White race, in that the ongoing perpetration of genocide and ethnic cleansing against the minority remnant White race, and the enslavement of the Janissary and the like class of the same, who are the maintainers and sustainers of civilization, is heralded as "progress," "social justice," "diversity," "evolution," and "political correctness," by the nonwhite, mostly anti-white world empire-God, nature, and reality, are very resourceful in cutting through the matrix of lies with the sword of truth. We believe there is a continuity of degradation, a continuity of devolution, a continuity of degression. Observable and experiential reality validates this belief. In a seeming contradiction of contradictions, mediocrity runs rampant, all whilst the lowest common denominator, in terms of intelligence, morality, and aptitude, the dregs of humanity, is not only tolerated, is not only forced upon and enforced against actual and natural members of the nation state and the nationhood---especially White individuals with very high levels of intelligence and morality, whom are targeted by the world system, and who are everywhere continuously

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG
DEATH CAMP

molested, and whose every aspect of existence is dominated and threatened---yet the most inhumane behavior is lauded, the most perverse and vulgar speech is celebrated, the most criminal conduct is championed, the most vile manners are advocated, the foulest evils are defended and trumpeted at the very pinnacle of the world-wide, conglomerated, aggregated colossus, publicly privatized, military-government surveillance, business media, technological empire.

And all this, notwithstanding the most unprecedented advances in both science and technology, and the unfettering application of the same, to the leviathan of humanity. Everything is in decline. Everything is breaking down. The so-called humanists, who tend to reject God the creator of mankind, and favor the idolatry of humanity, falsely claim that "progress" is universally a good and preferable thing. They believe that everything, especially through science and technology, is getting better. Standard of living has been raised for astronomical numbers of people, notwithstanding the Jewish virus, (a biological weapon) the Jewish pandemic, the Jewish lock-downs, the Jewish mandates, the Jewish not-a-vaccine medical experiment jab (another biological weapon), diseases have been eradicated thanks to advances in medicine and medical procedures, communication is virtual and instantaneous throughout the world, nobody in the first world, in the post-industrialized nations, are at risk of starvation, vast swaths of information and cyber realities and virtual communities are available to anyone with an internet connection, which most people have. And yet, all the progress, all the technology, all the science, is literally replacing mankind with a cyborg hive-mind collective of antiwhite humanity. It is violating and destroying authentic nature and replacing authentic nature with a counterfeit version, with nano-tech-machine-computer circuits, with an omni-invasive artificial intelligence machine-matrix-brain robotic interface. Americans, and the West generally, that is the remnant White race, are completely in financial debt to China (a debt which can never be repaid, a debt which

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

America is barely able to pay the interest payments on), are completely dependent on China for virtually everything they buy, and are completely under total, invasive, and influential, surveillance by the Chinese regime. In other words, Americans, and the remnant White race generally, are completely at the behest of the atheistic communistic Chinese regime; whatever the Chinese say, goes, whatever the Chinese want, they get, whatever script the Chinese writes for America and the West, is acted and played out by America and the West. The similarity and interrelationship between the Jews and the blacks and the Jews and the Chinese is spellbinding. Are there White families who own and operate, and staff exclusively with White people, their American restaurants in every village square, in every shopping center, in every precinct everywhere throughout mainland China? No, there are not. Not that such a "trade" as it were, would be preferable to Americans, or fair. Americans will do more than just fine without access to Chinese food. They might have to change the family menu for Friday nights, yet Americans would not suffer that loss of "diversity" nor would they be impoverished for the lack thereof.

Counterfeit family gatherings and social functions revolve around the centerpiece, namely the dominant mainstream culture of the anti-Christ, anti-white world system. Long gone are the days of traditional families and societies, where the most important questions and topics would be raised for invigorating discussion for mutual benefit of all. Today, families and friends, such as they are, gather together and get along and achieve in their joy, in proportion to their idolization of post- Christian humanity and the dominant mainstream anti-white culture thereof. There is no contradiction, or there does not have to be a contradiction imposed, in that universal religion, namely Christianity, namely that of the Catholic Church, is applicable to all peoples, even in a world, an ideal of the past, not sinister reality of the present, where all nations are racially monolithic,

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

and furthermore, ethnically homogeneous. One nation under God, means just that. One nation, one people, one race, not all nations, all peoples, all races, as though it were the United Nations.

In our world, for instance, we would make a law dictating that our nation, our people, and our state our state being our people as the governing body over our nation, would all be religious, and would all be Christian, namely Catholic. One nation, that is one people, that is one race, one religion, that is Christianity, that is the Catholic Faith, one Church, that is the Catholic Church, under God. It might very well be argued that White Anglo-Saxon Protestants, particularly the Americans and the British, mortgaged the future of the entire White race, for that historical present moment that they lived. If someone stole your identity, and used your identity to commit a crime, or to go on a criminal spree, should you then no longer have an identity? Should you then quit your identity? Should you then take up a lesser and diluted version of your previous identity? Should you then be content to fury against your previous identity, and throw it off, abandoning it to the criminal who stole it to begin with? Even most Whites are now anti-white, for such is the price of admission into the rigged world. Why do we have to be around each other, why do we have to work and reside in each other's midst? We do not. Then why do we? Because of compulsion. Because we are forced to. We, White men, are forced to mix with all nonwhite races, including nonwhite hybrids, because to do otherwise, in other words, to live amongst and with our own kind, to the exclusion of all other races, is, or would be, we are falsely told, by the anti-white world, "racist." So, the actual racism of forcing all Whites to race mix with all nonwhites, including hybrids, against the moral, political, and social will of Whites, is the "good" sort of racism, that is pretended to be no racism, but "anti-racism," even though in truth, fact, and reality, it is actual anti-white racism. Yet, because this actual systemic racism is perpetrated against White people, by a majority of nonwhites, and their

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

treacherous white liberal and otherwise radical allies, it is considered by the dominant anti-white empire, establishment, and culture thereof, as absolutely necessary. Any criticism of this status quo and standard operating procedure of systemic racism, slavery, and genocide perpetrated against the persecuted White race, who are an increasingly minority remnant in their own homelands and states, is met with absolute hatred and bigotry by the nonwhite world and is vehemently vilified as being "racist." Incidentally, White American school children were essentially forced to race mix with blacks at bayonet point. The lowering of American standards of education has coincided directly in proportion to the desegregation of the schools and to the dechristianization of the schools. The immorality and destruction of America has also coincided directly in proportion to forced desegregation. Moreover, the dechristianization of America, and the West more generally, has a precise correlation to the desegregation of society and culture, and to the mass influx and invasion of all nonwhite people from all over the third world.

The criminalization, marginalization, and cancellation of Whites, because they are White, the criminalization of Whiteness, and the simultaneous glorification of antiwhite racism, and the nonwhite genocide perpetrated against the White race, has produced the environment and effect that there can be no meaningful dialogue between the diametrically opposed camps. There are irreconcilable differences between us and our spiritual, religious, racial, ideological, political, social, and cultural enemies. Why do we not assert ourselves? Why do we not resist, and fight back? Why do we possess such little power and influence, even amongst, and especially amongst, members of our own race and of our own ethnic tribe? Our identity has been stolen from us. We have been dispossessed of our voice. We have been reduced to a status that is lower than all the other races combined. And this, has come about by intelligent, however insidious, design.

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

Society should be properly ordered and delegated to generate a materially and spiritually secure and safe environment, that is built upon the foundational stone of Christ-centered life, values, ethics, and morals, and is most conducive to the sanctification, and thus salvation, of the living souls who are the members. Only a truly Christian nation, a Christian people, who adopt a Christian state, under God and under the Holy Catholic Church, without Jews or Jewish influence, subversion, and domination, will produce an environment, in the home, in the Catholic Church parish, in the Catholic school, at work with the Catholic work ethic, and in society generally, that is to the best beneficence, and of the superior spiritual nourishment, health, safety, and well-being of all the living souls of each individual enclave of that nation as a collective.

Our spiritual, religious, racial, cultural, societal, and ideological enemies cannot assimilate. We are forced to assimilate, that is adapt, to the invasive races and hybrid species thereof, and adopt their corrupt and corrupting mentality and the sinister reality it brings about and imposes, in a faux, fiat, evolutionary trajectory, that is, to a large degree, predestined. In short, we are forced to endure the arrest, violation, destruction, and replacement of authentic nature, and our every thought, word, impulse, and action contrary to the domination, subjugation, and annihilation of every aspect of our existence, is criminalized. From the pathological perspective of our enemies: if they can think up something, it is possible. It is a matter of form taking priority of place over function. It makes no sense, it doesn't matter, they do it because they can. It is completely inefficient; it doesn't matter, they do it because they can. It is totally evil, it doesn't matter they do it because they can. If something is possible, they can make it a reality, or even make it reality. If something is a reality, or is reality, then it is vindicated beyond reproach. Forced race-mixing, the invasion and cooptation of America and all the West with all nonwhites, the murder of unborn White babies they call abortion, same-sex sodomite civil

government recognized unions they redefine the non-redefinable as "marriage," transgenderism, transhumanism, the abolishment of capital punishment, and so forth, are all examples of the enemies of our souls, our faith, our religion, our Church, our state, our nation, bringing about their sinister realities, through their ill-gotten gains and abuse of power, and imposing their opinions, licenses, and "legal" fictions, which are morally and religiously wrong, as if their incorrect and criminal opinions, licenses, and "legal" fictions are the supreme law of the land.

The multinational, multiracial, multicultural, multi-religious empire of the world, imposes imperial relativity on all people. For every action there was not, is not, and never will be an equal and opposite reaction. Such is the perfidy of the Jews and their monopoly on science. I have no problem with science. In fact, I am an amateur scientist, as is proven by this written work. Yet, I have a problem with Jewish dominate and Jewish monopolized science. But then, I am forced to reside under cloud factory nine.

I saw the immense pouring out into the air, of dark grayish clouds into the lower atmosphere. This synthetic cloud cover permeated the entire sky for miles around. An otherwise clear, blue, and sunny sky was turned into a gloomy overcast of dark grey, with a tinge of reddish-purple hue, ominously threatening rain. This terraforming was deliberately done. Unlike the aerosol spraying of so-called chemtrails in the upper atmosphere that is produced by jets and possibly drones, that blots out the sun and rains toxic heavy metals down upon us, this geoengineering was produced by a gigantic smokestack of a factory on the land. The purpose might have been to modify the weather, or to generate weather, in this case, rain, that normally would not have occurred. Though no rain did fall on this particular occasion, precipitation is regularly generated by synthetic means. Whatever the reason to exhaust such pollution into the atmosphere, and completely alter the skies, such unnatural activity, at best, should not occur based on the

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

precautionary principle, and at worst, was perniciously done. Incidentally, so-called chemtrails are not contrails, as is wrongly claimed by some actual science denialists. Contrails are regular condensation trails. The exhaust stream visible to the naked eye that is left behind the airplane as it proceeds along its course, that is to say contrails, are much shorter in length and dissipate very rapidly. Within seconds after being visible contrails disappear. So-called chemtrails on the other hand, do not dissipate, and stretch from horizon to horizon across the sky, and remain long after the plane has flown overhead. Minutes and hours after. These so-called chemtrails disburse over the course of several hours, and transform the entire sky, generating a synthetic cloud cover that blot out the previously clear blue skies and that blocks out the sun, and turns everything into a synthetic grayish overcast hazy mist.

Fake news, fake clouds, fake snow. Fake presidential elections. Fake gold medalists. Entire industries of fakers and imitators, impostors and pretenders, professional and celebrity victims and mimics, making the world go round. Force feeding our devoid lives of vain meaning and artificial purpose. I truly don't have a problem with science. I really love science. In fact. As was previously mentioned, I am an amateur scientist of sorts. Some of the fields I investigate and publish my findings upon include history, anthropology, sociology, and biology. I have a problem with the Jewish monopoly, and tyranny, on, and of, science. Why is the White man not free to pursue true scientific investigation, unhindered and unmolested by the Jewish non-white anti-white world order? Is the White man not free to associate with whom he chooses? Is the White man not free to move about without being continuously molested at all times by all peoples? Is the White man not free to love his soul mate? Is the White man not free to have a genuine personal relationship with God Almighty? Is the White man not free, so that all signals emanating from his being are intercepted, corrupted, taken, jammed, and otherwise ruined and

weaponized against him? Is the White man not free to take the reins of his own destiny? Is the White man not free to choose his won fate?

The science of the truth is beholden to no shareholders, has no advertisers to impress, does not have to take a knee for team Jew world. Since I was 15, because of the sinister reality of the nonwhite anti white world I have longed to die, to be delivered from this absolute horror, that is, of course, their comedy. I am 38, soon to be 39 now. And the idea of a truly, pure White, non-Jewish, non-hybrid, world, is sufficient enough to make me long to verily be alive and to live. And yet, the science of the truth, much like the art of the truth, and the truth itself, is not beholden to life or death. I would much rather be free for one day, then die, than be a slave for an entire lifetime and exist in a cruel world that codifies the worst evil as the highest virtue, whilst paying lip service to legitimate moral excellence which they subvert at every interval and each junction, which our enemies root and breed out, wherever it is found. Do I give my enemies too much credit? But the damn world is theirs! And what is mine? A one and only true love I cannot reciprocate, receive, or know? A faith that is too exhausted to pray? Were I asleep and not awake. Were I mad and not sane. Were I stupid and not a genius. Were I ugly and not beautiful. Were I cruel and not kind. Would then I be at heartsease?

The Jew and the black are invincibly arrogant and insolent. They are not deterred in their perfidy and thuggery. In a world of Jewish blood money, and epidemic black crime, I am not free to make a choice as a free White man makes his choice in his own autonomous nation.

To whom shall I beseech? The Cosmos? The Universe? Creation? God? Avenge my folk.

Especially the women and children. Sort everything and everyone out. Permit me to travel to the wild-lands of long ago forbidden and stolen dreams. For at least in such a place I shall find reprieve from the evil anti-Christ, anti-white world, and the systemic genocide, it is perpetually

THE LAST LIGHT FROM THE DYING WORD OF A MORTALLY WOUNDED SOUL

Sometime, in a dilation of time, somewhere in the dark, dystopian, nightmarish future. There is a continuum of the pure brave heart. A faint flickering light emanates from the pitch blackness. Throwing off caution to the wind, the little flame dances against the darkness. Hope is retained in the face of impossible odds. An ancient, sacred, and romantic hope, that girds an invincible faith, that shields a love that is unbreakable.

When my will is broken, when my heart is shattered to pieces, when my body is deformed and disfigured from total spectrum dominance war age, and quiet weapon wounds, and my own damn sin, when my mind is torn, when I am prey to death, as I pray my last breath, my exclusive true love for her, what singular grain of salt it is worth, will remain forever. From at first sight, to last dying inhalation, I shall freely have no choice yet to love her. All alone and afar that I am, from any semblance of Godliness and manliness and loveliness. In the great beyond, if it is my freedom of choice, my exclusive true romantic love for her shall remain undying.

My literary, intellectual work is not for the faint of heart, the weak of mind, the ill of will, the cruel of nature, the

Snakes hissing in Church pews. Of course, not when the priest scolds his utterly liberal, at least quasi freemasonic, Synagogue of Satan congregation that "there is no religious or moral reason to not" get the so-called covid-19 clot shot. What a bald-faced lie! How about the possibility of the serum containing particulate matter from aborted fetuses, from the murdered unborn babies? Would that not be both a moral and religious reason for a Catholic Christian to abstain from consenting to get the shot? How about the fact that the injection has not been properly approved, and was pushed thru under the draconian edict of "emergency authorization use"? How about the no less than over 7,000 people who have died as a direct result of getting the injection, or even multiple injections, with that number probably missing a zero or two? How about the reports that this concoction is likely to be poisonous, containing gene-altering ingredients that actually harm the immune system, and could potentially do God knows what all else? How about the reports that this is part of a sinister agenda of depopulation on the part of the World Government, Schauwb, Gates, Rothschilds, Rockefellers, and so forth? What about natural immunity: if one already contracted the virus, one has no need whatsoever to take an experimental injection. What about the fact that the experimental injection does not prevent anyone from actually contracting the virus, and in more cases than not, actually infects those who have gotten the jab. What about our faith in the Lord Jesus Christ to protect us: is our belief so stagnant that we fail to comprehend the strength of God that He is able to protect us, even from biological weapons in the form of a virus that was deliberately unleashed upon the world? What about the fact that the entire mainstream media is pushing the exact same narrative, when the mainstream media has made an entire industry, and very lucrative careers,

out of repeatedly lying, obfuscating the truth, and inducing chronic fear and hysteria in the general population? What about the plain conscientious objections of ordinary individuals, who believe that it is their body, their choice? Are none of these aforementioned legitimate moral religious reasons to refuse to take the world order shot?

Ever had a snake inform you that it is it's world? Talk about an arrogant reptilian. Forgive me. Perhaps the man lost too much when an invisible reptilian alien feasted on his brain while he was awake and aware. A terrifying ordeal that. Not being able to do anything but be terrified, not being able to feel anything but sheer terror, not being able to be anything but a catatonic coward. I, the pauper, reside in a mansion of my regrets. The alien snake is here---it's hissing comprising all the animation of my hearing, it's slithering around suffocating my entire being---eating my brain. I am not dreaming or hallucinating. I am not imaging this or making it up. I am not vicariously recalling vivid scenes from a horror movie. This is really happening. I am sitting here...No, I never lived in my mother's basement. The tradition and family haters have really outdone themselves this time. Although I did live in her car for some three years, on and off, as a homeless man. Out of the kindness of her heart, out of her unconditional love for me, she saved me more times than I can count, in more ways than I can recall. Incidentally, my mother informed me that the most brilliant, yet far more importantly, the kindest, man she ever met, keeping in mind she worked for over 50 years of her life, as a nurse, taking care of people, was a White man. The man was in the hospital for something or other, and my mother was his nurse for a brief time. If I remember correctly, he was a judge or politician, perhaps that patriotic, nationalist, sort, who appear to be a sparse minority in the anti-Christ, anti-White post World War II hybrid communist-fascist capitalist Jewish-Masonic-multiracial liberal alien world order. At any rate, he was in a sort of high position of importance and leadership. At 38, my memory is not what it used to be.

Middle age aside, the memory wipes have really done a number on me. Do not ask me how they do it. Remotely, invisibly, covertly, surreptitiously.

The communists, and by further extension, that is to say, the Jews, the anti-Whites, won World War II. And all nonwhites benefited, and continue to benefit. That death-bath is the gift that never stops giving to the Jews and all non-whites. The Jews, and their all-lies allies, perpetrated the real holocaust, that is a “burnt offering”, against the Germans, Italians, and other White European nations, tribes, and ethnicities, through their aerial terror bombing campaigns. Hamburg, Dresden, Kassel, and countless other German cities, towns, and hamlets, with entire populations of women, children, elderly, the infirm, and even prisoners of war, were obliterated in infernos, or fire-storms, by the supremacy of evil that the Synagogue of Satan Jews Churchill and Roosevelt, the U.S.-U.K.-Soviet Union embraced. Scorched earth might by one technical term used to describe this cowardly, dishonorable, and terrorist method of waging total modern-post-modern war against civilians, against women and children, against the elderly and infirm. They bombed entire cities and towns, so that thousands, tens of thousands, hundreds of thousands, millions all told, the purest White Europeans, were engulfed in storms of infernos from hell, that burned everything and everyone to ash and dust. All the victims were White. Men, women, children, the elderly, the sick, the disabled. And what did the Jews gain from ritually sacrificing an entire generation of our racial folks in the worst atrocities and crimes against mankind ever perpetrated in the history of the earth? The whole damnable, and increasingly irredeemable, world. And what did the Jews obtain from bringing about a mixed bastard race of hybrids, by raping an entire generation of our White sisters, preventing them from bringing to good fruition a generation of our racial kin, (our forbears) and violently forcing them to bring about an entire generation of nonwhite hybrid-mutant offspring? The whole damnable, and increasingly dystopian

material future.

Black lives matter? In my humble opinion, and to me, the life of one dead faithful, patriotic Christian nationalist White man, matters, and means, infinitely more, than the entirety of all blacks that ever existed. And I say that knowing next to nothing about him. I do know that BLM is a terrorist organization like antifa, both of which are constructs of the Jews and their complacent, complicit, accomplice white liberal allies, who apparently, hate God, and hate America, and hate Americans as much their cybernetic-machine-matrix imperial alien-hybrid-A.I. infused and coagulated overlords and compartmentalized counterparts, all under the guise of a superior "love", arbitrarily defined, that tyrannizes all original creativity, and that arrogantly subjugates all individual souls and men of good will, truth, and light. Does that make me evil incarnate? I suppose the theory of relativism, and the despotism of the same, I suppose the politically "correct" and the socially unimpeachable would decry such statements as hate speech and thought crime. Here is an empirical scientific statement. White antisemitism and racism, that is, disdain for Jews and blacks as distinct races, on the whole, generally speaking, which does not imply murderous violence or the threat of the same against anyone, is brought about as a result of Jewish supremacy and actions, and black supremacy and actions, including systemic racism and murderous violence against the remnant White race, including the disproportionate murderous violence, and yes, genocide and ethnic cleansing, perpetrated against the same.

Back to my brain being eaten by an invisible and telepathic snake-like alien. I am sitting here, in my mother's car, behind the driver's wheel, and this evil thing, this alien threat, is literally cannibalizing my brain. I cannot see the monster. Yet I feel it. I feel it breathing down my neck, if breath it had. I feel its presence, molesting my very soul, and worse. It is eating my brain, I feel that too. I even hear it. The sounds of gesticulation that emanate from the space above me, from the dimension(s) about and around me, that

it has occupied and colonized faster than the speed of light. How does such darkness move faster than the speed of light? It possesses me, in a way that a husband never possesses his wife. In a way an unborn infant never possesses his mother. In a way that a demon never possesses the body and mind of an immortal soul in the body of a mortal man. In a way that conservative republicans never possess a winning strategy; at least not for us White folks. By cannibalizing my brain, it is as if it has become one with me. It has merged with me, only I am not it, and I am nothing like it, never was, never could be. Nevertheless, it has taken a part of me. It has taken parts of me. It has murdered a part of me. It has murdered parts of me. And God is my only witness. But, most everyone cares not for God, let alone to believe Him. And yet, still, what are the minority of the minority of the minority of folks to do? Folks, who themselves are not free, though they might offer up mock jingoistic platitudes of freedom, like so much hot air in a balloon, like so much smoke from a bond-fire or moonbeam-laced cigarette.

I suppose I brought it on myself. I invited evil in the door that was left open thru my mortal sinning. Yet the immovable adage, and indeed Golden Rule, that "two wrongs do not make a right" is usurped by many, if not most, so-called Catholics and Christians. What is more insidiously worse: in their strong delusion, when everything is wrong, everything is all right, so long as the money supply and demand keeps flowing. No, everything is all wrong. They love the sound of their snake-inflected voice, far above and beyond that of the Real Presence of our Lord Jesus Christ. God forbid there should be silence in the Church! That would be offensive to the liberals. The very possibility that one might find spiritual communion with God, might know a scant semblance of temporal peace and reprieve from the worldly satanic kingdom is anathema to their Antichrist proclivities. Apparently, however, they are not at all offended by homosexuality, and the homosexual mafia, nor by child abuse, child molestation, child sexual assault, nor by the evil

of world-wide systemic paedophilia. In those regards, they are virtually indistinguishable from Jewish Hollywood, Jewish Washington D.C., the Jewish Stock Exchange in Jewish New York, Jewish London, or Jewish Ukraine.

The toxic and deadly environment I am forced to endure in is not at all conducive to bringing out the best in me, in inspiring me to moral greatness, in encouraging me to maximal virtue, in helping me to reach the summit of goodness, righteousness, holiness. No, not at all. Quite the contrary, and in fact, the whole damnable synagogue of Satan anti-White world is most interested in ruining, destroying, corrupting, eroding, molesting, ensnaring, debasing, degenerating, poisoning, any vestige of freedom, truth, beauty, honor, love, justice, integrity, morality, and tradition. The counterfeit adorns, and adores, itself in the wardrobe of the original masterpiece. It then cloaks itself behind a two-way mirror, ever watching its target, ever conspiring against its prey. Ever stealing the poor souls, the poor mans energy, and then spending it as an occult currency in the breakaway civilization, in the outer dimensional empire, in the technologically super-advanced subterranean metropolises, in the dark, deep imperial state. And yet the victim, a forcibly isolated, a continuously intercepted and arrested and targeted, and stalked, and harassed and manipulated individual, is, well even if he were not unsuspecting, he is held in captivity, behind enemy lines, vulnerable to the plots and schemes of the entire world pitted and mitigated against him.

But I am the only one to blame. I have not been diagnosed by the Jewish "mental health" industry, the Jewish "psychology" industry. Or have I? I am not on pharmaceutical witchcraft Jew pills. If only I were, all would be right. With me, with the rotten world. I have not agreed to the Jew jab, to the Jew injection, to the tyrannical Jew medical procedure, to the Jew MRNA, genetic altering, immune destroying, clot shot that the Jew media falsely calls a "vaccine"; i if only I would submit, all would be right. With me, and with the whole rotten world. It's all my fault though.

It was my choice, all along. Without exception. No such thing as extenuating circumstances, much in the same way there's no such things as viruses. What a foolish notion, is it not?!

But there are no such things as coincidences. Yet, still, all the blame is on me, my shame is either a permanent mortal wound or a permanent ugly scar, depending on the level of my emotional intelligence on any given day or any taken accursed night. I am, after-all the worst sinner. And yet the Janissary dares lecture me, dares preach to me, dares to condescendingly reach for, and point at, the speck in my induced and inculcated pop-eye eye, when all choices are predicated upon, are dependent on, usurious money and the perfidious system thereof, and the snakes and goats and ogres and gargoyles, and minion loving mutated devils who own and rule all? Everyone knows the Synagogue of Satan owns all the money. Therefore, all choices are made within the reality of slavery. Every choice the neo-Janissaries make, even though they have been vetted and initiated into the party establishment and inner sanctum(s) thereof, is that of one who, quite wrongly, and very poorly, equates money with freedom. I suppose then that love is measured in terms of dollars spent. The very notion of bringing children into the world is primarily a financial one. Secondarily, if ever at all, love factors in. And only then, within the parameters of what is politically permissible, socially acceptable, culturally expedient, and religiously endurable. For non-white races it is different. Because they receive government money, or rather, money that the government has taken from the citizen workers, for every kid they have. The more offspring they have, the more money, that is someone else's money, they are given, especially by Whites who are denied to produce children. This form of "legalized" genocide is, once again, the summit of evil, and yet it is the black heart of the mountain that is the world empire. The birth rate of the White race is so low, it is below replacement levels. What is the miscarriage rate of White women? Is it astronomically higher than all

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

other races combined?

It is true, that in this cruel, increasingly dark, tyrannically dystopian world, the more money you possess, no matter how you came into possession of it, the more choices are available to you. And the more choices are available to you, the more respect, or at least recognition, you command. No matter that an entire generation was snuffed out of existence during your grandfather's generation. And no matter that another entire generation was raped into existence during your grandmother's generation. No matter that the gentler sex of your generation, to an extreme extent and staggering degree, have been turned, tricked, pimped, and trafficked out, into knowingly and contentedly becoming and being, sex slaves for racial aliens, which happen to be the majority, which happens to be inferior by every measurement and by each metric to the master race. The only area(s) of superiority they achieve and are the uncontested champions of, is evil, predation, criminality, corruption, and psychopathy. So long as material affluence retains its obesity, obscenity, and ugliness, the general population sucks on the pacifier of delusion and is contented.

As early as the 1960s, young, beautiful White girls and women were used as sex slaves at the high flaunting Washington D.C. embassy parties. The nightlife consisted of White women servicing the sexual appetites of foreign, stranger, and alien dignitaries, diplomats, ambassadors, politicians, and so forth. By deliberate, intelligent, and insidious design, the so-called "free love" sexual revolution coincided precisely with the epidemic of drug use and the forced desegregation, the forced race mixing of the anti-White world empire. The so-called "civil rights movement" was nothing more than a Jewish-black communist revolution to destroy America. And yet, as early as the late 1800s and early 1900s there were countless numbers of White girls and White women who were sex slaves of Negroes and Jews in all the major cities of America. The so-called "Red Light District". We must keep in mind that that was the time when

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

all major American cities, including San Francisco, Chicago, and New York, were predominantly White, with populations over 90% White. While everything has changed since then, nothing has gotten better since then. In fact, the progression of evil has become unbearably worse. Most American cities now are predominately nonwhite and anti-White. Crime is at all-time highs. If one walks through Manhattan, immediately one detects the unmistakable indication of epidemic sexual slavery in plain sight, the aura that stinks to high heaven, emanating from all of the mostly young, beautiful White girls and women, walking to and fro, pulling a suitcase of luggage behind them. America, the land of the free to be slaves, and hone of the terrified, subjugated, remnant White race.

Sexual slavery is a very lucrative racket for the so-called powers and principalities that be. Like veritable witchcraft, it is so mainstream it is considered unworthy of even bearing mention, it so commercial that all the banks, which are all conglomerated anyway, are involved, and it is so normalized that it is literally part and parcel to the infrastructure of the dominant culture—in other words, sexual slavery, especially that of White girls and White women, is virtually indistinguishable from the dominant culture. In fact, witchcraft (satanic feminine) and warlockery (satanic masculine), although aufond androgynous, is inextinguishable from Hollywood, the Tech Giants, satanic social media, the dominant mainstream world culture writ large, and child and women sex trafficking and slavery. The satanic corporate world government of course sponsors it all, and is complicit in this tentacle of the octopus of world organized crime and criminal enterprise at the highest levels of the echelons of pyramidal hierarchical draconian power. The enslavement (and by extension absolute destruction) of mankind, particularly the sexual slavery of women and children, is directly and indirectly, covertly and overtly, connected with the organized criminal accumulated industries of abductions, pedophilia, war, weapons trafficking, drugs trafficking, money laundering, Big Pharmaceutical, Big Medicine, Big

Technology, Big "Defense", Big Military & Intelligence & Spying, Big Energy, Big Banks, Big Government, Big Education, Big 501c3 including the Catholic and Protestant Churches (and the homosexual and pedophilia, the child sexual abuse, molestation, and assault that is clear and present with such a regularity as to be systemic), all conglomerated and interconnected.

Everything from the decision to produce children to the murdering of unborn babies, and the push to murder babies after they are born, to the selling and buying of children for the purpose of satanic ritual abuse, sexual slavery, and blood sacrifice, with attendant absolute evils of cannibalization and vampirism, is asseverated to the stimulus of the form and function of money (fiat debt), currency (slavery), usurious financial markets (blackmail/threats), speculations (theft, including stolen futures under the guise of "choice" on the part of the victim, I.e., the victim signed a contract, or took an oath, notwithstanding, that even if that is the case, the victim was under extreme duress, sever stress, mind control, behavior manipulation, was operating on poor or false information, if not outright lies or deception, such "agreements" are not valid to begin with), and the monetary system thereof (death).

The real cryptocurrency is what happens in the so-called deep state, or breakaway civilization, or illuminati one world order. For instance, when we, as unto-death debt-slave consumers, make a purchase, when we buy an item, everything is tracked and recorded, whose to say that there is not another point of sale, or another crypto transaction that is occurring, in our name, without our knowledge or consent behind the scenes? Such shady deals are happening all of the time. In fact, gambling, which is criminal as well as everything else about the anti-Christ, anti-Light, anti-Life, world order, involves speculating on the future decision of persons, individuals, or outcomes involving them, such as an event, for instance, the break-up of a marriage, a teenager dropping out of high school, a man being mobbed out of the

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG

workplace and loosing his job, a woman being driven to homelessness and destitution, and so forth. A fight is typically what comes to mind, in terms of organized criminal gambling, yet, the entire Jewish world economic model and system, is essentially one big casino run by gangsters and thugs, where there is an entire criminal class, an entire criminal caste, and entire criminal element, that produces nothing, that does not work at all, that generates money and wealth by gambling on the fortunes, in most cases, the induced and inculcated misfortunes, of the downtrodden misanthropes. Fixed fights are bad enough, sold as a form of entertainment, and then the racket of betting on the fixed fight, with the insiders of course knowing who will win and loose, as both are paid off and follow the script.

Wall Street stock bonds and life insurance policies are taken out on us, and there could be an entire black market having to do with our birth certificate and social security number. And all of this ties in with crypto currency, which there is no paper trail or forensic evidence of, except what is seen or controlled by those that run, own, and manage the matrix and its various operations and systems and programs, as well all digital ID's and so-called social credit scores which apparently are already in effect, although unbeknownst to us. Much in the same way that debt, for instance medical debt, is sold to other parties, or companies, even front or shell corporations, and this goes to collections, which then are given the reigns of the targeting program of the individual, almost like the reins of a horse to ride. The level of maximum evil is unbelievable. The individual is passed from collective hive to collective hive, from group to group, to be repeatedly ganged raped, molested, fleeced, experimented on, tortured, persecuted, gas-lighted, mobbed, harassed, spied upon, forcibly isolated, framed, farmed, harvested and otherwise genocided. This buying and selling, this supply and demand NSA/CIA/FBI/DOD fusion center(s) etc., et. AL deep-state in full diabolic force and effect and action. The dupes who push crypto-currencies are conformists who are

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

in the establishment of the system, and push the agenda of the same. To a lesser extent, those who push gold, as a commodity, are in themselves a piece of work, in that gold is literally, practically useless, in terms of food or supplies needed to live. Like everything else, you have to have money in order to “invest” in gold, and even then, since the Jews own all the gold of the world, you are basically investing in the Jewish world order, because be it gold, paper money, or digital crypto-currency, it all buys and sells within Satan’s anti-Christ, anti-White one world order.

The language is coded and encoded. Hence, if on were to enter a fast food commercial restaurant franchise and make a purchase, one is also triggering some event behind the scenes. Something else is being bought, or done, because the menu itself, every item thereof is code or a code for something else entirely. Which yes, would be an alternate reality which ties in with the D.U.M.B.s, or deep underground military bases, or even off world colonies run by the Draco-Reptilian aliens. It is common knowledge that military bases are essentially city-states themselves. The subterranean metropolises have extremely advanced technologies, perhaps 10, 20, or upwards of 50-100 years, if not beyond, what is available or imaginable to us outside of anti-White Jew Hollywood predictive programming movies that showcase on full display advanced technologies that are in existence and weaponized and used against us. These technologies and devices will never be available to us, for they are exclusive to the conformists to world order, to the establishment types, to the hive-mind collectivists, to the multi-racial imperial cogs and anti-White nodes who are activated, on demand, on command, prompted to think, say, and do, anything they are told to, obediently and without question. This includes everything from bugging children, to wife swapping, to selling their own children, to injecting people with detrimental and lethal biological weapons and DNA destroying technologies under the guise of preventing them from contracting a deliberately unleashed biological weapon

virus, to perpetrating crimes against innocent individuals who are targeted by the world system that seeks to dominate and destroy every aspect of natural, organic, and inalienable existence and every element of life thereof.

It is sickening and outrageous. And we are, for all intents and purposes, entirely illiterate as regards their maximum psychopathy, their maximum criminality, their maximal evil. Yet so many, in the controlled opposition "truth movement" so-called, spend exorbitant amounts of time and energy letting us know how irrevocably stupid we are, and how we know absolutely nothing. Such talking heads, such pundits and shills, remind me of listening to black criminal thug gangster rap weaponized noise. It is offensive to listen to, as in, it literally does nothing but offend. So we tune such nonsense off. Regarding many, if not most of those with a platform, with a voice, with the ability to speak to a wide audience, it is unfortunate, because while some of the information is good, the tone, or frequency, if you will, especially the tendency to exhibit a nasty attitude, internalizing the demonic spirit of the satanic dominant culture and age, maybe gets lost in translation. The best teachers build up their students, encourage them, and help them think critically for themselves. They do not hammer their students or audience over the heads constantly ridiculing them about how "stupid" and "lost" they are, whilst stroking their own egos and declaring how enlightened and smart they are. It is amazing, the pattern recognition that parallels criminal black thug rappers, with that of many supposed White nationalist truthers, at least in terms of the effect that it makes for little more than being offended whilst listening. I understand frustration. And I probably am guilty of acting out in ways that are displeasing to most if not everyone else. Yet I think it is another indication as to how reduced, how beaten down we are, how we have been so corrupted as to internalize the attitudes, mentalities, and spirits of the enemies of our souls and salvation, albeit, we are expressing the truth from our unique perspective of

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

having been lied to and victimized our entire lives.

Most of these controlled opposition types, are literally paid to be on the internet all the time and "generate content". Little wonder then, that they are the matrix's many varied programs, yet they all seem to be infected by the same hostility towards any hint at any deviation from their extremely dogmatic and seemingly exclusively reactionary position. This is unhealthy and unhelpful. And that is why I tune these people out. I simply cannot listen to them, any more than I could listen to black criminal thug gangster rap.

The Judaic-Freemasonic criminal "legal" system and its "lawfare" against us, holds secret tribunals, exacts punitive measures against us, and otherwise exercises their tyrannical, draconian, and illegitimate power and authority over us. Liars and murderers have no jurisdiction over us, the power and authority of liars and murderers is illegitimate, notwithstanding that the position of power they illegally, criminally, unlawfully, and evilly occupy, might themselves be legitimate positions, that have nonetheless been co-opted and hijacked to suit their own devilish agendas.

The more money one has at his command, the more choices he is able to make. The more choices he is able to make, the more control he has, at least in the material sense, over himself, and over others. This is true, and yet, it does not at all follow that the more choices you are capable of making, the more freedom you have. Nor does it follow that the more people you are able to control the more freedom you have. Freedom is not like a pick-up truck, or a family, or the choice to have taco Tuesday dinner. You could have, or be possessed of, all those things and be a slave, and be not free. Freedom is not like getting a mob to do as you command, even acting as criminals in the higher interest of organized internationalist criminal security.

Freedom is, or was, a way of life, the way of life, that is all but lost and forbidden to us, that has been driven to extinction and oblivion, like so many birds of the air, like so many animals of the land, like so many creatures of the sea.

Now, freedom has been reduced to the hollowed idea of our ancestors, the sacred ideal of our fore-bearers, and the imposed and corrupted definition of our present enemies as dictated by them, to us, in mocking tones and humiliating overtures. My soul has been besieged since I can and may remember. So yes, I good God damn any and all who say that the choice, whatever the hell that is supposed to mean to them and their collectivized impositions, is mine and mine alone. Various factors, pertaining to genetics, parentage, environment, society, culture, government, corporation, money, personal will and effort, and extenuating circumstances, inevitably result in weighing in and on, any and every choice we make or think to make, with the severity and gravity of influence A severity and a gravity that is, in many regards, well beyond our control, our reasoning, and our understanding.

Being made to feel unwelcome can really hurt. In point of truth, it can hurt more than being physically hurt. Of course, like most serious, and quite life threatening wounds, it is invisible. The perfect crime. Gives them plausible deniability, or at least the veneer thereof. I know, I know, I am not a doctor, so according to the logical, or illogical, according to the rational, or irrational, minds, or lunatics, depending on your perspective in the duality, which might actually be a mult-ality, that we, by some other intelligent design, though not by our unadulterated, unmolested, verily free will personal choice, reside in, at least in certain regards, I have no right, no business commenting whatsoever on health or medicine or procedures or what have you. I'm no PhD. But I supposed men and women who do not have children should not be leading a classroom. Unless and until they have children, they must choose another vocation. I suppose those of us who are not police officers should not follow the law, because after all, we are charged with knowing nothing of it, even insofar as the Law is written on, and in, our hearts. Fair is only fair.

Isn't that so convenient for the experts, not to have to

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

compete with their victims or easy marks? Why, if people knew a thing or two about some of the things they actually needed, and most of the things they never needed, I suppose a good many politicians, lawyers, and doctors would be smarting where their treasure is. In many respects, I do not doubt, for an instance, that their money, ill-gotten as it is, or not, is a whole magnitude smarter than they are. I jest, because I am an odd fellow who has an insatiable appetite to express myself, not because I love the sound of my own voice. I hate the sound of my own voice. Believe me, I should know, I have recorded hours on end of nothing but the sound of my own voice and have hated every second listening to the playbacks. Really, why is it we peons, we proletarians, we wage slaves, we working class poor, now there's a meal on a diner menu worth writing home about, we the invisible's, the voiceless-es, we losers, are taxed through our rotten teeth, are compelled to get a permit, or permission, to do anything and everything, all while being...ever hear of mountain top removal?

That's what's happening to us. Like the mountains of Appalachian West Virginia, we are being mined out, like we got coal or something in our minds, in our soul, in our life-force, in our spirit-essence, and we are being strip-mined, until everything in us is exhausted, used and spent up, and were left as a former shell of who we once were, or of who we once had the potential to be. But that potential, or I should very well say, those potentials were revoked. By our enemies. By traitors in our midst, who were supposed to be our friends. Our family. Our folk. So like those majestic mountains, strip-mined, and left looking like a dilapidated and lopsided dirt cake tower of babel, we are nothing but a natural resource for those who have all the money to take from and deplete until there is nothing left, so that everyone else, can use whatever energy it is that the thieving bastards are stealing from us. Make sense? I guess they figure we ain't using the energy anyway, or if in we was, we just a wasting all that there energy, or we do not know the first thing about

what we is doing. We prolly do not even know we got energy, and stores of it to boot! Why don't them there, allergic to oversight and prone to murder, never met a traitor they didn't like, alphabet soup agencies, and those there evil public-private, hybrid mega-corporations, and nasty democratic, liberal, communistic goat-snake, "gender-neutral" let's perpetually rape nature and call it "progress" world government(s) INC., simply take all our energy from us? We are nothing but a battery for them to deplete, a charge of energy for them to use and waste, whilst they do nothing but criminally batter us. What an amazing concept! How those who came up with such a scheme, with such a scientific criminal conspiracy, must make the enlightenment giants look like wimpy poopy-butt kids. Simply intercept our signals, our intelligence, divert and reroute the same, simply siphon off from us, our life-force, our inalienable essence, our creative flow, our one in infinity signature and frequency. That way, the economy will be booming! Not to mention that some pop-star with fake lips, a fake nose, and fake boobs, whose accumulative talent adds up to, her daddy married a Joo, can auto-tune digital sync-sing another raucous track, that everybody criminally calls a song and music, meant to aid and abet the tricking out of 11 year old White girls, and ingratiate literal witches that are so evil, they might well be burned at the stake. Of course we would have to invent and build a time machine first, and then take the witches back to, oh, I dunno, roughly 500 years ago. Our people were not exactly sticklers for politically "correct" euphemisms by political criminals and crooks in ages long past and hardly remembered by even the most adroit professional historians. In fact, in many respects, in this cybernetic synagogue of Satan digital age, a witch-hunt is immeasurably more legitimate than a deer hunt.

"Little Jonny, what do you want to be when you grow up?"

"Well Mother, I have been thinking an awful lot about it, and of course praying to our Lord Jesus Christ And I have

decided. I want to be a witch hunter!"

"Oh, blessed be my precious child! Son, someday, you will make a fine witch-hunter, You will help rid us of these foul devils. Oh, blessed be God forever."

Oh, and by the way, I good God damn anyone who falsely claims that I am not coherent. People asked, was America ever really great? Yeah, America really was great When it was nearly virtually exclusively homogeneously all White. And knew what the hell that meant For one, historically speaking, it meant that America was nearly, universally, well, Christian.

Full disclosure. I am a loser. In the arena of Joo-monopolized science, I am dead on arrival. In the region of Joo-dominated media and culture, I'm on the fringe of the fringe of the fringe. In the Joo world of Joo comedy. Again, I fall flat-line on my face. Well, okay, I guess I mean I am a Jooser. Let me explain. And by the way, if you are a woman and you are reading this, knock it off. Get back in the kitchen and make your husband, who was not, is not, and never will be your literal, actual soul-mate, ya know, the guy's rib that God like, totally, literally made you from, the fella you should be with, but as bad joy luck club would have, you're not, a nice warm winter chicken, hold the bacon, stew or something. Besides, don't you have laundry to do? Shouldn't you be knitting your children's socks or sewing them their new dress shirts? Anyway, let me explain.

I'm a Jooser, because, get this, the Joos own the media. As a matter of fact, the Joos own everything. Can I get a hail Hitler? No? Too soon? What, was it something I said? Or, wrote, rather? What if he was the kind of guy you could have a beer with? Huh? Hitler I mean. Sure, write em' off cause the Joos committed a holocaust against White Europe and aerial bombarded tens of thousands, hundreds of thousands, millions of non-Jew, non-mixed hybrid White folks, in a holocaust, that is, in a burnt offering, in fact, tons and tons of burnt offerings, to their father the devil, and then declared that the roughly 300,000 that they lost, and a lot of them

because of their own damn bombing, equal six million, and they were murdered by the evil Germans, and the Jews are the perpetual victims that never do no wrong. And now, of course the blacks have taken the same page from the Jew playbook, and they are the perpetual victims too, second only to the Jews, and they can do no wrong.

The Germans were so intelligent and efficient. Why would they murder an interned workforce during a world war when they were fighting for not only their very survival, not only the very survival of Germany and the German folk, not only the very survival of all of Europe, all of White Europe, not Jewish owned and controlled Europe, but the very survival of the White race? They would need all the labor productivity they could manage. It makes no sense to me. But then again, it does not have to make sense. I have not been vetted in the university system. I don't have a degree in history. It is rather shrill how Jews and apologists for the same, will attack anyone with a dissenting opinion, or voice, by screaming:

“WHERE DID YOU GET YOUR DOCTORATE IN HISTORY!?”

Insinuating that anyone who hasn't been vetted by the Jews, anyone who is not on the same side, on the same page as the Jews, doesn't know anything about history whatsoever. In fact, these people, who are quite foolish actually, not to mention bullies, seem to actually believe, that unless the Jews say so, you can know nothing. You only know as much as the Jews dictate that you know. About history. About acting. About politics. About religion. About psychology. It is amazing, they really do have it all down to an insidious science.

It makes no sense to me. Much in the same way it makes no sense that White Southerners would leave everything behind, their homes, their wives and families, to campaign hard for over three years, risking their lives in every bloody and costly battle, only to finally die in combat against the invading Yankees, so that a few Southern gentlemen could

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

retain their darkie slaves and cotton plantations. Most White southerners were not slave owners, they were not rich. They were rural and hard working Whites who provided everything for themselves and their families by the effort of their own labor and the sweat of their brow. Most White men, poor or not, are very resourceful, and are jacks of-all trades. They are very versatile in both manual and skilled labor, and in more technical and artistic endeavors as well. What real White man, in his right White mind, and right White heart, would agree to have a bunch of darkies all on and around his property and home, and even in his home, around his family and even among his wife and children? And leave for three years or more, figuring that his wife and children are left in good hands? It makes no sense. That was their pursuit of happiness? Really? To bring a whole bunch of negros from the dark continent of Africa over here, against their will, and whip them to grow cotton, the supposed staple crop of the agrarian South?

White men are very freedom oriented. What noble tribe, or even offshoot of the great White race, could honestly live with themselves, let alone their families, whilst depriving their own freedoms by enslaving an alien race and forcing them to reside around and among their own? White men would rather grow their own food, than be violent against blacks and force them to grow it for them. If Whites spent half the time that Jews propagandized them in their cinema actually working their own land, and letting their own kind work their own land, instead of spending the time, effort, and energy whipping and cuddling negros and forcing them to do the work, the South would have no need, let alone desire, for negro slave labor. In fact, the exact opposite appears to be the truth. It would be Jews, blacks, or snake-like liberal whites who would violently force Whites, and any others they owned, taken from all over the world, were the roles verily inverted, to grow food and do all the labor required for both an agrarian and an industrial economy.

But Hitler, he's the bad guy. Anyway, the Joos own

everything, and hence, the dominant culture of the world is infused with Joodens of all stripes, colors, and walks of lies and murder and death. So, I am unfortunately, a messed up, that is, defective, product of, not my, but their, toxic environment. Jooish supremacy is a real menace, and it's influence, like its hypocrisy, and double-standards, knows no bounds. Therefore, my mind, is not only like a sieve, to borrow a phrase coined by my beloved mother, may God rest her soul, yet the well has also been poisoned because of Jooish influence and Jooish dominant world culture. So, I am a Jooser. Not by choice. I have heard from certain White nationalist circles, that with Joos you inevitably loose. My far death experiences have made me a firm believer that this is the case. If I am wrong, I hereby and herein give God permission to strike me down.

In the troubled, occupied, restricted, colonized, mind of a miserable, agonized, tormented soul.

I am only smart enough to know how stupid I am.

And the dumbing down is intentional. I can prove that in a legitimate court of law. Although I may not, because they, will never allow me my day in court. In fact, I can prove a lot of things. Beyond any reasonable doubt. Rote learning, standardized testing, compulsory schooling writ large, is a big part of it. Deliberately they arrested my development, for years. If you are asking, who are they?, you might just be a member of their horrific club. When I was at my youngest, most vulnerable, and most impressionable age, for six hours a day, five days a week, for 12 years, I was made to sit at a desk in a school, and think, say, and do what I was told. Everything in the curriculum was put in front of me, pointed out, and I was made to do the work. Compulsory schooling was not a choice. The history might be a fascinating study. Violent resistance to the highly centralized Northern abolitionist federal government and their forced schooling. And later, of course, their forced race-integration and mixing. And suddenly, as if a magic wand struck the air and a few enchanting phrases conjured thru the ether, the lad turned 18.

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

And then, as if free from a spell, he was an adult, and thus, every choice was his and his alone. And he owned every consequence like a cactus owns the desert air. Or he went into debt with every new consequence because of the choices he made. Full disclaimer. I am not saying I have ever before, or will ever abrogate my own, individual, personal responsibility. Obviously, that would be wrong, and quite psychotic. However, nothing comes out of a vacuum. I am the first to admit that I am the worst sinner. Yet, I am well aware that nasty enemies lurk, whose sole point of existence appears to be the perfect bane of my wretched existence. There is a difference between a man who is truly free and makes his choices accordingly, and a man who is a slave and makes his choices accordingly. The distinction must be made.

Nothing is right, everything is all wrong. That is an observable and experiential fact. I do not subscribe to negativity, as though it were a streaming service. I am inundated with a seemingly invincible grief. How many alter egos or split personalities are comprised of me, or I of them, in order to maintain the appearance of sanity and a semblance of balance? Survival instinct? Nay. Tis' a grim process of merely surviving through the vicious cycle of traumatization, and ongoing induced stress and various inculcated disorders, and the alternating consumption thereof. Nonlinear I write, in a way to right, some countless regrets, albeit only in a theory that will never be proven or acceptable. My consciousness fondly remembers a miniature dachshund, quite literally, as my best friend for years. I really, verily tried to try, And what did I do Loser that I am? Through my negligence, tried to kill her twice. And the third time, in delaying to refill the prescriptions of the heart medication that she needed to stay alive, did her in. She was roughly three months shy of her 14th birthday. She would have lived longer. Much longer, were it not for me, for my negligence, for my mortal sin, which has made me so deathly ugly, I am beginning to have some serious doubts as to whether, before long, God will even recognize me anymore. If I had the

choice, Ruby would have lived lovingly and contently years longer. She was innocent, and had a pure heart and the sweetest nature. She literally could do, and did not wrong. Her heart was too big. In a manner of speaking, she died because her heart was too big.

I am sorry for everything. For everything else, thank you.

Everything is all wrong, nothing is right. The game of charades of lies that supposedly is played to prevent the feelings of special persons, or however such are designated, from being hurt, well now, that just further indicates how fake the dominant culture is, and the falseness of the inter-extra-multi-anti-national system of the same. That is not my delusional thinking or personal demon. Such is the way of the cruel, vile, wicked, and pompous world. Predicated as it is on mass murder and conglomerated webs of deceit. Generations snuffed out of existence, mountains of death, the legacy of the victors. The industry, or the genre, of history, is a one-sided story told by tellers whose ill gotten fortunes were thieved from our ancestors. Our future was stolen before we were born. Generations brought forth to fruition. by systemic rape and mass pogroms of forced breeding. Is that hyperbolic to the para-initiated establishmentarians? Too dramatic a statement for the fashionably and technologically correct?

Forcibly alone and socially isolated. For years. I would not recommend it. The decline in mental health, in cognitive function, is induced, it is purposefully brought about by the organized criminal conspirators. They have made entire industries and sciences out of torture, persecution, and ruination. Driving an individual person mad. They have it all down to a highly specialized and advanced science. I am not against science. I am against the Joo monopoly on science. And medicine, and technology for that matter. The restriction to accessing and utilizing my cerebral facility, and psychological faculty and mental function makes me a bit more than a little suspicious and paranoid. Gas-lighting is a particularly evil crime. There is a special chamber of hell for

those who gas-light. Outlawed, forbidden true soul-mated love at first sight, until last breath. 17 years ago last September. Stray from the path of true love and you might never find it again. I was lost, yet I did not care to know, and no one was searching for me. I was found, yet what and who I found, o could not of my own volition, power, or intellect, ever have remotely began to search for, yet then I ran away, because I am unworthy of the absolute brilliance and beauty contained with the emotions I never felt since that one moment with anyone else, and have never felt after running away. When you are lost, you ought not to run away from your current location You ought to shelter in place, and exercise the virtue of patience. I was weak and cowardly yet the conditions of the warfare waged against me were not ideal. A laughable observation. Not one meant to abrogate my own, personal, individual, responsibility, as a failure. A failure as a man. A total failure as a warrior. An absolute failure as a hero. An abysmal failure as a saint. They said not to take it personally. My own dearest beloved mother repeated that, their, line to me.

I took it, for I had no choice. And yet, to not take it personally, this number that has been done upon me, this mortal wounding, silent and invisible as it is, against my will, in the annals of a forever that is unreachable, untouchable, would be like to tell a fish to not let the oxygen bother you out of water. Plenty of fish in the sea, plenty of sharks too. Notice how they all tend to, well, stick with their own kind, for better or worse, sickness and in health, in life and in death. Or rather, plenty of piranhas in the sea. I used to be able to swim. When I still clung to childish things. Yet now, I would tread water until I was drowned, if it only meant one life was spared and one soul was saved. Is it asking too much if my fruit basket does not remain empty forever? Being devastated for years on end. It is all my fault. Must my shame be the strongest force to be reckoned with? Plenty of enemies to blame, the tempter and trickster the worst of all, and still, it is all my fault. And all I have to show for it is this

empty cavity in my chest, where my heart used to be. There is a cold, dead stone in its place. Now how in the Kingdom of Heaven did that get there? Frozen. Like part of me, in that moment. In the series of moments, during the interval of time, intermittently, and even erratically dispersed, over the course of six months, 12 months, 18 months. Yet who was counting. The breaths taken away at true love at first sight. The stolen glances, and the imagined lifetimes. And then. The sightings. Or rather, the hauntings. Few and far between. And then, the audible voice. Pure as the heart of a child who has not yet come of age. Followed by the terrifying screams. The cursing. And then, nothing. As if the whole rotten connivance, of the damndest thing, meant absolutely nothing. Was entirely far too much trouble, pain, hurt, and harm and was not worth infinitely more than the same.

No heart beat to speak of. Perhaps that might be something to write home about. Were i to be blessed with a home. Where art is my home? Why Oh God, did you create me and send me here? Why am I here? Curse the day I was born. Curse the moment my mother birthed me into this world. I hate this so-called life, the misery of which is fit for little else but the likes of a Greek tragedy. I do not belong anywhere. And yet I am stuck, trapped everywhere I am found to be, lost as I am.

It was a long, cold, wintry night. The silence was unusual for such a place. Normally the one world order of civilization would be bustling at all hours. Never sleeping. Always consuming, with a hunger never satisfied. Yet perspective, individual, personal, whilst not everything, certainly contained the power to put a damper on the all-devouring, technologically dictatorial, medically tyrannical, scientifically genocidal, and financially despotic, inter-extra dimensional, inter-extra solar, cybernetic machine- matrix world system that watched, controlled, and destroyed virtually every aspect of existence. The spirit and will of mankind was a force to be reckoned with, if only in a localized sense. Over-development was par for the course for the psycho-social-

pathic multiracial oligarchy. Planet earth, as the dwellers of artificial illumination called it, was, in more ways than one, in more ways than won, a prison, a concentration death camp. When is enough enough? The question never seemed to be asked by those rulers, oligarchs, technocrats, and controllers who owned the world and everyone and everything in it.

Yet, when Mother Nature proved impossible to ignore, control, or subvert, the cybernetic-machine matrix as it were, came to a halt. At least in some regions that was the case during particularly dreadful, and quite dangerous, weather phenomenon. Of course, man, if he could still be called that, however symbolically, possessed as he was with greed and the doctrines of devils, has sought, and to a large extent succeeded, in manipulating the weather, and even yielding it as a weapon against any creature he saw fit to target and attack. Such technological power had all but rendered mankind as a slave species at best, and as a genetically altered cyborg-like hybridized race at worse. The thought leaders, who themselves had no brains of their own, had no original thoughts, had no ability to conduct light or heavy thinking, lest of all the thinking that held the bond that separated man from alien and demon, dictated that if it can be imagined, it can be done. And anything that can be done, should, by the spoils of love, war, and life, be done. This of course meant that someone's dream come true was someone else's living nightmare. That someone's happiness was someone else's misery. That someone's pleasure was someone else's torturous pain. There was no equality in such a sinister reality. If the signals were not intercepted, if the frequency was not jammed, common sense would be telling us that there are a great many things that might be imagined, were we given over to a darker nature, that it is not morally right or ethically correct to even imagine, let alone bring about into material manifestation and physical action. Yet, such a code of conduct would demand an undeniable acknowledgement of absolute, and even cosmic and eternal, truths, instead of the authoritarianism of relativity that is the domineering trend of

the majority of the world and the various conglomerated, criminal, mobs thereof, predicated as their "brotherhood of the snake" world is, on mountains of corpses, whom prior to being systematically murdered, were generations of bodies and hearts of men, women, and children. animated by spirits made in the wondrous, marvelous, and beautiful image and likeness of God Almighty Himself, and the lies that snuffed out of existence even the flickering embers of the memories of their ghosts.

In fact, the idea of equality was a cruel and evil joke. The counterfeits and inversions of the (Grand) Father of all of Creation included utilizing the conjured and induced weather for the purpose of domination, the total surveillance and malicious influencing, and by extension corruption, of the otherwise good-willed folk. In a witches brew, in a vast melting pot, that merely attains to mimic the masterpiece of the best of civilized nations, all having been previously destroyed with their remnants taken into the behemoth that is the ruler and ruling cabal of the world, there is no real leadership, genuine community, authentic society, veritable fraternity, and Godly fellowship, nor is there even any real and true sense of the same. Insofar as there is bona fide belonging, not predicated on arbitrary conditions, such experiences, such moments, are fleeting, or even worse, staged theatrical productions, and provide just enough fragments to carry forth and onward into the labyrinth of the dark.

In the vile circus of clown world, and global sodomite man, where everything is scripted and programmed, where witchcraft-a crime of multitudinous crimes so evil, for it violated the innocence and molested children, the most vulnerable and impressionable of mankind, as a religious rite, economic currency, political world view, and social order, it was punishable by death for centuries in ages long past-has been made dominant mainstream and is embraced by the majority of the general population and the overseers and overlords thereof, everything is fake. Perhaps, not all the

time and not all at once. For Nature Herself, ever resilient, ever viable, is still, to a remarkable degree, a force to be reckoned with. Even more so, the Natural World contains limitless expressions of God, that man might, were he so inclined, spend days appreciating, and lifetimes trying to decipher. Yet, everything from falling snow, that will not melt in an extremely unseasonably warm winter even when a flame is held to it, to syndicated news on the conglomerated television networks, to an entire presidential election and the fraudulent administration thereof, to the dichotomy between two political parties that are essentially synthetically divided yet practically the same (two wings of the same monstrous pterodactyl-like bird), is, in short order, fake. The very notion that only two political, and thus economic, and thus social, parties are sufficient to encompass all the differences among the various races, ethnic tribes, and hybrids of the same, including the irreconcilable differences which it is not politically "correct" to dare even mention, is patently absurd. Industries of fashion, popular entertainment, television, news, music, radio, print newspapers and magazines, antisocial psycho social-pathic media, banking, automotive, education, medicine, technology, telecommunications, energy, are all owned, operated, and controlled by the same monopolistic cabal.

Washington D.C., contains many occult, Free-masonic buildings, and otherwise new age Babylonian plans and schemes and designs, in layout, and in edifices, that are disturbing, to say the least. Whatever the witchcraft and warlockry involved, the symbols are visibly dark; For instance, the upper trim line of many buildings contain such sculpted images of gargoyles, literally monsters, devilish fiends, fit for nothing more than to be slain and sent to the eternal torments of fiery damnation. And yet, the Free-masonic, and otherwise secret satanic society symbolism is contained through the architecture of Washington D.C..

The architecture left too much to be desired. Beauty was not a variable in the equation of the builders whose

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG

destruction was imbued in the auras of the very edifices they erected. For a structure to be aesthetically appealing and pleasing to the eyes, well, we would of necessity have to turn back to ages of antiquity, or, if we were more charitable, to colonial or other pre-industrial epochs. True, there are a few, minor exceptions. And yet, again, those are mostly the humanitarian works of those watchers who have destroyed everything that was previously sound and good, and every path that would lead other generations to a blessed land and nation. A token thrown in the pond of antiquity. A nod to those that came before us, albeit, superficial in its emotion and self-serving in its fruition. No, modernity hated tradition too much to share the world, the labor, and fruits thereof. Post-modernity, that is the cybernetic digital age, is content to house all of the history of mankind, in its digital museums in the clouds of the worldwide net. And any individual man who does not like that, must be labeled the worst criminal, whose crime of choice, is hate, as defined by the biggest haters of all. Though they cloak their hate in faux social etiquette and mask their hate in their own hypocrisy, narcissism, and incredulity. In their democracy, extremely liberal and radically social as it is, the one who screams and curses the loudest, is the most masculine, is the most correct. The one whom is the most arrogant and vile, is the one who is the most successful and the one measured most worthy of success.

The vehicles were also ugly. When one looked at the taillights of cars or trucks, for instance, one's vision was immediately struck with the menacing outline of a robotic and devious face, sneering monstrosously back. This was the rule, virtually without exception. Perhaps if one saw the taillights of cars from 90 years ago, a Ford say, one would not be so struck with the visible face of darkness, animated in material things and commodities. Such was not an accident, nor was it a coincidence, for there really are no such things as coincidences. Yet, such was by intelligent, and demonic design. For mortal sin was the root cause of all ugliness. And

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

a world hellbent on mortal sin was bound to ugliness. It was not unheard of for the world government, dragon worshiper it was, to attack an individual whilst he was driving along the roadway on his way to work, on his way to make his living, with an electro-magnetic pulse attack, effectively disabling his vehicle. And once the owner is able to have his car towed to an automotive shop, the snakes there will inform him that the fuel pump needs to be replaced and yet it is beyond their facility to do this repair job. So, thinking he better take it to a dealership, notwithstanding that there is no warranty, the snakes there, proceed to sabotage his vehicle, essentially ensuring that it will never again function as it should, as it would, had they not engaged in such a flagrant criminal conspiracy, "fixing" the fuel pump for \$1000, if even the snakes did that much, before informing him that the entire engine needed to be replaced., which would cost over \$4000 and upwards of \$6000 without ANY guarantee that even then, the car would once again be in good, proper, working order as it should be, as it was, before a one satanic world government sponsored EMP blasted the engine, and before it was furthermore sabotaged by the satanist mechanics and technicians at the automotive service center(s).

Having no money to have the car fixed and back up and running, the poor individual maliciously and criminally targeted and persecuted by the world, would also have no way to continue making his living, thus he would have no way to pay the rent and the bills. Incidentally, the poor man would observe, that once his private property, his car, was returned to him, and he tried to start it, the car had an utterly different sound while it was turning over. A sound that was so blatantly an indication that the vehicle was deliberately sabotaged, as to leave no question or reasonable doubt whatsoever. The satanic-induced sound indicated that the car had been tampered with and sabotaged by snakes, crooks, criminals, and cowards, insofar as there was a difference thereof. members populating every stratification, every class, caste, sector of society, culture, and civilization, across the board, across the spectrum, will of course do anything and everything they are told to do, without question, and without revealing anything to their target and victim.

Entire schools of thought were opened, entire industries generated, for the sole purpose of bridging the gap between beauty---the representation and the reality, which intimates purity, chastity, cleanliness, strength, truth, courage, honor, Godliness, love, wisdom, morality, goodness, virtue, faithfulness, life, Heaven---and the beast, which demands, perversion, corruption, mutation, ugliness, hatred, foolishness, cowardice, immorality, greed, lies, weakness, devilry, evil, slavery, sin, death, and hell. Whilst this duality of the heart, mind, and soul is a very clear and present material reality and supernatural actuality, it is a spiritual, cosmic, and eternal warfare, with the souls of men swaying in the fray. There is no equality in this dichotomy, and there never will be. To grant union between the beauty and the beast, is to deprive beauty of her birthright, and to grant to the beast that which it is not owed, has not earned, does not deserve, and has no right to. The tyranny of relativism dictated that beauty was a matter of opinion. And yet this was false. For God is beauty, and all creatures he makes, are beautiful. And so much more are the creatures He makes in his own image and likeness, beautiful. Of course, there is the danger of pride, which is ugly. So that, if one who is beautiful, boast of beauty, especially over others, one inwardly becomes very ugly. And then, after some time, the outward appearance, which was previously beautiful, will reflect the inward ugliness.

The deception was so terrible, that even beauty could be mocked and counterfeited, and feigned where it absolutely did not exist. The fusion of witchcraft and technology had made this as easy as printing paper. Incidentally, we do not mistake the age of our elders for ugliness. In that, true beauty, Godly beauty, transcends age, and, at least in the supernatural spiritual sense, does not submit itself to the ugliness of sin,

nor to the physical decay of the flesh.

There are only so many ways the body of man is able to move, to bend, to stretch, to reach, to turn. There are only so many physical manifestations that the body of man might appear, mature, change, mutate. Only so many different skin colors and tones. Only so many different eye colors. Only so many different hair lengths and styles. Only so many different body shapes, weights, and heights. Only so many different pitches and resonances of the voice. There are only so many words in the common tongue, there are only so many linguistic expressions that are possible to express, there are only so many definitions to potentially be vocalized, through only so many avenues of articulated speech, with only so much meaning, in only so many contexts. Nature and Natural Law, and Supernatural and Supernatural Law, binds us in a finite trinity-dimension, plus time, in a finite universe, beyond the veil of which is eternity in all its infinity.

I awoke to the digital screen stating that it was 9:28AM. Exhaustion held me in a trance-like state. I was in no condition to face the day. As on too many other days to recall, I was, in effect, dead to the world, as they, who seem to know all things before us, who seem to effortlessly know the secrets of the science of living, and the science of loving, and the science of mattering, beyond what our pathetic comprehension is capable of. I dozed off, as one listless yet buoyed by an otherworldly fatigue. The conscious mind rising to the sea level of wakefulness, only to unquestioningly fall into the chasm of sleep again. The process repeats in a cycle, the sole existence of which, appears to be to perpetually defeat the will. It was 9:28AM. Or at least thereabouts. How can time keeping records be absolutely accurate, when everything has trans-morphed from analogue to digital? How easy is digital information, or data as it were, to manipulate? I fell instantly back to another deep, troubled sleep. I awoke again. The time, insofar as that was what it was, digitally read to me, 9:21AM.

Was I brought back roughly 24 hours or did I lose a day?

Was this another case of my being abducted whilst I slept in what should have been the privacy, safety, and security of my own bed, in my own bedroom, in my own apartment? How is such a missing time anomaly to be truthfully comprehended? I have a theory that we are not in present time. It might have something to do with the time zones, and the fact that, an entire zone in Asia is a full 24 hours ahead of us. Are we being held back. Is there a time lag? Incidentally, an apartment is not a home. Not even close. They say, the knowers, or are they the all-knowers, verily, that home is located where the heart treads and exists.

When the foulest refuse, when the cruelest wretchedness, when the vilest wrongheadedness does not expend forth from the heart, I suppose the loveliest love, or at least, the makings of the potential of the loveliest love, were such potential provoked and invoked, instead of revoked and choked to death, flows from the heart like river water flowing into the vast ocean. Romantic love is far, far, far older than democracy. Mob rule by the majority, even when, especially when, they are more wrong than the devil, leaves too much to be desired.

Military training? A real, true leadership would not break warriors down. It seems that multiracial Anti-Christ anti-White empire does that to homogenize the masses, turning them into cogs, automatons that will obey without question. A true leader is so loved by his men, because he so loves them, that they would obey without question, without any legitimate reason whatsoever to brutalize and traumatize and condition them, under the guise that such dehumanization prepares for war. The West empire generates wholesale, factory soldiers, who are trained to kill, or murder, whoever the zog commands them to. Also, a warrior never gives up his God-given, inalienable rights. In fact, his entire purpose for being is to defend his folk, and their God-given, inalienable rights. To suggest otherwise, is the inversion of the Truth, the Light, and the Way. There is another path to warrior-hood, a far, far superior way, that does not at all

entail breaking the man down, and “building him back better” to becoming a contract killer of the Anti-Christ, anti-White government. Why does the military and the law enforcement get a wide sweeping pass, merely because they are bloated federal government bureaucracies, conglomerated to the hegemonic world order, too big to fail, too big for accountability, too big for oversight? Such jingoism is actually anti-America, for the rulers of such, are more often than not, not serving the American people and American national interests, yet that of the synagogue of Satan world order, and the dominant culture thereof.

Being a grunt in the trenches of pessimism and cynicism is not exactly what I dreamed as a child, of being when I grew up. There is much more to say and write. And yet, apparently I am a battery that gives the evil world its charge and power. So my energy, as well my organize resources and my spiritual essence, are quite diminished and restricted. I do not give my consent. Yet that matters not. Hence, what other choices of mine there are, that are held in contempt, in this world where everything is all wrong? Perhaps not everyone is all wrong. Yet, observable fact and experiential reality reveals to us, that everything in this satanic kingdom world system is all wrong. Godspeed.

THE FAITHLESS INVASIVE ENEMY
ALIENS RUIN WHAT THEY COULD
NEVER BUILD

The United States is saturated with merciless enemies of mankind. The military intelligence agencies of the West are riddled with anti-men who engage in bestial science, and who have made entire industries and businesses and arts and religions out of destroying the minds of men. These devils, who are identical in physique to human beings, are members and agents of the secret police force(s), and conglomerated “Great Societies” and fusion bug-hives of the same. They are professional liars who say the stupidest things such as: “Social media giants are ‘private corporations’ therefore they have a right to censor you, to shadow ban you, and to, in effect, shut you up and silence you and target you for persecution.”

If the psychotic, anti-social, sociopath media giants are “private corporations” why is the FBI, CIA, NSA, DHS, MOSSAD, MI5, and so forth, intertwined with them and in effect, in joint cooperation and operations with these conglomerated platforms?

If these big tech companies, whose ill-gotten gains and monopolies and dominating and prohibitive successes were largely arrived at through the fraud and embezzlement of the

American, and other nationalist, people, and the usurious Marxist taxation of the same, are “private corporations” with “rights” that far exceed those of an actual man, let alone mankind, to the point of targeting the individual man for persecution, and obstructing mankind from his own nature, how is it that the general population has been made dependent on these conglomerated corporations who have a monopolistic empire on media, and the mediums thereof, and thus on socialization, and thus on collectivization, and yet, at the whim of the government, the corporation, or some local Shylock, any man, or woman, might be targeted, canceled, persecuted, stalked, harassed, mobbed, ruined, attacked, tormented, traumatized, terrorized, seized, searched, arrested, detained, criminalized, ostracized, and so forth and so on, on the specious grounds that what they have to say, the content of their free speech, is “offensive”, however that is arbitrarily, and even illegally, unlawfully, criminally, and evilly defined? The Jewish, black, and other nonwhite, anti-White liberals, communists, and Bolsheviks, have repeatedly proven themselves to be ineffably vile and endlessly monotonic. Their world---where producing a nightmare for us, is a dream come true for them, when their destruction of an illimitable treasure, a magnificent treasure that is trash to them, is offset by their propping up of rubbish as though it were the richest treasure---is a reflection of the fact that our enemies, absolute aliens that they are, are ineffably vile and endlessly monotonic.

My opinions, and infinitely more, are inimical to Bolshevism. For Bolshevism is a tripartite of organized evil, ugliness, and stupidity. The only competition in such an arena---which is literally found nowhere at all in Nature, in the Natural World---is the cooperative of aspiring to maximum evil, maximum ugliness, and maximum stupidity, and the enforcement of the same. This might vary from a microcosm, to the level that the same is imposed and enforced on the entire world, like a plague, absolutely unlike and contrary to nature, in that it is never content in spreading

or in infecting the healthy hosts that Mother Nature particularly favors and empowers with a strong immune system and immunological responses to foreign bodies and dark spirits, and with relationships of symbiosis with our own kind, were such not intercepted and destructed by the various anti-nature, anti-man intelligence agencies and “private corporations” of the anti-White world. Such creativity “crimes” our enemies never cease and desist from persecuting, whilst hypocritically, their regimented outbursts of unfettered criminal paroxysms invade and occupy every aspect of our ostensibly conquered existence.

What sort of “detective”, or “junior officer”, or “junior partner” would one who ambitions in the aforementioned anti-God, anti-nature, and anti-mankind hierarchy be? Perhaps such is an entomological as well as anthropological question? Any precursory study of the murderously genocidal communists, and Jewish pathology, and black crime, will bespeak the truth. They, that can never be repaid, whilst continuously threatening us with harm and death and spiritually terrorizing us with threats of terror and punishment forevermore after death?

But I am the bad guy, I am the loser, who should not be given the time of day, let alone allowed to be around children? Read that, I am the one who should be the victim of genocide, prohibited from having a wife, banned from procreating, and proscribed from raising my own family? There is no way for a White man to make a real and true life in this world with the Jews at the helm of what should be his own fate and his own destiny to the exclusion of all others. But I am the one whose alpha voice should be intercepted, scrambled, and silenced? By beta testers? By cybernetic agents hidden behind black screens, who, given the elixir of technology, are granted that which nature never endowed them with or intended them to have? By effeminate morons who are over-educated and overpaid, over-rated, and glorified criminals defined as “normal” cosmopolitans and highly functioning planetary citizens and residents?

We too, did not have a say as to the position or status or condition or manifestation of our birth and heritage, and yet the world does not, nor the universe for that matter, honestly and accurately, witness us perpetrating organized evil, ugliness, and stupidity against others, and imposing and enforcing the same against them, as a projection of our psychotic and malicious intent and design, let alone as an expression of our economic, social, racial, and spiritual power(s). His morality is an imitation, and falls apart at the slightest probing. His physical appearance is, even with the best science and technology money can buy, repulsive. He does not meet the average standard of beauty because of degeneration and dysgenics. In fact, even with the threshold of mediocrity arbitrarily and synthetically lowered, he remains inferior in that domain as well. Why should ugliness be celebrated: because it exists? Why should I be made ugly by forced association: because natural beauty is offensive to those whom Mother Nature spurned? Mother Nature does not aid and abet him in masking his ugliness and his true appearance. That is the business of cosmetics, plastic and reconstructive surgeries, treatments, and the like. If She did, She would no longer be Herself, but that which has always sought, and will continuously seek, to destroy and replace Her. And finally, his intelligence, is, like his umbrageous identity, for the most part, stolen and a pathetic mimicry of a greater and grander intelligence he neither possesses nor is worthy of.

If one paragraph cost me \$150.00 to write, I would say its Jewish blood-money well spent, if I was able to report that the ugly, Bolshevik Jew hybrid bastard, spends \$400, probably more, per month, in buying his morning coffee and afternoon lunch alone. Even if I could afford to spend such a small fortune on myself, each month, on nothing but lunch at work, Monday thru Friday, I would never indulge in such (((“junior”))) commissar flamboyant extravagance. Such pompous vanity is as alien, and repugnant, to an Aryan man, that is, to a non-Jewish, non-hybrid, White man, as is

sodomy and black crime. That it is entirely unnecessary and even not at all practical is beside the point. His profile dictates that, because he can, is the allure. Nothing else matters to the Bolshevik: faux appearances to the contrary notwithstanding. He is the nature killer, for he has always been a product of the killing of nature. He was borne out of the killing of nature. Perhaps we were born out of sin, and yet, Mother Nature has endowed and enriched and persevered us in ways that our enemies can only presume, thief, plagiarize, and corrupt in matters hideous and darkly.

I do not hate them because of their flaking and shedding skin. I hate them because they are rapists, murderers, thieves, and liars, and that is the accumulative content of their character, as an individual, and as a collective race. Now, I am reduced and restricted to doing with words in the spirit, what my long sword used to accomplish in the flesh in the old world.

While the world takes from me what I need, what it neither wants nor needs, thus depriving me of what I need, I create solace in the truth that one day, ultimately, each and every devil will be paid the wages he has earned and that he is owed. The enemy only wants what it neither wants nor needs, nor is entitled or worthy of, only when it understands such is what I need. That is not the mark or making of a man, or of an animal: rather, it is the mark and making of a bug-like creature possessed of a demonic spirit, that is a member of a collective hive mind of the similar and same. I am so proud of ALL of my ancestors. Their pure blood is the life-force charging in my veins, and no amount of evil, ugliness, or stupidity of the world and those of it, will ever alter or tarnish that.

In this sinister world, (((they))) own the conglomerated banking system, the financial industries, and the commercial and privatized market economies, as well as the aggregated corporate media studios and platforms. Obviously the aforesaid is not mere theory, it is the plain truth. In point of fact, the cabbalistic race who own and rule the world are

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

engaged in continuous criminal conspiracy against the remnant Aryan, White gentile race. Against our folk. That too is not mere theory. This multi-racial imperial world ownership of theirs, keeping in mind that ALL of their gains are ill-gotten, of course includes both the publishing and the movie-making sectors.

The pure, unmixed, non-hybrid, non-Jewish, Aryan, or White race, is, as God and Nature had, has, and will have it, the master race. This perfectly aligns with nature, the natural world, and natural law. However, the Jews, the traitorous and snake-like white liberals and freemasons and the capital-like, the blacks, and the fake rainbow coalition of communists, in all their anti- White, anti-Nature, anti-God diversity, are not interested in the earth and the various kingdoms and varieties of life and treasures thereof, anymore than they are interested in the Master Aryan race, except only insofar as they can ruin, plunder, pillage, corrupt, pollute, trash, destroy, replace, steal from, have their way with, circumvent, abuse, exploit, dominate, and benefit the most from. The greed of the anti-Whites is rapacious and insatiable. The advancements and weaponization of science, technology, industry, the imperial and counterfeit world civilization generally, has merely meant that what nature did not, does not, and will not permit, and has violently rooted out, the collective hive of humanity, and their Jewish overlords, far more bug-like than mammal or otherwise animal, now have brought about and enjoy to the detriment and destruction of the earth and what remains of the Aryan race. Of our race.

Hence, I am not in the least impressed with Jews and their Frankenstein non-whites, nor their insidious agenda. They are not at all following the dictates of nature, the natural world, or natural law. Their “green new deal” of “zero-carbon emissions” by 2030, or 2040, or 2050, is merely their coded boasting about perpetrating their perpetual genocide against the remnant Aryan race. Their actions are incessantly the exact opposite. Theirs is not a “fallen” nature, theirs is the arch-nemesis of Nature. They violate the law in

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

perpetuity, they trespass against nature continuously, they pretend to be, and play at being, nature, much in the same way they pretend to be, and play at being, gods or God. The problem is that they are corrupt and evil, they are two-faced, and they are counterfeits and mimics, and so they have no symbiotic relationship with nature, nor do they even have a legitimate and proper guardian-stewardship with the earth. Quite the contrary. They seek to control and bring about weather and climatic conditions in their favor, they vie to terraform the earth to more suit their alien and insidious predispositions. Their diabolic, kosher-certified science enables them to bring about their fiction and produce it as the sinister reality they then force upon us, as they impose their Mephistophelian will. When we resist, they target us as hate-filled enemies with no basis or relevancy in reality. When we do not resist, they target us as pawns to be maneuvered into their ecumenical snares and pitfalls.

To deny that the White man is the cream of the crop, to deny him his priority of place, and all the greater responsibility that such a distinction demands, to deny him his manifest destiny, to befoul and besmirch him his birthright, to corrupt and ruin his way, is the summit of evil, ugliness, and stupidity. Such a triple-threat is as easy for the lowest street-gutter level black thug, as it is for the billionaire Jewish mogul whose past-time, at least one of them, consists of raping young White women. In that regard, there is no class distinction, and so the communist-Jew Marx was so fundamentally wrong, that an Aryan would be remiss in searching his works for any good fruit whatsoever.

Ever wonder why, all these movies and television shows, all of which now are entirely digital and cybernetic-ally streamed through various devices, that are loose adaptations of books, novels mostly, are never, ever, faithful to the original source material? The book is always, literally, always, without exception, better, much better, leaps and bounds better, immeasurably better, than the movie or T.V. show. Why? Who owns the conglomerated monopolies of the anti-

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

White imperial world media and networks, as well as the literary world, and the entire “legal” apparatus and licensing system thereof? And why is it, that this race, persistently and perfidiously refuses to simply faithfully produce the literary works by transferring and translating everything, without addition, without omission, from the book onto the screen?

The apologists for the evils of this rapaciously greedy and parasitically insidious system of faux “artistic liberty”, and the naysayers of an alternative, read that, the better and best way, will lie and falsely claim that seeing as how the two mediums are different, it is not possible to faithfully transfer and reproduce a novel onto the screen. Would not the grand-master of movie-making be able to accomplish such an endeavor? Would he not be able to conduct the movie production much in the same way that the conductor directs the professional orchestra? Firstly, if the book itself requires three or more movies, that is a possibility. That eliminates the “need” to edit a book down to the point where it is no longer anything resembling the original work. Secondly, these same owners, media moguls, and the like, have spared no expense in, supposedly, “created new technologies” to bring to fruition on the screen, what was previously only possible for them to mentally conceive of and to express on the page. In other words, there is no reason, literally no reason, why a book, cannot be faithfully represented, being transferred from the page to the screen. They are not limited by money, nor are they limited by technology. What they are limited by, is their teeming hatred of, and for, the truth, and loyalty to, and the free expression of, the same.

When we listen to audio-books, do we anticipate that there will be vast changes and omissions and additions pertaining to the storyline, characters, development and dialogue of the same? Of course not! When we listen to audio-books, we expect, and have every right to expect, that the written word will be faithfully adhered to and will resonate audibly in our ears, exactly as it appears on the written page. The medium is different, yes, but that in no way

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG
DEATH CAMP

means or implies that the message must be garbled, altered, revised, in short, ruined. In fact, the exact opposite is the case and the truth. Precisely because the medium is different, the message should all the more be faithfully adhered to.

We have seen in some parts, of some scenes, in some movies and shows, that this was the case. Yet, these are only sparse fragments, and then the production continues on its faithless path. Again, disproving the false assertion that because the mediums of moving images with synchronized audio soundtracks and books are so vastly different, it simply cannot be done. It has been done, granted only intermittently, pathologically sparingly, and in piece-meal fashion. But, yes, the Jews have done so.

My issue is not with original works. If it truly is an original work. If the work was written by a screenwriter, specifically for the screen, well then, that is the whole point of the “tried and proven” industry format. If some ugly Jew wants to articulate to the world his distress over beautiful, however enslaved, ensnared, and snarled White women abhorring him and his diversified depredations, secretly of course, for fear of being targeted as a “thought criminal”, that is his punic prerogative. No sane person will ever praise it as great, good, or even mediocre, but then, being subsidized, the message does not have to sell, it does not have to make money. In fact, it can cost as much money, and not make any money, as long as the ugly Jew got to have his voice and force it on the world. The problem I have, is when these shysters steal other peoples literary work, specifically our folk’s work and intellectual property. Somehow, thru their leviathan’s tentacles of conniving and thieving, and gaining and giving themselves “license” to do whatever they want, in terms of ownership and reproduction, after the fact of them stealing someone else’s literary work, they subvert a masterpiece and turn it into a cheap imitation, a pedantic or a buffoon’s ridicule, or a hybrid of the two, a “politically correct”, or “kosher certified” mockery. In short, a degenerative piece of filth that is not worthy of our attention

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

or our time, and, unless we are intoxicated by the anti-White impulses of the world, merits nothing but our disgust.

One example is the latest rendition of *Dune*, which was of course originally the first book in a science fiction series written by Frank Herbert. The 1984 film version of *Dune*, while a case in point about the process of trimming down an original book to a skeletal rendition, is nonetheless, the superior cinematic work. In the most recent, “woke”, that is, “diverse”, that is anti-White, version, one character who was a White man in the book, is portrayed as a black female on screen in the movie. Also, the lead male is not an alpha man, and there were blatant overtures of Freudian innuendos between this young male and his priestess mother that was quite nauseating and of course nowhere to be found in the original novel. Also, his father is an Arab (Muslim?), who, again, is not so in the original novel. Perhaps only a White Nationalist Socialist, a remnant of a remnant of a remnant, of a minority of a minority of a minority, would find fault with the blatant Judaizing and multi-cultural acculturation of what was previously our people’s exclusively and homogeneously White literature. But then, that is what they are doing, and have been doing for decades, for generations, to our nations, our heritage, our legacy, our identity, our culture, our language, our religion, in totality.

Instead of creating their own original science fiction series, and then casting it however they like when they bring these stories to the screen, they take someone else’s work, and literally ruin it, for any change is tantamount to ruination. But most of the masses seem perfectly willing to “suspend disbelief” to be indoctrinated, inculcated, and initiated into the anti-White multi-racial world empire and its dominant and criminally anti-White imperial culture. I guess that is the price of admission, one of many, that goes along with the territory of social conformity and acceptance.

My mother would always tell me: “The book is always better than the movie.” I heard that so many times, as my mother was an avid reader, and I used to always nag her

about watching the latest movies that were newly released. I did not really understand what was meant by this, the full implication. Of course, I was so brainwashed, so mind-controlled into thinking and believing the propaganda lies that came from the mainstream establishment (not that the alternatives were anything but complicit and compliant and conformist, even whilst pretending to be counter-revolutionary, and rebellious against the evil AI-machine-matrix, that I suppose we are all induced to lap up like so many Pavlov-ian-dogs), namely, that the gap between the two mediums of film and books was too far to bridge. Now I understand that it was always about changing, and thus, ruining the message. It was always about them stealing, buying, owning, pimping the message and then whoring out the message and then lying and insisting that there is no other way, let alone immeasurably better way, to communicate the message, and that besides that's what everyone wants anyway, and anyone who doesn't like it is just a hater who is irrelevant.

Let us clarify the typified behavior of our multitudinous enemies. If we, may-hap, arrive at the discovery, that there is a legitimate master race, and that the legitimate master race has been most unjustly, criminally, evilly, and psychotically, harmed and hurt, much in the same way, that our legitimate King has been most ill-treated and abused, and thenceforth subjugated by the inferior race(s), we also might come to terms with this outrageous and unbearable reality, by duly noting, that the inferior race(s) is(are) sub-animal and is(are) more analogous to a parasitical insect (or to a colony of invasive bugs) than to a mammal or any animal. With this knowledge, of course, as with everything else, here, in this God-forsaken anti-White world, comes many dangers. Not only to ourselves, but also to the animals and their kingdoms, whom have naturally earned our admiration, unlike the Jews and the blacks whom have earned nothing from us, but our distrust and odium, albeit they have continuously trespassed against us and have stolen everything from us, even our

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

names.

Absolute evil, rears its ugly head, yet again, when it murders the perfect animal, for no other reason, than that it hates the animal, for the animal is deserving of our respect and kinship, whereas the Jew and the black utterly fails in conduct and behavior befitting our friendship and our love. No, they have our disgust and hatred. Nothing more, nothing less. Animals are innocent and verily are unable to hurt us even: even were they able to literally kill us, their intent would be free from any malice and it would more than likely be a preemptive defensive measure on their part. The Jews, the blacks, and the various, diverse, communists of the racist, genocidal, anti-White world empire, are able to do nothing but hurt us: even when they try to, or actually do, “help” us, somehow it also ends up hurting us, and their intent is also suspect at best and malice-filled at worst. It is not animals we need to be free from. It is racial aliens that are predatory parasites that we need to, and will be, absolutely free from. When the Jew, or the black, or the hybrid, or the otherwise anti-White, decides to murder an animal, because the animal is immeasurably more worthy of our attention, bond, and affection, we know by their works they have achieved maximum evil. They fancy us like animals? I would rather be a dog, the lowliest, and tiniest, dog, than a Jew. I would rather be a turtle, the largest, and slowest, than a black.

On bitterness. You would be bitter too, if you had a racial, and thus spiritual, awakening, and first became aware of the fact that you had been lied to your entire life. That the lies that were forced upon you as a child left an indelible mark, and marred your worldview and perspective of life, that those lies inhibited your ability to know the truth for the most crucial years of your early adolescence and development, when you were the most vulnerable and impressionable and susceptible. Being deprived the truth is the same as being deprived freedom. You too would be bitter, if you realized, only so long and so far after the fact, that

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

before you were even born, your people, were slaughtered by the millions and were driven to be slaughtered in the millions. Entire generations of your people were snuffed out of existence before they were even brought forth into fruition. Entire generations and futures of your people, of our people, of MY people, were murdered, all so the Jews, and blacks, and the rest, could own and rule the world. I will say, that I do not think that price, the price my people were FORCED to pay, is anything remotely approaching worth it. Of course the Jews believe otherwise. But they are not wise. They have imposed unpardonable lies, and have molested us into believing that they were the victims of what our people perpetrated against them, when in truth, in fact, and in reality, our people were the victims of what they perpetrated against us. There is this reemerging theme with the black communists as well. In that, such an alliance is not the source of dissension and division among blacks, rather, it is the focal point of their mutual understanding of, and with, Jewish power and supremacy. The Jews are a failed race. In that, they certainly do not make strange-bedfellows with the blacks. In fact, theirs is a match-made in the ghetto.

You too, White man, would be bitter, if you had a racial, and thus spiritual epiphany, that dictated to your conscience, the truth about the real “holocaust” or “burnt offering”, namely the terror and fire bombings of entire German, and other White, cities, and the murdering of millions of our people, the burning of them, alive to death, to Armageddon ash. The remnant of the Germans, the pure, non-Jew, non-hybrid, but the surviving Germans, they should be the ones paid reparations, until the end of the earth or until the end of time, whichever comes first, for all the horrible war crimes and atrocities perpetrated against them and their folk during and after World War II. No anti-White in existence today, is worthy to kiss the dirt of the ground stepped on by any German National Socialist from 1920-1945.

Of course, the traitors should be sentenced to death for their capital crimes, including, among many others,

criminalizing the truth, inviting black and Arab Islam in and giving them the keys to locks that were never open for them to ever construct to begin with. Holocaust denial? Nobody with an iota of truth denies that on behalf and at the behest of the perfidious Jews and their devil's bargain, that the real holocaust was perpetrated against the German race, by the United States, Great Britain, France, and the Soviet Union, by method of the cowardly and terror fire bombing of entire cities filled with women, children, the elderly, the infirm, refugees, and prisoners of war. The burning to Armageddon ash of so many millions of our people are the worst war crimes and crimes against mankind in all of the history of the earth, and will never be forgiven or atoned for, for such is the summit of infamy.

Whilst my moral and religious convictions preclude me from anymore going to the "liberated" liberal Roman Catholic Church, my faith consoles me in the belief that God will make a new earth, and will both resurrect and reincarnate Germany, that her people might live in their Third Reich, peacefully and happily, to the exclusion of ALL others! That they might thrive in their Germany for 120, or for 1000 years, unadulterated and unmolested by, and absolutely free from Jews, communists, free-masons, negros, hybrids, homosexuals, and the like anti-White empire of diversity, and all their presences, influences, and molestation's. That idea alone, is more powerful than any AR-15, and with that idea alone, I need no defense against any cowardly and terrorist flying death-machine from above. Nothing is impossible for God: what He Wills is able to be done. The unconditional love of our King is so Great, that I find no reasonable doubt that would indicate that God will not ultimately fulfill His Promise to His people, and will not pay the wages our enemies have earned for themselves and that are due to them. Such conviction is now what makes me tick.

Now, that does not mean I have changed my position, in the least, on the Jews, or any other communists for that matter. Their crimes are capital as they are infamous. And

there is only one punishment befitting capital crimes, and that is capital punishment. Unfortunately, we have no economic, political, or social power from whence to responsibly act. And so justice is deferred, although nonetheless, we know She ultimately prevails. For God will avenge every "hellstorm" that reigned down upon our people, every evil that was perpetrated against our folk. He will personally answer. It is a mistake to think that if we loose this earth, we loose forever. God could easily create a new earth, a new earth where Jews and blacks do not exist and are not allowed. God could easily create our people anew: He could resurrect and reincarnate them without breaking a sweat. The propaganda of the enemy takes many forms. Including that of organized and irregular religion. If we cannot organize ourselves along racial lines, to the exclusion of all others, than perhaps any such organization is compromised and not worthy of our consideration, let alone our membership and attendance. Those who have to murder women and children, annihilate innocents, in order to win their war and have their fill of blood-drunkenness, prove their invincible and maximum evil, ugliness, and stupidity, as well as their moral inferiority. From the summit of their arrogance, they look down on us, condescending us, as though we were akin to dogs. The irony is, we have more kinship and fellowship with dogs, then we ever will with Jews, and their fellow travelers. For dogs are a superior species to Jews, in more ways than there are hours in the sabbath. And yet, dogs are not supposed to be possessed of a rational soul. One German shepherd is worth infinitely more to me, then six million Jews.

Where no problem existed, the hybrid-Jew, the pride and joy of his rabbi and bug-like, communist gang-stalking colony, causes one. Only so that he may exert some of his Jew power over you, and act condescending towards you. Gas-lighting is of course attendant with Jewish-communist gang-stalking, workplace mobbing, harassment, and so forth. The irony of his psychopathic-pathology, is that most, if not

all, of the actual problems that there are, in the workplace for instance, are due to his errors, mistakes, laziness, incompetence, and generally subpar and inferior work ethic. This has been proven so often that a clear pattern of this truth has emerged that is quite indisputable. So, when there is little work, for example, the “slow and steady” Jew will cause a problem that never existed, only so that he can bring the problem to your attention, and thus pointing out the problem to you, the problem that was brought about supposedly through your fault, through, it is blatantly insinuated, your poor workmanship or oversight, though it never existed before he “found” it, he exerts his perfidious sway over you. This form of power tripping, is hysterical, given that the Jew is less than a beta male, and, in an actual contest of combat in either mind or body, I might easily dispatch him were such an occasion to arise. And I must say, were that to be the case, I would not have the slightest problem in having no remorse for having done so. Nothing like a plague on my soul than a Jew. Nothing like a pestilence in my mind than a black.

Perhaps I will create my own religion of hating the Jews and the blacks. I have not decided yet. But then, to what purpose and to what end would that avail? Some Jew or black would waste no time and spare no expense to invade my soul and mind and demand that he be allowed to join my religion. I would not have the freedom of choice to say no, for that would practically be tantamount to me throwing the Jew in the oven or lynching the negro from an old cypress tree. The Jews, and snake-like white liberals, who fiercely decry and fault White National Socialists, or White racial separatists, or generally pro-White pure, non-hybrid, non-Jewish Whites, from “always blaming the Jews for everything”, are perhaps in need of some of our excess pity, for it appears, not all the money of the whole world can buy them higher intelligence. When Jews cede their ownership of the mass media, the social media, the movie studios, the banks, the governments, the publishing houses, the airwaves,

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

the conglomerated industries and world order, and give up all their ill-gotten power, in short, when they tender their unconditional surrender, then it would be feasible and honest to consider how we, White men, might look in the mirror and do some serious soul-searching as to our responsibility regarding our race and our race's place in this world. Then, and only then, might I take serious any spiritual threats and terrorism perpetrated against us that suggest we, of all peoples, should be fearful after we die.

That the Jew refuses to take responsibility for his evil actions, and the evil consequences that are forced upon us as a result of his evil actions, whilst he is the one who owns and rules the world, and blames us for all the evil he does, and all the consequences of the evils he does, speaks infinitely more about the perfidious, ugly, and spineless character of the Jew, than of the faults of the White man he subjugates, ruins, and murders. What is the extent of a White man's personal responsibility when he is enslaved and ensnared in a cybernetic concentration-gulag-death camp? What is the judgement upon the threshold of a White man's struggle and survival with impossible odds, stacked astronomically against his favor? For God's sake, we are even superior as victims. Should I be blithe about that fact? Might that take a little of the sting away from their smugness? What does it profit a White man to loose his race and gain a bit-part in the devil's world? One dead White man matters infinitely more than the entire failed, criminal, contemptible black race. In my humbly privileged opinion. Wait.

Wait just a dog gone minute. I can do better then that. In the unfortunate event of my untimely demise, if this were my last written statement...Well then. I must say. Unequivocally. I am sorry to disappoint, but my bacon did not burn. My bacon didn't burn. Next stop. Taking the world back! The distance from my bacon not burning to reconquering the world from stupid non-white murderous barbarous swarms of Islamist's and communists and the like is not too far to traverse. Sand black and brown people, such as Arab and

African Muslims, are alien invaders who should be violently dealt with as such. Any peoples who did not, because they could not, invent the wheel, let alone send a White man to the moon, is not welcome in my nation, in my Church, or in my home. Deport all non-whites back to the slums and cesspits and mud hovels from whence they sprang up. Or, reap the whirlwind of the devil's many, and diverse orcs. Especially be mindful of orcs in hobbits clothing. One songbird, one eagle, is with worth infinitely more to me, than every single Arab Muslim. Oh, and fat books could also be written about how horrible the Mexicans are. That is all. For now.

GANG STALKING: REAL CRIMES OF TRAFFICKING & GENOCIDE AGAINST MANKIND

Gang stalking is real. Gang stalking is a real criminal conspiracy that is perpetrated against innumerable individuals who are targeted by the world government, the world system, and the world culture. There are many reasons why one might be targeted by the world. Whistle-blowers who expose government and corporate corruption are targeted. Witnesses of criminal activity are targeted and intimidated into silence and worse. Prisoners are targeted, mental health patients are targeted, homeless populations are targeted. The more marginalized a segment of the general population, the more that the perpetrators of organized gang stalking have plausible deniability. In other words the more vulnerable a person is, the more they will be blamed by the very same perpetrators who are forcing them into being victims. Target practice is one reason why a single individual is targeted. The training of perpetrators in the use of technologies, methodologies, and tactics, in practicing and developing the skill sets required to continuously surveil, monitor, stock, abuse, molest, and harass somebody is ongoing. Non-consensual human experimentation is also another reason

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

why a single individual is targeted. Entertainment is another reason why individuals are targeted. The entire life of the individual is recorded in both video and audio formats and of course all of this digital data can be edited and formatted in such a way as to generate a production that can then be broadcast and brought to some consumer level of pay to play interactivity in a sinister "reality" stream. The involvement of Hollywood and all the conglomerated industries with the military and intelligence establishment has been documented and is already in the record. In the mainstream media's there is predictive programming whereby if the targeted individual provides witness testimony such will be dismissed out of hand as being merely some theme or as being part of some narrative in some movie or TV show.

Victims of organized gang stalking and harassment have no advocate to champion their cause, they have no recourse for redress of grievances, and there is no organization that they can turn to for legitimate and lasting help and assistance. Part of the tactics of the organized targeting program involve inducing high levels of stress and keeping the Target in a ceaseless state of hypersensitivity and Hyper awareness. The target is forcibly isolated and made to be alone, the target is cut off from friends and Families, and the target is prevented from having a support group and social network. In many cases the friends and family members of the targeted individual will themselves participate in the organized gang stalking and targeting of the individual. The target is censored from the internet, the target is shadow-banned on the internet, and the target is excluded from participating in social media like the majority of the general population is allowed to. The target is cyber stalked, the target is cyber bullied, and the target is cyber harassed.

Workplace mobbing and harassment also occurs with regular frequency. The targeted individual leaves one job because it becomes so bad only to get another job and have the same cycle of torment and abuse and psychological warfare and torture being perpetrated against him.

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

Perpetrators of gang stalking, whether they are co-workers or whether they are strangers in public, will repeat details out loud and in proximity to the targeted individual about the targeting individual's personal life that there's no way that these perpetrators should know about. Synthetic telepathy is real. The weaponization of the electromagnetic spectrum has occurred and has made it possible to project sounds including voices into the targeted individual so that only he will hear them. This is also how the perpetrators can communicate among and with themselves. The perpetrators are able to hear the thoughts of the individuals and they are also able to project and to implant invasive thoughts into the individual's mind field that are not the targeted individuals own thoughts.

Organized gang stalking amounts to countless crimes against mankind, human trafficking, and the personalized genocide of an individual as perpetrated by the world system and dominate culture thereof. The perpetrators are participating in organized evil, crimes, and psychopathies that defy even the most elementary morality and rudimentary logic. The perpetrators of organized gang stalking are part of a collective hive mind. Since they have been initiated into the collective, they are certainly conformist to the mainstream establishment. Because every member participates in the organized stalking, harassment, abuse, torment, shadowing, and otherwise criminal activity against the targeted individual, all are emboldened in their collective guilt; for because all are guilty then none are guilty. This is precisely how gangs and cults operate. The requirement of initiation, which is a ritual or a rite of passage, necessitates that each individual member throw off their individuality to become acceptable to the group. Once they have proven themselves to the group, once the group has vetted them and has accepted them into their rank and file, the duty is then to become universal with the collective. That is to say, once initiation has been completed there is no longer an individual there is only the group with the same mentality and with the same ideology. This is

dangerous for a variety of different reasons. To the multitudes and multitudes of various groups that are involved and participate in the perpetration of organized gang stalking against a single targeted individual the world over, the evil and criminal means justify the evil and Criminal ends.

Perpetrators of gang stalking are incentivized in a number of ways. Foreigners, illegal aliens, and people from other countries are offered citizenship or natural alien status that might not have been previously available to them had they not agreed to participate in being a gangstalker. Criminals who are in prison are offered reduced sentences if they agree to participate in the organized stalking and harassing of a targeted individual. Homeless people, including drug addicts and thieves, are incentivized into being given housing if they agree to participate in these organized crimes against a targeted individual. Perpetrators of organized gang stalking are from every walk of life, derived from every background, encompass each social and economic class, and comprise every political and theological caste. That professed Christians, including preachers and elders in churches and chapels participate in the perpetration of organized gang stalking, harassments, and abuses against a targeted individual should not at all be surprising. Many of them are freemasonic or are otherwise initiated members into the assorted seemingly diverse groups of the world. They are beholden to the world system through the economy, through tax regulations, and through the regulatory apparatus generally speaking.

The symptoms of the victims of government and corporate mind control programming are virtually identical to the symptoms of what is officially and formally diagnosable as forms of mental illness. The perpetrators of organized gang stalking will always blame their victim and accuse their victim of being mentally ill. This is the equivalent of the rapist accusing their victim of being raped because they were sexually active, dressing in provocative clothing,

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG
DEATH CAMP

inebriated with alcohol, in an area where they shouldn't have been, around people they shouldn't have been around, and being flirtatious and thus inviting the advances which ultimately led to their sexual assault. This is a typical narcissistic perspective. The narcissist, even when he is literally always wrong, is to his mind, always right. The fact that anyone would dare to accuse the narcissist of being wrong, automatically makes the accuser in the wrong.

When somebody is being constantly surveilled, continuously stalked, perpetually harassed, always molested in all places at all times by multitudes upon multitudes of people from all walks of life, when an individual is targeted by dozens, and hundreds, and thousands of different people and abused in a myriad of ways, the mental health of that individual who is targeted is going to be diminished, the mental health of that individual who is targeted is going to suffer immensely. So then for the very same perpetrators and guilty parties responsible for such heinous evils and crimes against a single individual, to blame their forced victim for the evils and crimes that they are perpetrating against him on the fact that he is not operating at optimal mental health, is immeasurably more indicative of the satanic pathology and demonic psychopathy of the perpetrators themselves, and their world writ large, then it has anything to say about the mental stability and acuity of the individual that they target.

No individual could ever think, say, or do anything to deserve being targeted by organized gang stalking. And in the same way no child or woman, or anyone for that matter, could ever think, say, or do anything that would ever make them deserve to be molested or raped. For the very act of rape itself is an absolute abject evil that is never acceptable or permissible or legitimate or right in any situation at any time without exception. The same is true for gang stalking.

GANG STALKING: WORLD ORGANIZED EVIL & CRIMINAL CONSPIRACY

The truth is that the symptoms of gang stalking, narcissistic abuse, satanic ritual, mind control, directed energy weapons attacks, synthetic telepathy, organized harassment of a single individual targeted by multitudes of people in various groups, all virtually coincide precisely with those of so-called mental illness. If the single individual who is targeted by the government–corporate establishment goes to the authorities seeking help and assistance he will be labeled as paranoid, delusional, schizophrenic, and generally mentally incompetent. The response by the authorities of the establishment once the targeted individual is labeled as being mentally ill, mentally unhinged, mentally unstable, and the like, is generally to either admit them to an institution, such as a psychiatric ward in a hospital, or to otherwise blacklist them from society and administer to them pharmaceutical drugs such as anti-psychotics or antidepressants. The pharmaceutical drugs have the effect on the targeted individual which amounts to a chemical and biological lobotomy. Depending on the doses the targeted individual could become more comatose and more zombie-like in their behavior and conduct. This of course is what the targeters

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

and The Operators of organized gang stalking prefer because then this makes the targeted individual more susceptible to behavioral conditioning and mind control. Once the targeted individual is drugged with pharmaceutical “medications” the targeted individual is more malleable for handlers to get the target individual to do what they want.

I have been targeted ever since I can remember. I remember in high school when I was a freshman there were seniors who appeared to be in their early to mid twenties. Of course Hollywood, with its involvement in the military and intelligence establishment writ large, has produced and broadcasted movies that contain so-called predictive programming. So that when a targeted individual provides witness testimony he will be more easily discredited and dismissed, because people will merely point to the fact that what he’s talking about has been included in themes and narratives of mainstream movies. This offers the perpetrators of these heinous evils and crimes a veneer of plausible deniability. Simultaneously, it provides the perpetrators with even more clout by which to slander and bear false witness against their forced victims and forcibly isolated targets in that they would just label them as being crazy or mentally ill.

The weaponization of the electromagnetic spectrum has enabled the operators of the weaponized technologies that are being utilized against the targeted individuals to command and control the targeted individual from a distance. Because these organized evils and crimes are perpetrated remotely and in proximity to the targeted individual, proving that these crimes are happening and proving who the perpetrators of these crimes are, beyond any and all reasonable doubt, is very difficult if not next to impossible for the targeted individual alone. The perpetrators who are committing these atrocious crimes against mankind, these heinous crimes of human trafficking, and these horrific crimes of personalized genocide against the targeted individual victim, force the individual into isolation and exclusion and marginalize the individual from society and the

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

general population writ large. So the targeted individual has no recourse for redress of grievances, has no support network, has no friends and family that he can turn to, has no organization that he can go to for aid, comfort, assistance, and help.

Because the technology that's being utilized against the target individual is military grade all the government has to do is claim "National Security" privilege or in the "interest of National Security" and in this one blanket statement they attend to the cover-up of the multitude of the crimes and evils that they are responsible for and guilty of. In the same manner the corporation claiming a legal right to proprietary rights will presume to continue with their organized evil and criminality against the targeted individual, notwithstanding that such violations of fundamental morality, including basic human rights, are so gross and so regular as to occur every day and every night, without so much as a whisper of protest or dissidence from the general population.

It is my belief that the majority of the general population are aware of what is occurring and are either directly involved and complicit in these crimes and evils against the single individual that is targeted, turn a blind eye to it all, are willfully ignorant, or are terrorized into submission and silence. Friends and family members and classmates and coworkers of the targeted individual have all been shown to be involved in gang stalking and harassment of the targeted individual. This Sinister reality that the individual is forced to endure is truly dystopian and nightmarish. I would not wish being a forced victim and being forcibly isolated and held in containment such as I am in this cybernetic concentration Gulag death camp, against my worst enemies.

Professed Christians and students of the Bible have also been shown to be complicit in the perpetration of organized gang stalking and harassment of a single individual that is targeted by the government – corporate establishment, and the dominant mainstream culture thereof. In fact, perpetrators of organized gang stalking and harassment

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

comprise every social and economic walk of life, each level of intelligence, every background, each class, and all casts and generations. Perpetrators of gang stalking include segments of the homeless population including drug addicts and thieves, teachers and students, postal workers, social workers, small business owners, celebrities, politicians, military members, and generally speaking members of the dominant society and culture throughout each sector, in every area, in each industry, at every financial level, and in every monetary, political, ethnic, racial, religious, sexual, and cultural category. Targeted individuals appear to be a tiny minority of a minority of a minority.

While it is true that generally speaking the entire human race is targeted for genocide, that is to say for elimination, for termination given the trajectory of the Advanced Technologies and given the transhumanist agenda of those who Rule and own and operate this world system, the Matrix thereof, and the dominant culture thereof. It is also true that the vast majority of people appear to be sheepishly going along with the very same establishment and with the very same dark agenda that would seek to replace human beings gradually. In phases and in an elongated process, whereby changing the human being into a cybernetic being but then ultimately transitioning humanity into a totally remotely commanded and controlled collective hive mind has already been well underway since at least the 1950's and 1960's.

This is the most disturbing aspect of the perpetrators of organized gang stalking and harassment. They are part of a collective Hive mind. They have no individuality of Their Own and they have no moral compunction to do the right thing. Because to them, doing the right thing is whatever the group does and tells them to do. And so the group is emboldened in its doing, so that nobody in the group is ashamed of the evil and crimes that they are perpetrating. Then we can reasonably deduce that the group, and all worldwide conglomerated groups of the same collective hive mind, and each initiated and conformed member thereof, is

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

sociopathic, narcissistic, psychopathic, criminal, and evil.

The ruination and destruction of our life was absolutely unnecessary and grossly diabolical. The fact that the group, and its members, takes sadistic pleasure from inflicting pain and suffering on us, indicates the monstrously insidious and bestial nature of the group and perpetrators who make up the group, namely that it is not only subhuman but also sub-animal as well. The world has standardized and normalized organized targeting, organized stalking, organized harassment of a single individual for it has gone mainstream much in the same way that witchcraft has gone mainstream.

There is a duality in that this personalized genocide that's being perpetrated against us, these multitudes of crimes against mankind that are being perpetrated against us, these multitudes of crimes of human trafficking are certainly physical and are happening in this material reality and three dimensional space plus time Realm of existence, but also there is a very real and visceral spiritual component to all of this which also manifests in the physical universe. While we have a right to defend ourselves and even our loved ones, in so far as we have any loved ones, because of the hyper dimensional components and elements to this "total spectrum dominant" warfare that's being waged against us it is most challenging to offer anything beyond mere, mirror token resistance when the enemy has, to an immense extent and degree, essentially and effectively invaded, occupied, and colonized our mind. Therefore, the answer cannot be physical violence. Physical violence, is not a solution to the problem that we are plagued with. For the problem that we are faced with Transcends the physicality of our forcibly made miserable existence. It is the resolute will of our indomitable spirit that is a righteously powerful weapon with which we can use to honorably fight the truly good fight until we draw our last breath.

THE DELIBERATE ANNIHILATION OF CONCENTRATION AND SOCIALIZATION IN THIS CYBERNETIC CONCENTRATION GULAG DEATH CAMP

I'm fairly convinced that so-called attention deficit disorder is actually something that might be induced technologically and remotely by The Operators who are perpetrating organized gang stalking against a targeted individual. As with many other developmental disorders, mental health problems and illnesses, social anxieties and dysfunctions, symptoms of those who are suffering the effects of being targeted by government – corporate sponsored terrorism, stalking, harassment, torment, torture, and so forth, are essentially virtually identical to that of those that are clinically definable and diagnosable by the psychiatric Industry and medical establishment writ large. This provides a very cleverly designed veneer of plausible deniability on the part of the perpetrators of these crimes against mankind, of these crimes of personalized genocide against the targeted individual, of these egregious violations and evils that are committed against a person's life, livelihood, liberty, and dignity, as a soul inhabiting a so-called human body.

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

The fact that the individual that is targeted by this nefarious World system, by this Insidious dominant culture, and by this diabolic hyper dimensional matrix, is forcibly isolated and is forcibly made to be a victim, and our own advocate to boot, all whilst being surrounded and besieged by countless multitudes of the collective hive mind, in the thousands and beyond, and is hurt and harmed so routinely and in such egregious ways that inevitably the individual will suffer a decline in mental health, mental stability, cerebral function, cognitive ability, and overall mental health. But it is not merely mental. It is also social, spiritual, emotional, psychological, and yes physical.

The cruel irony that is imposed upon the individual is that he is declared to be an antisocial type personality, and therefore effectively he is charged as being somehow a deviant. The truth of the matter is that the society itself is so psychopathic, even by their own professional and expert clinical definition and parameterized diagnosis, that they are antisocial against the individual. So what happens when a society is such a psycho that it is antisocial against an individual? Clearly the individual is made in the image and in the likeness of God, if you will, and that being such, the individual is meant to be a social being. One of the necessities of being a member of mankind is to socialize with our kith and kin. Without proper, rightful, healthy socialization with others, the equivalency is that we are malnourished and impoverished.

As we suffer the effects of dehydration if we do not consume an adequate amount of water within the span of about 3 days, and as we suffer the effects of starvation if we do not consume an adequate amount of food within the span of about 3 weeks, so it is that we suffer immensely if we are not permitted to engage in, and we do not receive in return, an adequate amount of socialization with our fellow man. The so-called powers that be are very well aware of this. They have everything down to a science. And they also have everything down to a religion.

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

They have studied human psychology and physiology and every aspect of the Human Condition of life here on this Earth; how man will respond in any given circumstance, in any particular situation, given any amount of resources or lack thereof. Those who own, rule, and operate the dominant

World System are expert at all things concerning and regarding Humanity and The Human Condition at large. They have conducted studies spanning the spectrum from how to induce stress in an individual by purposefully placing that individual in overcrowded conditions and in an environment that is unremorsefully fundamentally and determinedly detrimentally hostile to that individual, to what would happen if an individual was infected with a disease, such as syphilis, when there is a readily available cure for the disease, but it is intentionally, and cruelly, withheld from the individual, in order to study and observe the effects of that disease on the individual over the span of decades.

It has been documented during such Military Intelligence projects, such as “midnight climax”, namely that the infamous CIA was involved with, that studied human sexuality and all sorts of perverse and corruptive situations and scenarios. In other words, total domination of every aspect of existence, total control over every area of life, without the slightest deviation and exception. Of course there is also the “The Observer effect”, whereby the target of observation will be changed by fact of an observer watching that target. Whether or not the target of observation is consciously aware that they are being watched is irrelevant. The fact remains, and the truth is, that the target of observation will be impressed upon and will be influenced by The Observer.

This is similar to the panopticon complex, where the stand alone individual must conclude he is being watched and manipulated at all times, yet he knows next to nothing about his assailants, nor is there anything he can do as an individual to put a stop to the sinister reality he is forced to endure and abide in. Even in submission and compliance and

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

compromise there is only the illusion of sustainability and of peace. In other words, there is nothing the stand alone individual can do to appease the so-called powers that be for even if he was to totally surrender, he would still be invalidated by the very standards by which he could never hope to achieve.

Naysayers who dismiss targeted individuals, who are forced victims of, and who are witnesses to, multitudes upon multitudes of crimes, and the apologists of the world system, the mainstream establishment, and dominant culture thereof, will inevitably slander and bear false witness against the forced victims of organized stalking, organized harassment, organized targeting generally, as being nothing more than delusional, crazy, paranoid, mentally ill, and thus being judged and labeled as such, that they should be considered discredited and not to be taken seriously. Such a Draconian rationalization is absurd at the surface level.

The equivalent would be that a prisoner of war that has been held in a prisoner of war camp is to an extent as to be mentally ill, therefore we should dismiss everything he has to say about himself being a prisoner of war and about the camp conditions and about how he was treated and about how the existence was there in the prisoner of war camp. It would only make sense if the goal was to silent opposition, if the goal was to assassinate somebody's character, and vie to prevent their testimony from reaching the general population out of fear that the truth of which he bears witness would resonate with more people. In fact, the truth of the matter is, we should take very seriously the testimony, that is to say the witness testimony, of prisoners of War, especially their treatment by the enemy, and especially the conditions of the camp, and the circumstances of their living situation within the prisoner of war camp. The fact that they will inevitably have suffered immensely even if they were treated in accordance with all legitimate International laws and Accords and agreements and treaties in terms of the just treatment of prisoners of war, such as the Geneva conventions, there still

ARTICLES FROM THE CYBERNETIC CONCENTRATION GULAG DEATH CAMP

would be measurable suffering that would be endured by the prisoner of war in an enemy camp. So then our empathy with the prisoner of war should be increased even more. Because of the fact that their mental health would have suffered immensely and have been diminished and that they might even be enduring the agonizing effects of, say post-traumatic stress disorder, or ongoing stress, does not in any way invalidate their witness testimony or their legitimate claims as to articulating the truth from their perspective of being a prisoner of war in an enemy camp.

The fact that some people online would suggest that because somebody is not operating at optimal Mental Health or cognitive performance levels that are unadulterated, unmolested, and unassailed, indicates to me that these people are either utterly misinformed, or worse still, agent provocateurs, paid shills, perpetrators themselves, gatekeepers, apologists for the organized criminal activities that are perpetually ongoing and perpetrated against countless individuals the world over, because they are not only embedded and immersed within the dominant mainstream culture and establishment of this world system but they benefit from the self-same said, and they serve the self same said, and they are loyal to the self same said. According to them and their works, the truth be damned, and the mental health of the victims be damned, and the lives of those undergoing such immense suffering be damned. Such sociopaths, narcissists, and Psychopaths, do not deserve even a modicum of respect or love on the part of those of us who are of a sane mind, good will, pure, albeit shattered, heart, and too are availed of a moral compass which we regularly check in order to reorient ourselves from time to time to make sure that we are bearing on the proper and right course. At least we have the will to do so, albeit we cannot do so, because we are forcibly ensnared in arrayed quantum entanglement containment fields. While often this, bearing our soul to and for the whole truth, is made immeasurably impossible, or at least it would appear that way,

we nonetheless go once more into The Fray, and enter into the breach, even when we stand alone as a voice crying in the wilderness, lamenting the fact that perhaps the only hope is that after we are long Dead and Gone, then people will rally around and Champion our cause, which was no more and no less, than revealing the truth, the whole truth, and nothing but the truth, so help us Almighty God.

ABOUT THE AUTHOR

Wirohugo Gengulf is an American Man. Dedicated to the Christian Faith, Wirohugo is always learning and growing in his relationship and fellowship with the Lord Jesus Christ. His Christian Faith is his guiding North Star, the Holy Bible his Lighthouse, while navigating the treacherous waters in this fallen and accursed world and life.

Wirohugo has self-published two other books, of poetry, entitled: *Invincible Tragedy*, volumes I & II respectively.

Articles From The Cybernetic Concentration Gulag Death Camp is the first self-published book in a series of the same name.

Wirohugo is a staunch proponent and a firm advocate for his inalienable, God-given and constitutionally protected right(s) of Freedom of Speech and the Free Press. He is a true believer in the legitimate, lawful sovereignty, and true identity of the nation, and believes that His Kin Folk have God-given, and inalienable, exclusive rights, privileges, and powers, to exist, and to be free to stand at the helm of their own destiny, and to steer their own fate, as one nation, in unity and in agreement with the Divine Kingship of Jesus.

While the subject matter of his work is controversial, and thus will inevitably be offensive to some, Wirohugo aims to seek the absolute truth, no matter how unpopular or uncomfortable, and bear witness and articulate the absolute truth, in his own unique, and personal way.

A Marylander from the age of one, Wirohugo has held an interest in history from boyhood. While he has obtained some 63 credits at a community college, Wirohugo is, for all intents and purposes, an autodidact.

He currently works full time during the week. He enjoys studying the Word of God, going to Church on Sundays, hiking, working out at the gym, reading, and writing.
